Dr. Ayers' Medicines.

AYER'S CHERRY PECTORAL.—For diseases of the throat and lungs, such as coughs, colds, Whooping cough, bronchitis, asthma, and consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has arisen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs, and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease, and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled CONSUMPTION is thought incurable still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

AYER'S AGUE CURE,

For Fever and Ague Intermittent Fever, Chill Fever Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c, and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does Cure, and does not fail. Containing neither Arsenic Quinine, Bismuth, Zinc or any other mineral or poisonous substance whatever it in nowise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the AGUE CURE daily

For Liver Complaints, arising from torpidity of the Liver it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

THE EMPIRE MUTUAL.

UNEXAMPLED!

THE EMPIRE MUTUAL

LIFE INSURANCE COMPANY,

OF NEW YORK,

In the first Fifteen Months of its existence has issued

OVER FORTY-FIVE HUNDRED POLICIES!

INSURING OVER $8,000,000.00

and taking in Premiums $500,000.00, being the largest commencement business ever done by any company in the world!

THE REASON FOR IT.

Ordinary whole-life policies are absolutely non-forfeitable from payment of first annual premium.

Special insurance non-forfeitable after two annual payments

All policies incontestable for usual causes, and absolutely incontestable after two annual premiums.

All restrictions upon travel and residence removed, and no permits required

No accumulation of interest on Loans or Deferred Premiums, and no increase of annual payments on any class of policies.

One-third of the premium loaned to the party insured, if desired, and no Note required.

Dividends on the progressive plan, and also upon the guarantee interest plan.

Business of the company conducted on the Mutual Plan.

Policy simple and fair in its provisions.

Incontestability of Policies.

It is the purpose of The Empire to fulfill all its contracts, the evidence of which is that its policy has no convenient refuges by means of which it can escape a just demand. Proven fraud on the part of the insured will always invalidate a policy. Also suicide, if committed previous to the payment of the second annual premium; or death caused by engaging in any specially hazardous business within the first two years. But after the expiration of two years, the policy will be held incontestable for all causes except fraud.

Non-Forfeiture of Life Policies.

No policy of insurance with continuous payments for life will be forfeited or become void by the non-payment of premiums thereon, until the full paying power of the premiums have been exhausted. The language of the policy is:

"That if any premium after the first annual premium shall have been paid, shall not be paid on the day when due, and the said assured shall, within thirty days thereafter, give notice in writing of inability to pay the same, and of a desire that said policy shall be continued in force under the following conditions. Then, and in such case this policy shall not be forfeited or become void by the non-payment of the said premium thereon, until after the expiration of a period, to be determined as follows, to wit: The net value of this policy when the premium becomes due, shall be determined by actuarial calculation, and after deducting from such net value the loans upon said policy uncanceled by dividends, and any indebtedness to the company, four-fifths of what remains shall be considered a net single premium of temporary insurance, and this policy shall be continued in force during the term for which it will insure, according to the age of the party at the time of the lapse of the premium

Example of the Non-Forfeitable Plan of the "Empire."

Age of party insured, 35. Ordinary whole life policy

One annual premium will continue the policy in force 2 years and 3 days.

Two annual premiums will continue the policy in force 4 years and 12 days.

Three annual premiums will continue the policy in force 6 years and 27 days.

Four annual premiums will continue the policy in force 8 years and 46 days.

Five annual premiums will continue the policy in force 10 years and 50 days.

etc., etc., etc, etc.

Its officers and directors mean business, and have organized with the view of establishing a model institution.—*N. Y. Independent, January 20, 1870.*

Cheapest Coal.

CHEAPEST COAL!

The undersigned agrees to furnish Coal to all parties, either for Family or Limeburners' use, at cheap rates, provided they accept the following:

1st. To order all Coal in Company cars.

2nd To charge nine weight, irrespective of any loss in shipment by leaky cars, &c.

3rd. To deliver your coal as it comes to hand, without re-screening dirt and all.

4th. That in the above mentioned mode of business you will

LOSE TEN PER CENT.

So that when 20 tons are bought and paid for,

YOU REALLY GET BUT EIGHTEEN TONS.

To this fact all regular dealers will testify.

5th To strive to get your coal from any breaker you may desire, but as we have to receive what is sent, be it Summit Branch, Big Lick, or Short Mountain from Lykens Valley, some of them being not so desirable; the same applying to the hard coal breakers also, you to take it as it is sent to us.

6th. As this kind of business is done on the Railroad Company's sidings, do not ask to see a sample of coal. They do not allow more than 24 hours' use of siding; we therefore cannot show what we can furnish you.

Should you wish to purchase coal where it can be seen at all times, kept in the dry,

RE-SCREENED AND WEIGHED BEFORE DELIVERY,

call at either yard of the subscriber, where your orders will be promptly filled, and promise to save you the *loss* and vexation caused by using *dirty* and *inferior* coal, thereby giving your supply for less money than any one can do by furnishing the run of mine.

Walker's Vinegar Bitters.

A GREAT MEDICAL DISCOVERY.

DR. WALKER'S CALIFORNIA

VINEGAR

BITTERS.

Hundreds of Thousands bear Testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

They are not a vile Fancy Drink, made of poor Rum, Whisky, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called TONICS, APPETIZERS, RESTORERS, &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier, and a Life-Giving Principle, a perfect Renovator and Invigorator of the system, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided the bones are not destroyed by mineral poison or other means and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent, and Intermittent Fevers. Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequaled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Bilious, Remittent, and Intermittent Fever, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Missouri, Illinois, Tennessee, Cumberland Arkansas, Red, Colorado, Brazos, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others with their vast tributaries, during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment a purgative exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored viscid matter with which the Bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs. The universal popularity of this valuable remedy in regions subject to miasmatic influences, is sufficient evidence of its power as a remedy in such cases.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters, One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.
