It sews with equal perfection on all kinds of work, from the finest cambric to the heaviest cloth, and is capable of a wider range of work than any other machine, combining all the essential advantages of being noiseless, reversible, self-adjusting, durable, easy of management, and capable of sewing at a speed far in excess of any other machine, and yet so simple that any one of ordinary intelligence can readily become its skillful operator.

We give full instructions to enable the purchaser to sew ordinary seams, stitch, hem, fell, quilt, gather, bind, and tuck, all the same on the same machine, and warrant it for three years.

GROVER & BAKER'S

SEWING MACHINES,

WITHIN THE REACH OF ALL.

Prices Reduced for Seven Years, from $50 to $130, including Hemmers. Increased facilities for manufacturing and the curtailment of litigation expenses consequent upon recent decisions of the United States Courts affirming the validity of the Grover & Baker's Co's patents, enables this company to furnish their SEWING MACHINES with important improvements at greatly

REDUCED PRICES.

The superiority of these machines for family use and manufactures in the same range of purpose and materials is attested by the tens of thousands using them, and the moderate prices at which they are now sold, places them within the reach of all, and obviates all excuse for tampering with those inferior and low priced machines which have so much prejudiced the Sewing Machine business. Every machine sold by us is warranted for three years, we also give instructions free of charge to purchasers to enable them to HEM, FELL, GATHER, TUCK AND EMBROIDER, ALL ON THE SAME MACHINE.

Circulars can be had at our office free of charge by applying either in person or by mail.
