SOAP. SOAP. SOAP. SOAP. SOAP THE CHEMICAL OLIVE ERASIVE SOAP manufactured by B. O. & J. H. SAWYER, is acknowledged to be the most serviceable of any kind yet offered to the public. It can be used with all kinds of water.

Reference is made with pleasure to the subjoined certificates, eminating from gentlemen well known in this community, and who had every facility afforded of seeing it fully and fairly tested.

Quartermaster's Department of the Twelfth, Thirteenth and Fourteenth Regiments, Pa. Vols.

"Sawyer's Chemical Olive Erasive Soap" having been used very extensively in our Regiments, we have no hesitation in certifying that it was found admirably adapted to the use of the soldiers, and decidedly the most superior soap which could be procured for the service.

Capture of a Rebel Vessel—Skirmishing on the Rappahannock.

FORTRESS MONROE, Nov. 8—via Baltimore.—A flag of truce was sent to Norfolk this morning, but brought back no passengers and no news whatever of the fleet. Yesterday the U. S. gunboat Rescue went up the Rappahannock river as far as Wibanna creek, and off the mouth of this creek she captured a large schooner. She took off all her stores and moveable property, and then burned the vessel to the water's edge. The Rescue was fired upon from a masked battery on shore.—The fire was returned, and the rebels completely shelled out. The commander of the Resolute was occupied the entire day in shelling every spot where there were indications of the presence of rebel troops.

Subsequently a small boat was seen crossing the river with three men. The Rescue's boat was sent in pursuit, and captured the boat with two of the men, but the third managed to escape by waiting ashore with a bag of letters. The gunboats Rescue and Bainbridge were to make another visit to the Rappahannock to-day, and shell the woods where the rebel force is supposed to be.

Strength of McCulloch's Forces in Missouri.

SPRINGFIELD, Nov. 8.—Maj. Clarke Wright, who has just returned from an extensive scouting expedition, reports that the main body of the enemy are now stationed on the North Fork of Crane Creek, about forty miles South of here. He thinks the force is about 25,000 strong.—McCulloch is on Flat Creek with from 7,000 to 8,000, and numerous bands ranging from 100 to 1,000 scattered about the country. Price's position on Crane Creek is favorable for defence, and he has planted batteries on the cliffs overlooking the approaches to the place.
