STEINWAY'S OVERSTRUNG GRAND PIANOS,

and we therewith respectfully invite the public, one and all, to give us a call and examine the same. Professional gentlemen have pronounced this a superior article, and they have ever played upon. They are considered the best Piano Fortes manufactured. Upwards of near 1,000 are now in use, and most prominent Municipal and Art-institutions of these instruments.

The undersigned, having personally examined and fully tested the improvement in Grand Pianos, intends by H. Steinway, in which the covered strings are over the sound board, do hereby certify 1—That as a result of such improvement, the voice of the Piano is greatly improved in quality, quantity and power. 2—The sound by Steinway improvements is much more even, less harsh, stronger, and much better sustained, than that realized in any other Piano with which we are acquainted. 3—The undersigned regard the improvement of Mr. Steinway as most novel, ingenious and important. No Pianoforte action construction has ever been known or used, so far as the undersigned know or believe.

HARD TIMES OUTDONE.

6,000 Premiums Amounting to $100,000

WILL BE AWARDED

On the First Wednesday in August, 1861.

THE RAPPAHANNOCK MANUFACTURING COMPANY propose to raise, for the first Wednesday in August next, a CAPITAL STOCK of $100,000, to be subdivided in shares of $20 each, payable one-fourth to the subscribers in the form of PREMIUM, as an inducement to subscribers, a tract of 800 acres, being a portion of the village of Rappahannock, in Virginia, of a Southern Arms & Clothing and Woolen Factory. The shares can be subscribed in weekly or monthly instalments of any amount to suit the convenience of the subscriber, and receipts will be sent for the time and acknowledgement of all sums remitted, no matter how small they may be, which may be done conveniently in postage stamps, gold coin, current bank notes, or drafts. If less than a share of $20 should be subscribed by the time specified, the money will not be lost, but opportunity will be given to increase it by the remittance of the deficiency, until enough is secured to obtain a certificate of stock. But if a share, or several shares should be subscribed before that time, the subscriber will receive a certificate of preferred stock, guaranteeing to him or her ten per cent per annum, payable thereof. All the Stockholders will, moreover, receive their annual dividends out of the net profits of the Company, so soon as their Factories are put in operation. Besides the above, the person who subscribes the largest amount, (by the first Wednesday in August, 1861,) will be entitled to a premium of $3,000; the next largest, $3,500; the next largest to $1,000; the two next largest to $1,000 each; the four next largest to $500 each; the ninety next largest to $50 each; the one hundred next largest to $40 each; the three hundred next largest to $30 each; the one thousand next largest to $25 each, and the two thousand next largest to $20 each; the one thousand next largest to $10 each; the three thousand four hundred next largest to $5 each, and the person who fails to obtain either of these, is an entire premium of $1,000, all to be paid in Real Estate, Arms, Military or other Clothing. Thus, the largest sum, with which may not exceed $99 21, will take the largest premium of $3,000, and the smallest, if not less than $4 79, will secure a premium of $1000. These shares are all founded upon Real Estate, which is pledged for the security or redemption of the Stock, and any shareholder wishing to settle, can at any time exchange his stock for any of the Company's land, at their lowest market value and receive a good and sufficient warranty title.

$25. A few Agents well recommended, will be employed at liberal rates, both to obtain subscriptions to the Stock of the Company, and to sell shares in a popular home-stead scheme. For further information, subscriptions, agencies, &c., address, with a stamp enclosed, the Treasurer,

E. HAUPER, Port Royal, Virginia.

SCROFULA.

WILLIAMS' COMPOUND EXTRACT SARSAPARILLA AND IODIDE POTASSUM—The following Certificate of the virtues of this preparation, is from a well known Physician, from Dickson County, in this State:

CHARLOTTE, Sept. 15, 1852.

MR. R. P. WILLIAMS: Instances are not rare where the attending physician fails to cure well confirmed Scrofula. The following memorandum is interesting:

SUBJECT—A girl of 15 or 16 years of age, the attending Physician had failed to cure. An anxious father had consulted me, and from my knowledge of your preparation, I was constrained to prescribe it. After taking six bottles she was considered well. She was cured of deep seated ulcer and a constitution of milky matter from one or more sores under the ear. The entire lymphatic system was deeply involved. This case alone is well worth the attention of all; but when added to a long catalogue of cases of great obstinacy, cured by no Panacea, nor Nostrum, nor Patent Medicine, no Secret, but an invaluable preparation of Sarsaparilla, Iodine of Potassa, &c., well gotten up by the Chemist, and made familiar to the intelligent physician, it very justly deserves a trial by all laboring under any of the numerous chronic maladies that afflict us.
