*American Clothes Washer.*

THE AMERICAN WASHER!
PRICE $5.50

*The American Washer Saves Money, Time, and Drudgery.*
The Fatigue of Washing Day no Longer Dreaded, but Economy, Efficiency, and Clean Clothing, Sure.

In calling public attention to this little machine, a few of the invaluable qualities, (not possessed by any other washing machine yet invented,) are here enumerated.

It is the smallest, most compact, most portable, most simple in construction, most easily operated. A child ten years old, with a few hours' practice, can thoroughly comprehend and effectually use it. There is no adjusting, no screws to annoy, no delay in adapting! It is always ready for use! It is a perfect little wonder! It is a miniature giant, doing more work and of a better quality, than the most elaborate and costly. One half of the labor is saved by its use, and the clothes will last, some-half longer than by the old plan of the rub board. It will wash the largest blanket. Three shirts at a time, washing thoroughly! In a word, the solution of any fabric, from a Quilt to a Lace Curtain or Cambric Handkerchief, are equally within the capacity of this LITTLE GIANT. It can be fastened to any tub and taken off at will.

No matter how deep rooted a prejudice may exist against Washing Machines, the moment this little machine is seen to perform its wonders, all doubts of its cleansing efficacy and utility are banished and the doubter and detractor at once become the fast friends of the machine.

We have testimonials without end, setting forth its numerous advantages over all others, and from hundreds who have thrown aside the unwieldy, useless machines, which have signally failed to accomplish the object promised in prominent and loud sounding advertisements.

It is as perfect for washing as a wringer is for wringing. The price, another paramount inducement to purchasers, has been placed so low that it is within the reach of every housekeeper, and there is no article of domestic economy that will repay the small investment so soon.

**$5.50.**

All that is asked for this GREAT LABOR SAVER, is a fair trial. We guarantee each machine to do its work perfectly.

*THE EMPIRE MUTUAL.*

UNEXAMPLED!
THE EMPIRE MUTUAL
LIFE INSURANCE COMPANY,
OF NEW YORK,
In the first Fifteen Months of its existence has issued
OVER FORTY-FIVE HUNDRED POLICIES!
INSURING OVER $8,000,000.00
and taking in Premiums $500,000.00, being the largest commencement business ever done by any company in the world!
THE REASON FOR IT.
Ordinary whole-life policies are absolutely non-forfeitable from payment of first annual premium.
Special insurance non-forfeitable after two annual payments.
All policies incontestable for usual causes, and absolutely incontestable after two annual premiums.
All restrictions upon travel and residence removed, and no permits required.
No accumulation of interest on Loans or Deferred Premiums, and no increase of annual payments on any class of policies.
One-third of the premium loaned to the party insured, if desired, and no Note required.
Dividends on the progressive plan, and also upon the guarantee interest plan.
Business of the company conducted on the Mutual Plan.
Policy simple and fair in its provisions.
Incontestability of Policies.
It is the purpose of The Empire to fulfill all its contracts, the evidence of which is that its policy has no convenient refuges by means of which it can escape a just demand. Proven fraud on the part of the insured will always invalidate a policy. Also suicide, if committed previous to the payment of the second annual premium; or death caused by engaging in any specially hazardous business within the first two years. But after the expiration of two years, the policy will be held incontestable for all causes except fraud.
Non-Forfeiture of Life Policies.
No policy of insurance with continuous payments for life will be forfeited or become void by the non-payment of premiums thereon, until the full paying power of the premiums have been exhausted. The language of the policy is:
"That if any premium after the first annual premium shall have one paid, shall not be paid on the day when due, and the said assured shall, within thirty days thereafter, give notice in writing of inability to pay the same, and of a desire that said policy shall be continued in force under the following conditions. Then, and in such case this policy shall not be forfeited or become void by the non-payment of the said premium due thereon, until after the expiration of a period, to be determined as follows, to wit: The net value of this policy when the premium becomes due, shall be determined by actuarial calculation, and after deducting from such net value the loans upon said policy unencoiled by dividends, and any indebtedness to the company, four-fifths of what remains shall be considered a net single premium of temporary insurance, and this policy shall be continued in force during the term for which it will insure, according to the age of the party at the time of the lapse of the premium."
Example of the Non-Forfeitable Plan of the "Empire."
Age of party insured, 35. Ordinary whole life policy
One annual premium will continue the policy in force 2 years and 3 days.
Two annual premiums will continue the policy in force 3 years and 12 days.
Three annual premiums will continue the policy in force 6 years and 27 days.
Four annual premiums will continue the policy in force 8 years and 46 days.
Five annual premiums will continue the policy in force 10 years and 55 days
etc., etc., etc., etc.,

*Cheapest Coal.*

CHEAPEST COAL!
☞ The undersigned agrees to furnish Coal to all parties, either for family or limeburners' use, at cheap rates, provided they accept the following:
1st. To order all Coal in Company cars.
2nd. To charge mine weight, irrespective of any loss in shipment by leaky cars, &c.
3rd. To deliver your coal as it comes to hand, without re-screening, first and all.
4th. That in the above mentioned mode of business you will
"LOSE TEN PER CENT."
5th that when 20 tons are bought and paid for, YOU REALLY GET BUT EIGHTEEN TONS.
To this fact all regular dealers will testify.
6th. To strive to get your coal from any breaker you may desire, but as we have to register what is sent, be it Summit Branch, Big Lick, or Short Mountain from Lykens Valley, some of them, being not so desirable; the same applying to the lots coal breakers also, you to take it as it is sent to us.
7th. As this kind of business is dishonest the Railroad Company's pilfering, do not ask to see a sample of coal. They do not allow more than 24 hours' use of siding; we therefore cannot show what we can furnish you.
Should you wish to purchase coal where it can be seen at all times, kept in the dry,
RE-SCREENED AND WEIGHED BEFORE DELIVERY,
call at either yard of the subscriber, where your orders will be promptly filled, and promise to save you the *loss* and vexation caused by using *dirty* and *inferior* coal, thereby giving your supply for less money than any one can do by furnishing the run of mine.

*Dr. Ayer's Medicines*
AYER'S SARSAPARILLA
FOR PURIFYING THE BLOOD.
The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvelous. Inveterate cases of Scrofulous disease, where the system seemed saturated with eruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public rarely need to be informed of its virtues or uses.
Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unsuspected foe organizes himself into the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Scrofula inherited, perhaps, poisons the fountains of life, and then, as some favorite occasion, rapidly develops into one or other of its hideous forms, either on the surface or within, the vitals. In the latter, the victims may be suddenly deprived of their loves or heart, or limbs may be lost by the *Sarsaparilla* is adaptable, even when the symptoms of disease appear. Persons affected with the following complaints generally find in the SARSAPARILLA a speedy and complete relief, and, at length, cure, by the use of this Sarsaparilla: *St. Anthony's Fire, Tetter or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sores, Sore Eyes,* and other eruptions or visible forms of *Scrofulous disease.* Also, for the more concealed forms, as *Dropsy, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia,* and the various *Ulcerous* affections of the mucous and mucous surfaces.
Syphilitic Venereal and Mercurial Diseases are cured by it though a long time is required to subdue these obstinate maladies by any means. Nothing but long continued use of the medicine will remove the complaint. Leucorrhœa or Whites, Uterine Obstructions, and Irregular Menses, are commonly soon relieved and ultimately cured by its purifying and invigorating effect.
Minute directions for each case are found in our Almanac, supplied gratis. *Rheumatism and Gout,* when caused by accumulations of uric acid in the blood, yield quickly to it, as also *Liver Complaints, Dyspepsia, Constipation, or Inflammation of the Liver and Jaundice,* when arising, as they often do, from the rankling poison in the blood. *SARSAPARILLA* is a great restorer to the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless* and troubled with *Nervous Apprehensions or Fears,* or any of the affections symptomatic of *Weakness,* will find immediate relief and convincing evidence of its restorative power upon trial.
PRICE $1.00.
