GLAD NEWS FOR THE UNFORTUNATE!
THE LONG SOUGHT FOR
DISCOVERED AT LAST.

ONE — THREE DAYS

CHEROKEE REMEDY,
AND
CHEROKEE INJECTION

Compound Extracts Roots, Barks and Leaves.

CHEROKEE REMEDY, the great Indian Diuretic, cures all disorders of the urinary organs, such as Incontinence of the Urine, Inflammation of the Bladder, Inflammation of the Kidneys, Stone in the Bladder, Strictures, Gravel, Gonorrhœa, and is especially recommended in those cases of Chronic Albus (or Whites), and indeed in all the old and obstinate cases of long standing.

☞ It is prepared in a highly concentrated form, the dose only being from one to two teaspoonfuls three times a day.

☞ It is positive and alterative in its action; purifying and cleansing the blood, causing it to flow in all its original purity and vigor; thus removing from the system all pernicious causes which have induced disease.

CHEROKEE INJECTION is intended as an ally or assistant to the Cherokee Remedy, and cannot be used in conjunction with that medicine in all cases of Gonorrhœa, Gleet, Fluor Albus or Whites. Its effects are healing, soothing and wonderful; removing all scalding heat, chordee and pain, instead of the burning and almost intolerable pain that is experienced with nearly all the *so-called quick Injections.*

☞ By the use of the Cherokee Remedy and Cherokee Injection—the two medicines at the same time—all improper discharges are removed, and the weakened organs are speedily restored to healthy vigor and strength.

☞ For full particulars get our pamphlet from any druggist in the country, or write to us and we will send free to any address a full treatise.

☞ Price Cherokee Remedy, $2 per bottle or three bottles for $5.

☞ Price Cherokee Injection, $2 per bottle, or three bottles for $5.

☞ Sent by Express to any address on receipt of price.

☞ Sold by all druggists everywhere.

THE GREAT INDIAN MEDICINE,

Compounded from

ROOTS, BARKS, AND LEAVES.

CHEROKEE CURE!

An unfailing cure for Spermatorrhœa, Seminal Weakness, Nervous Debility, and all diseases caused by self-abuse, such as loss of memory, Universal Lassitude, Pains in the Back, Dimness of Vision, Premature Old Age, Dyspepsia, Difficulty of Breathing, Palpitation of the Heart, Eruptions on the Face, Pale Countenance, Consumption, and all those dreadful diseases resulting from the practice of self-pollution.

☞ This medicine is a simple vegetable extract, and one on which all can rely, as it has been used in my practice for many years, and with thousands it has not failed in a single instance. Its curative powers have been sufficient to gain victory over the most stubborn case.

☞ To those who have trifled with their constitution, until they think themselves beyond the reach of medical aid, we would say, despair not! the CHEROKEE CURE will restore you to health and vigor, and after all quack doctors have failed.

☞ For full particulars get a circular from any drug store in the country, or write the Proprietors, who will send free to any one sending the same, a full treatise on this valuable medicine.

☞ Price, $2 per bottle, or three bottles for $5, and forwarded by Express to all parts of the world.

NOTICE TO ALL CONCERNED.—Among a certain class of quacks and people there is a peculiar feeling of contempt attached to all physicians that advertise and treat the diseases named in this card, (PRIVATE DISEASES.) Why this should be, they not no one dare tell. All they know is aware that all physicians treat diseases of every denomination, in fact admit just the very diseases that are so annoying to those very refined parties. I suppose they would not let one of their family go to a party that has devoted years for their benefit, because of. Shortness the fact, and their family physician may be in a humbug so he can get the case. Often he has almost deprived the party of his life. He comes out to the physician that advertises—how else are they to know? Are they to—Jason Jones, Cut Ashley Cooper, Sir Benjamin Brodie, Sir Charles Bell and M. Paul Ricord devoted years in the treatment of these diseases? These men are held up as shining lights in the medical world; I don't assert that all men are worthy that publish, still there are a great number of them that are. I have devoted myself to the study and treatment of PRIVATE DISEASES upwards of 30 years, and without egotism can say I have saved hundreds from years of misery and untimely death. My treatment is confined to the vegetable altogether, as I think it is the best and most certain. It is in my power to bring hundreds of certificates if I thought it necessary to certify to my general success; but my long residence in this city is sufficient proof without adding more. Spermatorrhœa and all diseases resulting from it are cured in a much shorter time than heretofore. It behooves every young man and woman to be careful in neglecting a physician. The different advertisements that are seen in our papers are of no worth, and no benefit will come from answering them only loss of health and money. Hundreds are cured annually by my new remedies.
