Particular attention is directed to the first section of the Act of Assembly; passed the 30th day of March, A D., 1866, "An Act regulating the manner of Voting at all Elections, in the several counties of this Commonwealth:"

"That the qualified voters of the several counties of this Commonwealth, at all, general, township, borough and special elections, are hereby, hereafter, authorized and required to vote, by tickets, printed or written, or partly printed and partly written, severally classified as follows: One ticket shall embrace the names of all Judges of courts voted for, and to be labelled, outside, 'judiciary:' one ticket shall embrace the names of all State officers voted for, and be labelled, 'state;' one ticket shall embrace the names of all county officers voted for, including of Senator, member and members of Assembly, if voted for, and members of Congress, if voted for, and be labelled, 'county:' one ticket shall embrace the names of all township officers voted for, and be labelled, 'township;' one ticket shall embrace the names of all borough officers voted for, and be labelled, 'borough;' and each class shall be deposited in separate ballot boxes"

And whereas, Persons not citizens of the United States are not, under the constitution and laws of Pennsylvania, qualified electors of this Commonwealth:

SECTION 1. *Be it enacted, &c.*, That in all elections hereafter to be held in this Commonwealth, it shall be unlawful for the judge or inspectors of any such election to receive any ballot or ballots from any persons embraced in the provisions and subject to the disability imposed by said act of Congress, approved March 3d, one thousand eight hundred and sixty-five, and it shall be unlawful for any such person to offer to vote any ballot or ballots.

SECTION 2. That if any such judge or inspectors of election, or any one of them shall receive or consent to receive any such unlawful ballot or ballots from any such disqualified person, he or they so offending shall be guilty of a misdemeanor, and upon conviction thereof in any court of sessions of this commonwealth, he shall, for each offence, be sentenced to pay a fine of not less than one hundred dollars, and to undergo an imprisonment in the jail of the proper county for not less than sixty days

SECTION 3. That if any person deprived of citizenship and disqualified as aforesaid, shall at any election hereafter to be held in this commonwealth, vote, or tender to the officers thereof, and offer to vote, a ballot or ballots, any person so offending shall be guilty of a misdemeanor, and on conviction thereof in any court of quarter sessions of this commonwealth, shall for each offence be punished in likewise manner as provided in the proceeding section of this act in case of officers of election receiving such unlawful ballot or ballots.

SECTION 4. That if any person shall hereafter persuade or advise any person or persons, deprived of citizenship and disqualified as aforesaid, to offer any ballot or ballots to the officer of any election hereafter to be held in this commonwealth, such persons so offending shall be guilty of a misdemeanor, and upon conviction thereof in any court of quarter sessions of this commonwealth, shall be punished in a like manner as is provided in the second section of this act in the case of officers of such election receiving such unlawful ballot or ballots.

Agreeably to the provisions of the sixty-first section of said act, "Every General and Special Election shall be open between the hours of eight and ten in the forenoon and shall continue open until seven o'clock in the evening, when the polls shall be closed."

Pursuant to the provisions contained in the seventy-sixth section of the act first aforesaid, the judges of the aforesaid districts shall respectively take charge of the certificates of return of the election of their respective districts, and produce them at a meeting of one judge from each district, at the Borough of Carlisle, on the third day after the election, being, for the present year

ON FRIDAY, THE 15th DAY OF OCTOBER NEXT

then and there to do and perform the duties required by law of said judges.

Also—That where a judge by sickness or unavoidable accident, is unable to attend such a meeting of judges, then the certificate or return aforesaid shall be taken charge of by one of the Inspectors or Clerks or the election of said district, who shall do and perform the duties required of said judge unable to attend.

WHILE wisdom will benefit you: be not always controlled by your incredulity, hundreds have sought relief from the horrors of Dyspepsia through the medium of DEMUTH'S ANTI-DYSPEPTIC STOMACH BITTERS and found it. Why should you suffer, when this admirable stomachic has cured many similar cases—why do you doubt while other believe and are cured? Delay in this matter is both dangerous and unprofitable. A PACIFIC RAIDWAY

GOLD LOAN,

$6 500.0000

We beg leave to announce that we have accepted the agency of the

KANSAS PACIFIC RAILWAY COMPANY

For the sale of its

New Seven Per cent.
Thirty Years Gold Loan, free from Tax.

This loan amounts to $6,500,000.

First Mortgage Land-Grant and Sinking Fund Bonds,

secured upon the extension of the Railway from near Sheridan, in Kansas, to Denver, Colorado, a distance of 237 miles, of which 12 miles are completed, and the rest is under construction. It is also a Mortgage upon the Road, the Rolling Stock and Franchise of this first-class Railway, besides now running through the state of Kansas.

And in successful operation for 437 miles

west of the Missouri River, and earning already enough to meet all of its expenses and existing obligations, besides

More than the interest on the new Loan.

In addition to this the Bonds are also secured by a first mortgage of the

Government Land Grant of

Three Million Acres

extending in alternate sections on either side of the tract, from the 394th mile post in Kansas to Denver. The proceeds of the sale of these lands are to be invested by the Trustees in the 7 per cent Bonds themselves up to 120 or in U. S. Bonds,

As a Sinking Fund for the Redemtion of the Bonds.

The lands embrace some of the finest portions of the magnificent Territory of Colorado, including a coal field and pinery. The company also holds as an asset another tract of

Three Millions of Acres in the State of Kansas.

and although not pledged as security for this loan, their possessions adds largely to the Company's wealth and credit. We estimate the

Value of the Company's property, covered by this mortgage, at $23.000.000 net, while the Loan is merely $6,500.000.

The Bonds have

THIRTY YEARS TO RUN,

from May 1, 1869, and will pay

Seven Per Cent. Interest in Gold,

semi-annually on May 1 and Nov. 1 and are

Free from Government Taxation,

the Company paying the tax.

The principal of the Loan is made payable in GOLD, in the city of New York, but each Coupon will be

Payable in Frankfort, London or New York,

at option of the holder, without notice, at the following rates:

On $1,000 Bond in New York $35 (gold) each half year
" " London, £1 6s. 10. "
" " Frankfort, 87fl 30 krtzs., "

The Agent of the Loan, before accepting the trust had the condition of the Road, and the country through which it runs, carefully examined. They are happy to give the Loan an emphatic endorsement as a

FIRST CLASS INVESTMENT,

in every respect perfectly safe, and in some essential even

Better than Government Securities.

The Bonds will be sold for the present at

96, and accrued Interest, both in currency,

the Agents reserving the right to advance the rate

The attention of investors is invited to these well secured bonds which we recommended as one of the most profitable investments in the market.

WHEELER & WILSON'S

HIGHEST PREMIUMS

SEWING MACHINES!

At the great Exposition, Paris, 1867.

Awarded the Highest Premiums

over 82 Competitors.

THE PEOPLE'S VERDICT.

THE SALE OF THIS WORLD RENOWNED MACHINE ARE 100,000 GREATER THAN ANY OTHER.

THE GRAND TRIAL—

Daily use Throughout the world, were ONLY TRUE MERIT gains favor, and SUPERIORITY wins the race.

The Wheeler & Wilson stands triumphantly the Champion and Leader over all others by the verdict of the people.

We claim no merits that we cannot sustain by living and reliable witnesses. We stand upon our own REAL WORTH, without declaiming against other companies. We claim to have improvements for sewing that we know cannot be excelled, and in many points that no other company dare compete with. No other company can show so many machines that have been in daily use for the length of time as we can. For the proof of this, look at the numbers that are on each machine The Wheeler and Wilson Sewing Machine is the Rich Man's Best Friend, and the Poor Woman's Trust and Comforterer, for no other company can sell on as liberal and easy terms as we.

The poor woman can get herself a Machine, and afterwards pay for it. No Machine is paid for until parties are fully satisfied. Constant use only increases the worth of

OUR MACHINES.

Several ladies in Carlisle who have used our machines from six to twelve years, say "They consider them better in every point than when new, and there is not a garment worn in the family, from light as Swiss to heavy as Beaver cloth, that they have not made."—One lady says—"I have sewed for three years and never broke a needle." We can furnish names and residences of responsible parties who can sustain all we claim.

The unsigned are a few of many who have the Wheeler and Wilson Sewing Machines, in Carlisle, and length of time they have been in constant use.

FURNACES, FURNACES,

This is an entirely new heater, it is constructed as to once commend itself to general favor, being a combination of wrought and cast iron. It is very simple in construction, and is perfectly air-tight; self-cleaning, having no pipes or drums to be taken out and cleaned. It is so arranged with upright flues as to produce a larger amount of heat from the same weight of coal than any furnace now in use. The hygrometic condition of the air as produced by my new arrangement of evaporation will at once demonstrate that it is the

that will produce a perfetly healthy atmosphere. I am now making five sizes of *Portables*, and four for Masonry.

WILCOX & GIBBS'
SEWING MACHINE

We have secured the Agency of the Wilcox & Gibbs' Sewing Machine, a little family arrangement no one seems willing to do without after having seen one in operation. The Wilcox & Gibbs' is a Single Thread Machine and claims superiority over all Double Thread Machines in the following particulars. It is simpler and less liable to get out of repair. It is cheaper. It runs with less noise. It runs easier. It runs faster. It has the best device for preventing the wheel from running backward. It requires less mechanical skill to operate it. It requires less time and instruction to learn to use it. It is the most certain and reliable in its operations. Its needle is straight and less liable to be broken than a curved one. The needle is secured in its place by an ingeniously patented device which renders it self adjusting so that neither skill nor experience are required in arranging it. It sews directly from the spool thus doing away with the tedious operation of rewinding the thread for adjustment in the shuttle. It makes the Wilcox & Gibbs' of "twisted loop stitch," a stitch original with this machine and made by no other, the seam is more elastic and stronger than the Lock Stitch. The seam is the most even and beautiful, the seam is always self-fastened thus avoiding a reversible feed. Its tension is more simple and more easily adjusted, it is more speedily changed from one kind of work to another, it does beautiful embroidery, it has the best hemmer, it has the best filler, it has the best braider, it has the best belt. The Wilcox & Gibbs has been in the market for a little more eight years, during which time upwards of sixty thousand have been made and sold, a number by fifty per cent larger than were sold of any Double Thread Machine in the same number of its earliest years. Such success is sufficient to warrant the sale of this Machine wherever it has an Agency without the doubling evidence of testimonials, of which there are enough to fill up the columns in the land. These Machines are on exhibition at our store, No. 26, North Hanover street, Carlisle, where they may be examined, and they will take great pleasure in explaining anything relating to it.

AYER'S

HAIR VIGOR. HAIR VIGOR.
HAIR VIGOR. HAIR VIGOR.

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil or dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and and a grateful perfume.

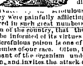
Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD



The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin or foul ulcerations on some part of the body. Hence, the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this *SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears,* and other eruptions or visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia,* and the various *Ulcerous* affections of the muscular and nervous systems.

Minute Directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout,* when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion,* or *Inflammation* of the *Liver* and *Jaundice,* when arising, as they often do, from the rankling poison in the blood. *SARSAPARILLA* is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless* and troubled with *Nervous Apprehensions* or *Fears,* or any of the affections symptomatic of *Weakness,* will find immediate relief and convincing evidence of its restorative power upon trial.

Schenck's Pulmonic Syrup.

Seaweed Tonic and Mandrake Pills, will cure Consumption, Liver Complaint, and Dyspepsia, if taken according to directions. They are all three to be taken at the same time. They cleanse the stomach relax the liver, and put it to work; then the appetite becomes good; the food digests and makes good blood; the patient begins to grow in flesh, the diseased matter ripens in the lungs and the patient outgrows the disease and gets well. This is the only way to cure consumption.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivaled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to heal.

To do this, the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver so that the Pulmonic Syrup and the food will make good blood.

Schenck's Mandrake Pills act upon the liver removing all obstructions, relax the duct of the gall bladder, the bile starts freely, and the liver is soon relieved; the stools will show what the Pills can do; nothing has ever been invented except calomel (a deadly poison which is very dangerous to use unless with great care), that will unlock the gall bladder and start the secretions of the liver like Schenck's Mandrake Pills.

Liver complaint is one of the most prominent causes of consumption.

Schenck's Seaweed Tonic is a gentle stimulant and alterative, and the alkali in the Seaweed, which that preparation is made of, assists the stomach to throw out the gastric juice to dissolve the food with the Pulmonic Syrup, and it is made into good blood without fermentation or souring in the stomach.

The great reason why physicians don't cure consumption is, they try to do too much; they give medicine to stop the cough, to stop chills, to stop night sweats, hectic fevers and by so doing they derange the whole digestive powers, locking up the secretions, and eventually the patient sinks and dies.

Dr Schenck, in his treatment does not try to stop a cough, night sweats, chills or fever. Remove the cause and they will all stop of their own accor No one can be cured of Consumption, Liver Cou plaint, Dyspepsia, Catarrh, Cancer, Ulcerated Thro unless the liver and stomach are made healthy.

If a person has consumption of course the lun in some way are diseased, either turbercles, absce ses, bronchial irritation, pleura adhesion, or th lungs are a mass of inflammation and fast decayin the lungs that are wasting, but it is the whole bod The stomach and liver have lost their power to ma blood out of food. Now the only chance is to ta Schenck's three medicines, which will bring up tone to the stomach, the patient will begin to wa food, it will digest easily and make good blood; th the patient begins to gain in flesh, and as soon the body begins to grow, the lungs commence to he up and the patient gets fleshy and well. This the only way to cure consuption.

When there is no lung disease, and only liver co plaint and Dyspepsia, Schenck's Seaweed Tonic a Mandrake Pills are sufficient without the Pulmon Syrup. Take the Mandrake Pills freely in all b ous complaints, as they are perfectly harmless.

Dr. Schenck, who has enjoyed uninterrupted health for many years past, and now weig pounds, was wasted away to a mere skeleton, last stages of Pulminary Consumption his physici having pronounced his case hopeless and abandon him to his fate.
