CLARKE'S LIVER PILLS.

A Boston Girl Raves! Read!!!

MR. N. U. WALKER—*Dear Sir*—For three years past I have been severely afflicted with *Liver Complaint*, in a most malignant and chronic form, suffered much, and a large number of remedies, but they failed to produce any lasting benefit. Every thing seemed against me. I purchased a box of CLARKE'S LIVER PILLS, and after using them a few days I felt as if I was no longer afflicted. I at once adopted a regular system, and I soon found myself entirely free from the various distressing symptoms which attended my case. I feel as if I could now enjoy life, and I cannot speak too highly of your Pills. Yours, truly, WM. AUSTIN.

Charlestown, Dec. ember 4, 1859.

The above but speaks the truth of thousands who have long tested the curative properties of CLARKE'S LIVER PILLS. Prepared at first for private practice by an eminent physician, and long extensively tried, it is confidently hoped they will more efficiently and directly on the livers of our people than any other pills, or Liver Remedies. In cases of Liver Complaint, Dyspepsia, Impurity of the Blood, Constipation of the bowels, costiveness, Jaundice, Sick Headache, and all diseases arising from a disorganized state of the system, they are a sure and never failing remedy.

Prepared solely by N. U. WALKER,

SCROFULA.

WILLIAMS' COMPOUND EXTRACT SARSAPARILLA AND POKE ROOT, is now offering Certificates of the virtues of this preparation, from a well known Physician, in this county, in this State:

CLARK'S MILLS, Sept. 15, 1859.

MR. R. P. WILLIAMS: Instances are not rare where the attending physician fails to cure well confirmed scrofula. The following menstrandum—unprovoked.

CLARK'S—A girl of five or six years of age the attending Physician had failed to cure. An aunt in better fixed consulted me and from my knowledge of your preparation, I was constrained to prescribe it. After taking the bottles she was completely well—she was cured of deep seated ulcer and a sore and trouble of many months from one or more sores under the ear. The entire lymphatic system was diseased, yet the Extract alone is we worth the attention of the afflicted. Yours, &c. Subjoined is a long catalogue of cases of great value, prepared by my Pagoscope, or Nostrum, not Patent Medicine, but rather the an invaluable preparation of sarsaparilla, iodine of Potash, &c., well gotten up for the children, and made familiar to the intelligent physician, it very justly deserves a trial by all the rest under any of the numerous chronic maladies that afflict us.

BRANDRETH'S PILLS.

The use of these Pills ADD TO OUR VITALITY, thus enabling us to resist the ACTION OF DISEASE.

The way in which a cure is effected may be interesting to professional men, yet it is not of any or of consequence to a man in search of health.

COSTIVENESS AND DIZZINESS CURED.

New York, April 5th, 1859.

DR. B. BRANDRETH—Dear Sir—In the spring of 1857 I had the misfortune to break my thigh, in consequence of which my constitution became greatly debilitated, and I suffered with great costiveness, attended with dizziness and severe pain in the head and side and oppression of the heart. I was attended by several physicians of the city, but derived no lasting relief, and had decided to come to Boston, when I was induced to try your Pills, which almost instantly relieved me, and in a short time completely restored my health. I consider them the best medicine in the world.

Yours truly, JAMES MURPHY, 360 West st.

☞ We call the attention of our readers to an article advertised in another column, called Blood Food. It is an entirely new discovery, and must not be confounded with any of the numerous patent medicines of the day. It is *food for the blood*, already prepared for absorption; pleasant to the taste and natural in action, and what one gains he retains. Let all those, then, who are suffering from poverty, impurity, or deficiency of blood, and consequently with some chronic disease of ailment, take of this Blood Food and be restored to health. We notice that our druggists have received a supply of this article, and some of the renowned Dr. HAYNE'S INFANTILE CORDIAL, which every mother should have. It is said to contain no paregoric or opiate of any kind whatever, and of course must be invaluable for all infantile complaints. It is also said that it will allay all pain, and soften the gums in process of breathing, and at the same time regulate the bowels. Let all mothers and nurses, who have endured anxious days and sleepless nights, procure a supply and be at once relieved.

DR. MOTT'S

CHALYBEATE RESTORATIVE

PILLS OF IRON.

AN aperient and stomachic preparation of IRON, purified of Oxygen and Carbon by combination in Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of the vital energy, pale and otherwise sickly complexion indicate its necessity in almost every case whatever.

Innocuous in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:

In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhœa, Dysentery, Incipient Consumption, Scrofulous Tuberculous, Self Abuse, Mismenstruation, Whites Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Dropsies on the Place, &c.

In cases of GENERAL DEBILITY, whether the result of acute diseases, or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved such results to an extent which the inscription of written testimonials would render incredible. Invalids so long confined as to have become forgotten in their own neighborhoods, have suddenly reappeared in the busy world, as if just returned from protracted travel in a distant land. Numerous very signal instances of the kind are attested of female sufferers, emaciated to the verge of apparent mortality, sanguineous extinction, or nervous energies, and that combination of nervous and dyspeptic aversion to air and exercise to which the physician has no name.

In Nervous Affections, Fits, and for Reconvalescence to the most mind, the operation of this preparation of iron must, from its peculiarity, be salutary, for, unlike iron oxide, it is vigorously tonic, without being exciting and overbearing, and gently, regularly aperient, even in the most obstinate cases of constipation without ever being a gastric purgative, or inducing a dislike to its use.

Rust, the chalybeate preparation which makes the iron so dangerous to the stomach, and which advertisements of a certain class of Patent Medicines, which are sold in quantities, are so fond of, is not to be found in Dr. Mott's Chalybeate Pills.

In Dyspepsia, Indigestion, and Constipation, which generally accompany the Whites, Chlorosis, and Nervous Affections, they are invaluable. Dr. Mott's Pills are the best wine ever offered to the invalid, and nothing more important. No Plan of similar construction has ever been known or used, so far as the undersigned know or believe.

OVERSTRUNG

GRAND

WE TAKE PLEASURE IN ANNOUCING that we have just received one of the finest and most powerful

STEINWAY'S OVERSTRUNG GRAND PIANOS,

and we herewith respectfully invite the public, one and all to give us a call, and to examine the same. Professional men and others have pronounced it superior to any Grand Piano they ever played upon. They are considered the best Piano Fortes now in the trade. Opinion of nearly a great many very highly talented musicians and artists regarding these instruments.

The undersigned having personally examined and pronounced the improvement in Grand Pianos, invented by H. Steinway, to know of several ladies and gentlemen, my intimate friends, who all speak of the "immutable" as being the best and cheapest Hair Preparation in our market. I can fully recommend it, and will refer any one to Henry Reynolds, Druggist, for the truth of my statements.

WILLIAM ROSEYBEHAGE.

Read one of the many letters received by the Proprietors:

St. Louis, Mo., August 3, 1860.

MESSRS. W. E. HAGAN & CO., Troy, N. Y.—Gentlemen: The happy results attending the use of *Heimstreet's Inimitable* in every sense of the word, *Hair Restorative*, seems to demand that I should give my testimony that other ladies might profit by it. I have never used a Hair Preparation that I liked so well. It *had* restored every Hair that was gray to the color it was in girlhood, and has brought it out thick and healthy. I was induced to use the article by Mr. Reynolds, your Agents here. If this letter will be of service, you may publish it. Very respectfully yours,

MRS. M. M. BOEST, Brooklyn street.
