DUNHAM'S PIANOS.
Sole Agency for Dunham's Pianos.
HAVING the honor to inform the public that he has succeeded in securing the sole agency for Dunham's celebrated Piano Fortes, for Western Pennsylvania.
These Pianos made by Mr Dunham, of the firm of Dunham & Dunham, are too well and favorably known in this neighborhood to require any comment at this time, suffice it to say, that for a sweet, powerful and durable instrument, they are known in the Western country than those of Stodart & Dunham and Nunns & Clark.
Mr. Dunham, the practical partner of the above firm, has had a experience of twenty years in the factory of said firm, as practical manufacturer and director of the business. Within a year or two Mr Dunham has bought out the interest of his brother, and apprentices to the firm, and continues to manufacture, as before, in the popularity, that is so universally enjoyed by their pianos, and, they have sold two to one of any other manufacturer in the Eastern cities, for their durability and brilliancy of tone, and strength and power of tone, a large invoice of the above elegant Pianos now receiving. SIGN OF THE GOLDEN HARP.
