"Great American Remedy,"

DR. HARVEY'S

CHRONO-THERMAL FEMALE PILLS

Which have never yet failed (when the directions have been strictly followed,) in removing difficulties arising from

Obstruction or Stoppage of Nature,

or in restoring the system to perfect health, when suffering from Spinal Affections, Prolapsus Uteri, or the Whites, or 6th Weakness of the Urinary Organs. Also, in all cases of Debility or Nervous Prostration, Hysterics, Palpitations, &c., &c., which are the forerunners of more serious disease.

These Pills are perfectly harmless on the constitution, and may be taken by the most delicate female without causing distress; at the same time they act like a charm by strengthening, invigorating, and restoring the system to a healthy condition, and by bringing on the monthly period with regularity, no matter from what cause the obstructions may arise. They should, however, not be taken during the first three or four months of pregnancy, though safe at any other time, as miscarriage would be the result.

Each box contains 60 Pills. Price One Dollar, and when desired will be sent by mail prepaid by any advertised Agent, on receipt of the money.

Thirty-Seventh Congress.

WASHINGTON CITY, December 4—SENATE.—Mr. Chandler, of Mich., introduced a resolution to expel Mr. Breckinridge from office in the Senate.

Mr. Powell, of Ky., took the ground that as Mr. Breckinridge had resigned his seat he could not be expelled.

Mr. Trumbull, of Ill., insisted that he should be expelled, and offered a substitute for Mr. Chandler's resolution, as follows: Whereas, John C. Breckinridge, a member of this body, has joined the enemies of his country, and is now in arms against the government he had sworn to support, Therefore, *Resolved*, That the traitor Breckinridge be expelled from the Senate.

Mr. Chandler accepted the substitute and the resolution was unanimously adopted; yeas, 36; nays, 0. Absent, or not voting, Messers. Bayard, Bright, Johnston, of Tenn., Johnson, of Mo., Pearce, Powell, Rice, Saulsbury and Willey.

The Standing Committees of the Senate are the same as at the special session, with the following changes: Mr. Harris is placed on the Committee of Foreign Relations, in place of Breckinridge; Mr. Nesmith on Military Affairs, in place of Baker, deceased; Mr. Carlisle on Public Lands, in place of Bingham, deceased; Mr. Clarke on Indian Affairs, in place of Foote; Mr. Willey on Pensions, in place of Bingham; Messrs. Pomeroy and Carlisle on Territories, in place of Messrs. Baker and Breckinridge. The Committee on Enrolled Bills consists of Messrs. Browning, Willey, and Saulsbury.

Engagement Between Gunboats.

FORTRESS MONROE, December 3—A sharp engagement between the U. S gunboats Heizel, Seymour, Whitehead and Shawpene and a rebel steamer, supposed to be the Yorktown, took place yesterday about five miles above Newport News—The bombardment lasted about five hours, commencing at five o'clock, a m. The rebel vessel kept close to the shore, where a powerful battery assisted it materially, and never ventured within range of our guns. The engagement was kept up with much vigor, and the roar of artillery was plainly heard at Old Point. A flag of truce, in charge of Provost Marshal Davis, went up from here this evening to convey Mr. Pangford, Consul for Saxony at New Orleans, to Norfolk. By that means we learn that the rebel vessel engaged was the steamer Patrick Henry. The rebels claim that there was no damage done to her. To-day about half an inch of snow fell, and a strong north-east wind prevailed, but abated towards noon. Everything is quiet to-day. The steamer Spaulding leaves this evening for Hatteras.

Suicide of an Editor.

CONCORD N. H., December 4.—S. C. Baldwin, Editor of the Laconia *Democrat*, committed suicide yesterday by jumping into the Winnepesaukee river from the Railroad bridge. No cause is assigned for the rash act.

[Associated Press Dispatches.]

Venezuela in Difficulty--Two Hundred Revolutionists to be Executed, &c.

NEW YORK, December 4.—The steamer Northern Light, from Aspinwall, has arrived, with $870,000 in gold from California. Among the passengers by the Northern Light is General Jones, ex-Minister to Bogota. The Northern Light left Aspinwall on the 26th of November. Captain Tinklepaugh reports that information had been received at Aspinwall that pirate Sumter was at Martinque on the 9th of November, and that the U. S. gunboat Iroquois was within three hours' sail of her. The steamer left at Aspinwall the U. S. storeship Falmouth and the brig Bainbridge.

Advices from St. Thomas via Panama report that the captain of the pirate Jeff. Davis was on board the steamer Trent when Mason and Slidell were captured. A Dutch fleet of eleven vessels were to be off Laguyra on the 17th of November to demand satisfaction from Venezuela for having trampled on the Dutch flag. The Dutch Government had concluded to allow United States vessels of war to remain in their ports forty-eight hours to coal. The West India Mail Company, in consequence of the Trent affair, ordered all their agents to furnish no more coal to United States vessels. The pirate Sumter was at Port Royal, Martinique, November 6th, coaling.

The U. S. gunboat Iroquois received the news on the 12th, and started in pursuit. The U. S. steam sloop-of-war Wyoming was at Panama. Deplorable accounts are received from Bolivia. The commanding general at La Paz had ordered the execution of two hundred persons engaged recently in revolutionary movements, and among those to be executed were ex-President Cordova, Gen. Hermoso, a number of priests and four Colonels.
