INSURANCE.

State Mutual Fire Insurance Company,
HARRISBURG, PA.
THE very liberal patronage extended to this company, having issued policies to the amount of near One and a Half Million of Dollars, during the last three months, is a fitting manifestation of the estimation and confidence of the public in the system of management on which its business is conducted.
To city or country merchants, and owners of dwellings, and isolated or country property, it is believed this company affords advantages in point of cheapness, safety, and security, inferior to no Insurance Company in this country.
Conducted on the equitable and greatly improved system of Classification of Risks, excluding all special hazards, insuring only a limited amount in any one locality, thus precluding the frequency and occurrence of large fires, and also on both the Stock and Mutual plan, it not only possesses the cheapness and accommodation of both methods, but entitles the insured to a participation in the profits.
It is under the control of the following Directors:—John P. Rutherford, A. J. Gillett, John B. Packer, Samuel T. Jones, Alonzo A. Carrier, Philo C. Sedgwick, Robert Kleber. J P RUTHERFORD, Prest

CHEMICAL STOVE POLISH
THE Phœnix Manufacturing Company now offer to the public their Preminum Chemical Stove Polish; and without exaggeration, offer it of contradiction, to those who have tested it, pronounce it far superior to any other in the market. Housekeepers have no apprehensions of soiling carpets, &c, as the composition prevents a dust from arising when being applied, which cannot be said of other Stove Polishes.
The quantity required is so little to produce a beautiful lustre, and the application so easy and a reward to the consumer. A trial is solicited to Stoves, Pipes, &c., when land sown for the amount, is a sure preventative against rust. Accordingly wherever it is used, it is universally so pronounced. Dealers will find it to their interest to keep it on hand. The Phœnix Manufacturing Company's Preminum Chemical Stove Polish. SN WICKERSHAM,
Agent for Sixth and Wood street.

MOSSBRIDGE'S ZINC.
THE Venice Mastagne Company supply their agents with Roofing and Flooring in sheets 42 feet long, 12 to 22 inches wide, and from one-eighth to three-sixteenths thick, of the finest quality of Mossbridge's Zinc. Corrugated Sheets 3x7, 27 oz, for roofing, and for other purposes, and Step Sheathing, 14 x 16 inches, from 24 to 32 ounces. Nails, Spikes, Screws, Tacks, Solder, Perforated Zinc, Zinc Paint, &c.
They warrant their metal pure, and free from any admixture of iron, or any other substance, and recommend it for the manufacture of most articles in the house furnishing line, as cheaper than tin, and not affected by the action of water, and may be polished, painted, and japanned.
Samples, models, plans, specifications, and other information may be had of their agents.—

H. KLEBER takes pleasure in informing to the public, that he has succeeded in securing the sole agency for Dunham's celebrated Piano Fortes, for Western Pennsylvania.

Mr Dunham, the practical partner of the above firm, has spent upwards of twenty years in the factory of said firm, is practical manager and director of the business.
