DR. JACKSON'S ANALEPTICA.

NEW REMEDY IN CONSUMPTION.—A Physician who had Consumption for several years with frequent bleedings of the lungs, cured himself with a medicine unknown to the profession, when his case appeared hopless. He is the only physician who has used it in his own person, or who has any knowledge of its virtues, and he can ascribe the degree of health he now enjoys to nothing but the use of his medicine, and nothing but utter despair and entire extinction of all hope of recovery, together with a want of confidence in all others induced him to hazard the experiment. To those suffering with any disease of the Lungs he proffers a treatment he confidently believes will eradicate the disease. Price $1,50 per bottle or $8 a half dozen, sent by express. Send for circular or call on DR. E. BOYLSTON JACKSON, No. 250 North Tenth Street, Philadelphia.

For sale by Henry F. Geyer, Mechanicsburg, Pa., and Druggists generally.
