FATAL ACCIDENT.

A friend from Illinois writes us the following:

A respectable farmer near Buena Vista, Stephenson county, Ill., on 12th ult., which resulted in the death of one of our most respectable citizens, Mr. Geo. W. Heckman, formerly of Penn Hall, Centre county, Pa. For the information of his numerous friends and relatives residing in your part of the county, I will give the particulars as near as I possibly can. On the above mentioned day, Mr. H. and his family were engaged in cleaning out their new house, intending to move in a few days. In the evening, just before dark, it appears, Mr. Heckman was working on the roof at the chimney, the roof being very smooth with ice; while in the act of removing a bundle of shingles, which was in his way, his hold slipped and he went down over the roof on the solid frozen ground, smashing the bone in his right thigh in a shocking manner. Dr. Brundage, of Buena Vista, was immediately sent for, who, upon examining the wound, said the limb must be amputated, and requested the presence of Dr. Bradshaw, of Orangeville. They both thought that amputation was necessary, but wanted the opinion of some other skillful surgeons. Drs. KcKim and Fisher were then sent for. Meanwhile they proceeded to set the limb as best they could. On the Sunday morning following, the above named Doctors held council. Three, Bradshaw, McKim and Brundage, were in favor of amputation, but Fisher tho't different and took the case in his own hands, but in a few days abanboned it as hopeless. It was then decided by his friends that they would have the leg amputated which was done on Thursday the 20th ult., under the supervision of Dr. Bradshaw, Drs Brundage and Rutzel, of Buena Vista, being present. After his leg was off he rested a great deal easier and apparently improving, until Saturday morning, about 4 o'clock, he commenced bleeding at the lungs from internal injuries received by the fall. He died about 10 o'clock the same day. The deceased leaves a wife and one child. W.

COURT IN THE LOOP.—Our friends, over in the Loop, have a court of their own in which they try cases. The august tribunal consists of judges, jury, and lawyers; grave and knotty questions of law are decided with a degree of legal lore, that quite sets its rival, at Bellefonte, in the shade. This Loop court has merit—there are no costs of any kind, no witness' fees, no jury fees, no big attorney fees, and no seeking the county with costs where parties go to law without being worth a red. Let the institution at Bellefonte pattern after its Loop cousin, and all the taxpayers of Centre county will rejoice. The Loop court was in session last week, and had a real, live case before it, a dispute having arisen between two citizens of the Loop, about a sheep, which occasioned warm blood between the parties, and was on the eve of going to Bellefonte. But why patronize Bellefonte, when the Loop has a court of its own? Local pride said it was wrong, and the parties were appealed to have the job done by their own law-shop, and to abide by the decision. The interested parties consented, and pledged themselves to abide by the decision of "the court at home," and not "take it up" to the court at Bellefonte. Court was called, judges, jury and witnesses gave their word of honor, to act as if under oath; of the lawyers nothing was exacted, as they are licensed "to lie," as the common saying is. The judge upon the bench looked grave; the jury compared with any that ever set in Bellefonte, and the "lawyers" looked as smart as Orvis or M'Allister, and cut each other like meat axes. The jury retired and bro't in its verdict, and the case ended, the parties abiding by the decision. We advertise this Loop court free of charge, and persons having cases to try had better patronize it and save a great deal of costs. Suppose our good citizens in the Loop try the Potter will next, as the institution at Bellefonte is afraid to face the music; we feel sure it would be settled there, short metre, to the utmost satisfaction of every body—*in Potter township.* What say "lawyers" Kerlin, Geiss, Leitzell, etc., to this?

Mr. Bubb, landlord at Hartleton, has rented the hotel at Aaronsburg, now kept by our old friend John Rusel, who retires in the spring.

JURORS FINED.—Seven gentleman who were summoned as jurors, last term, and not appearing, Judge Mayer salted each to the amount of $20. Seven times twenty makes $140—so much towards reducing taxation.

ROBBED.—Mr. Martin Leitzel's bar, at the Potter's Mills hotel, was robbed of $110, on last Saturday evening. The thief had a key which fitted the lock, and thus was enabled to work with ease.

We mentioned in our last that the Wm. Stump farm had been knocked off to J. H. Orvis. We have since learned that Mr. O. bid for Henry Brockenhoff, who is the real purchaser.

RAIL-ROAD MEETINGS.—We notice that meetings of the friends of our projected railroad, have been appointed as follows:

Spruce Creek, February 9th,
Pine Grove, February 10th,
Boalsburg, February 11th,
Centre Hall, February 12th,
Penn Hall, February 14th,
Millheim, February 15th,
Rebersburg, February 16th,
Aronsburg, February 17th.

Hon. G. F. Miller, and others, will be present to address these meetings.

The use of Hall's Vegetable Sicilian Hair Renewer will keep the hair soft and glossy.

SOLD.—Mr. Wm. Burhard, tenant on the Deshler farm, near this place, on Wednesday sold his entire stock and interest in the crops, to Mr. Wm. Jordan. Mr. Erhart intends moving back to Brushvalley. We are sorry to lose him.

PLOWING.—The weather, during the last two weeks having been so mild and spring-like, many of our farmers have commenced plowing.

THE POTTER SUIT.—The much talked of Potter case, has "gone up." The case was to have been tried this week, but was withdrawn by Mr. Potter. Judge Black was not in attendance.

DEATHS.

On 22. ult., at Pine Grove, Willie, son of Robert Craig, aged 6 years.

MARRIAGES.

On 11th ult., Abram Tobias, of Clearfield co., (formerly of Centre Hall,) and Miss Catharine Roush, of Haines twp.

Brandreth's Pills, they remove all bad accumulations from the bowels, and purify and invigorate the system. All whose health is not perfect owe it to themselves to take a few doses of Brandreth's Pills, because the seeds of decay are constantly eradicated by their use, and the principle of life confirmed, thus giving a vigor of body and mind, to a period when we have been used to see the faltering step and the enfeebled intellect.

—Gen. Paez, the distinguished liberator of Venezuela, says he has used them as his only medicine for thirty years, with the most satisfactory results.

—For Costiveness, Dyspepsia, and as a Family Medicine they are unrivalled.

and that he *knows it to be so*, because he has analyzed it.

EDITH LIO M. A BAL

Some years since a poor but talented gentleman of the medical profession conceived the idea that if he could produce a medicine of universal application and extraordinary merit and make it known, he could not only enrich himself and escape the drudgery of a physician's life, but also benefit the sick in a greater measure than by his private practice. He therefore consulted with the best physicians he could find and the result was the production of the Judson's Mountain Herb Pills, a famous and most successful medicine. He began in a small way to make the Mountain Herb Pills known by advertising them and such was the value of his Pills, that in a few years he had not only amassed a fortune but had that rare satisfaction for a rich man, of having relieved the sick, and benefitted his fellow-men in every part of the country, as thousands of grateful testimonials could prove. The Judson's Mountain Herb Pills have cured Dyspepsia, Liver Complaint, Female Irregularities and and all Billious disorders. This little sketch serves both to adorn a tale and point a moral. Dr. Judson's Pills were meritorious and the doctor himself knew the value of printers ink. For sale by all dealers. feb4,2m.

THE AGE,

The only Democratic Morning Journal Published in English in Philadelphia.

"An Abstract and Brief Chronicle of the Times!"

The beginning of the New Year is a good time to subscribe for a newspaper, and to subscribe for *The Age* is a good beginning of the New Year. The success of any political party depends, in a great measure upon the character and influence of its public press, and without the thorough promulgation of its doctrines in a popular form, it cannot hope to secure a permanent hold on the masses. Anxious to furnish, not only to political friends, but also to the general reader of all classes and political complexions a first-class daily and weekly journal, the publishers of The Age now offer one not excelled in point of excellence by any other newspaper in the country, and unhesitatingly challenge comparisons with the best and most successful dailies published in the Union.

The home and family circle will not be forgotten. It will be essentially a home and family paper as well as a political journal. In fact, every department without exception, will be so managed and conducted as to give unlimited satisfaction and present the appearance of a live, active, wide-awade, and go-ahead journal, worthy of all men's patronage and all women's encouragement, and amply remunerating every one who takes it, reads it, or advertises in its columns.
