I have just returned from the East with my Spring Stock, and as usual, I am selling Goods a little cheaper than any other *Dry* Goods House in town. NATURE'S GREAT RESTORER.

SCHEETZ'S
CELEBRATED
BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a CURE ALL, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomach and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain prompt and speedy remedy for DIARRHŒA, DYSENTERY, BOWEL COMPLAINT, DYSPEPSIA, LOWNESS OF SPIRIT, FAINTINGS, SICK HEADACHE, &c. For CHILLS and FEVERS of all kinds, it is far better and safer than quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.

ECONOMY IS WEALTH!

James McGonigal, at No. 53 South Hanover St. Carlisle, would call the attention of his friends and the public generally to his large stock of

STOVES, TIN & SHEET IRON WARE,

which he feels assured will give satisfaction in both quality and price.

In the stove line he would call especial attention to the

EMPIREGAS BURNER & PARLOR HEATER.

It is a Perpetual Base Burning Stove. The Furnace will heat an upper and lower room perfectly, and is guaranteed to be perfectly free from explosion of gas. It is so constructed that its rays of heat are deflected to the floor, warming the feet instead of the face. It is a gas consumer, and is perfectly free from dust. Its ventilation is complete, and the burning is and ignited coals shine out through the Mica Windows, giving the brightness and cheer of an open fire. Call and see it.

He also offers all the latest and most improved patterns of

PARLOR STOVES,

and a large stock of Cook Stoves, consisting of the

Nimrod,
Niagara,
Ironsides,
Quaker City,
Farmer,

and a variety of others, all of which are warranted to be best class Stoves and to give entire satisfaction.

TIN AND SHEET IRON WARE,

made of the very best material, and all other things necessary for housekeepers in his line of business kept constantly on hand.

His expenses are trifling, compared with others, as he defies competition, and would ask those desirous of anything in his line of business, to ascertain prices elsewhere, and then give him a call and satisfy themselves that he can sell better articles for less money than any other establishment in the county. His motto is, Quick Sales and Small Profits. Old metal taken in exchange.

Spouting, Roofing and Jobbing promptly attended to. All of the best material and at moderate prices.
