TO THE PUBLIC.

ESPECIALLY the ignorant and falsely Modest Physicians of all denominations, treat secret and delicate disorders, self abused and diseases or situations common & incident to youths of both sexes, and adults, single or married. Because Dr. Bateman publishes the fact of his doing so, the ignorant and falsely modest are dreadfully shocked, and think it a great sin, very immoral, and for contamination and corruption among their wives, promising sons and daughters. Their family physician should be cautious to keep them in ignorance that they do the same as Dr BRANDTRUP, (except publishing) lest a lucrative practice might be lost to them among simple, falsely modest and presumptuous families, born and raised in ignorance, sprung up as mushrooms, and who compare society, intelligence, sense, &c., to dollars and cents, mysteriously, meaningless, illiterate publicity, however, that numerous parents and guardians are thankful that their sons, daughters and wards, previously feeble, sickly and of delicate condition and appearance, have been restored to health and vigor by Dr. BRANDTRUP, besides many before and after marriage through life have been saved much suffering, anxiety, mortification &c. Having the advantage of over thirty years experience and observation, consequently, he has superior skill in the treatment of special diseases, and who is daily consulted by the profession, as well as recommended by respectable citizens, publishers, proprietors of hotels, &c.
