☞ The importation of rags from the Mediterranean, hides from Brazil, and other commodities from the tropics, is known to bring the germ of disease, chiefly fevers, which are sometimes very afflicting and fatal. AYER'S AGUE CURE stimulates the liver to expel the germ from the system as effectually as it does the miasmatic poison of our Ague districts. Consequently it affords universal protection to travelers and others whose occupations expose them to these dangerous infections; and we hope to render them a valuable service in giving them this information.—New York Dispatch

JACOB SHERTZ—Sir: I was suffering for some time with Dyspepsia, and also weakness and nausea of the stomach, and after trying one of your Hygeias I caused me to throw off all the foul matter and reinvigorated my system. It has effected, think, a permanent cure.

You are at liberty to use this certificate as you think proper.

☞ In one of Doctor Ayer's lectures he states that Chemistry confers more practical benefits on mankind than any other science, yet from no other source could more be easily obtained. The arts and economies which chemistry would teach, if more thoroughly and generally studied, would speedily exercise a most beneficient influence. He freely confesses that he is indebted to this science for the virtues of his remedies, and adjures that the practical application of chemistry to medicine, the arts, manufactures, and agriculture be enjoined upon our colleges and schools.—Wright ville (Pa.) DR. JACKSON'S ANALEPTICA.

NEW REMEDY IN CONSUMPTION.—A Physician who had Consumption for several years with frequent bleedings of the lungs, cured himself with a medicine unknown to the profession. When his case appeared hopless. He is the only physician who has used it in his own person, or who has any knowledge of its virtues, and he can ascribe the degree of health he now enjoys to nothing but the use of his medicine; and nothing but utter despair and entire extinction of all hope of recovery, together with a want of confidence in all others induced him to hazard the experiment. To those suffering with any disease of the Lungs he proffers a treatment he confidently believes will eradicate the disease. Price $1.50 per bottle or $8 a half dozen, sent by express. Send for circular or call on DR. E. BOYLSTON JACKSON,
No. 259 North Tenth Street, Philadelphia.

For sale by Henry F. Beyer, Mechanicsburg, Pa., and Druggists generally.

NEW ADVERSISEMENTS.

Schenck's Pulmonic Syrup.

Seaweed Tonic and Mandrake Pills, will cure Consumption, Liver Complaint, and Dyspepsia, if taken according to directions. They are all three to be taken at the same time. They cleanse the stomach, relax the liver, and put it to work: then the appetite becomes good: the food digests and makes good blood: the patient begins to grow in flesh, the diseased matter ripens in the lungs, and the patient outgrows the disease and gets well. This is the only way to cure Consumption.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivaled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off, by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to heal.

To do this, the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good blood.

Schenck's Mandrake Pills act upon the liver to moving all obstructions, relax the duct of the gall bladder, the bile starts freely, and the liver is soon relieved: the stools will show what the Pills can do; nothing has ever been invented except calomel (a deadly poison which is very dangerous to use unless with great care), that will unlock the gall bladder and start the secretions of the liver like Schenck's Mandrake Pills.

Liver complaint is one of the most prominent causes of consumption.

Schenck's Seaweed Tonic is a gentle stimulant and alterative, and the alkali in the Seaweed, which that preparation is made of avoids the stomach to throw out the gastric juice to dissolve the food with the Pulmonic Syrup, and it is made into good blood without fermentation or souring in the stomach.

The great reason why physicians don't cure consumption is, they try to do too much: they give medicine to dry the cough, to stop chills, to stop night sweats, hectic fevers and by so doing they derange the whole digestive powers, locking up the secretions, and generally the patient sinks and dies.

Dr Schenck, in his treatment does not try to stop the cough, night sweats, chills or fever. Remove the cause and they will all stop of their own accord. No one can be cured of Consumption, Liver Complaint, Dyspepsia, Catarrh, Cancer, Ulcerated Throat unless the liver and stomach are made healthy.

If a person has consumption of course the lungs in some way are diseased, either tuberclos, abscesses, bronchial irritation, pleura adhesion, or the lungs are always of inflammation and fast decaying, the lungs that are wasting, but it is the whole body The stomach and liver have lost their power to make good out of food. Now the only chance is to take Schenck's three medicines, which will bring up a tone to the stomach, the patient will begin to want food, it will digest easily and make good blood; then the patient begins to gain in flesh, and as soon as the body begins to grow, the lungs commence to heal up and the patient gets fleshy and well. This is the only way to cure consumption.

When there is no lung disease, and only liver complaint and Dyspepsia, Schenck's Seaweed Tonic and Mandrake Pills are sufficient without the Pulmonic Syrup. Take the Mandrake Pills freely in all bilious complaints, as they are perfectly harmless.

Dr. Schenck, who has enjoyed uninterrupted health for many years past, and now weighs 225 pounds, was reduced by consumption to a mere skeleton, in the last stages of Pulmonary Consumption his physician having pronounced his case hopeless and abandoned him to his fate. He was cured by the above said medicines, and since his recovery many thousand similarly afflicted have used Dr. Schenck's preparations with the same remarkable success. Full directions accompanying each package, so that no difficulty can be apprehended in using them. Dr. Schenck advises those who can conveniently do so, to personally see Dr. Schenck unless the patient is in the last stages of consumption, and for this purpose he is professionally at his Principle Office, Philadelphia every Saturday, where all letters of advice must be addressed. He is also professionally at No. 32 Hollis street, New York, every other Tuesday, and at No. 33, Hanover street, Boston, every other Wednesday. He gives advice free, but for a thorough examination with his Respirometer the price is $5. Office hours at each city, from 9 A. M. to 3 P. M.

Price of the Pulmonic Syrup and Seaweed Tonic each $1.50 per bottle, or $7.50 a half dozen. Mandrake Pills 25 cents a box. For sale by all druggists
