THE

LIVER INVIGORATOR!

PREPARED BY DR. SANFORD, IS A GREAT scientific Medical Discovery, and is daily working cures almost to great too believe. It cures as if by magic, *even the first dose giving benefit*, and seldom more than one bottle is required to cure any kind of *Liver* Complaint, from the worst jaundice or Dyspepsia to a common headache, all of which are the result of a *Diseased Liver*.

The Liver is one of the principal regulators of the human body, and when it performs its functions well, the powers of the system are fully developed. The Stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the Liver—having ceased to do its duty. For the diseases of this organ one of the proprietors has made it his study in a practice of more than twenty years, to find some remedy wherewith to counteract many derangements to which it is liable.

To prove that this remedy is at last found any person troubled with the Liver Complaint in any of its forms, has but to try a bottle, and conviction is certain.

A compound has been formed by dissolving gums and extracting that part which soluble for the active virtues of the medicine. These gums remove all morbid or bad humors from the stomach and system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the causes of the disease, and effecting a radical cure without any of the disagreeable after effects felt by using calomel or mineral poison that is usually resorted to.

One dose, after eating, is sufficient to relieve the stomach and prevent the food from rising and souring.

One dose taken before retiring prevents nightmare.

Only one dose taken at night loosens the bowels gently, and cures costiveness.

One dose taken after each meal will cure Dyspepsia.

☞One dose or two teasposusful will always relieve Sick-headache.

There is no exaggeration in these statements, they are plain sober facts that we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor.

"Among the hundreds of Liver Remedies now offered to the public, there are none we can so fully recommend as Dr. Sanford's Invigorator, so generally known throughout the Union. This preparation is truly a *Liver Invigorator*, producing the most happy results on all those who use it. Almost innumerable certificates have been given of the great virtue of this medicine by those of the highest standing in society, and we know it to be the best preparation now before the public.—*Hudson County Democrat.*

Price One Dollar per bottle.

SANFORD & CO., *proprietors*. 345 Broadway, New York. Dr. GEO. H. KEYSER, 140 Wood street, wholesale and retail agent.

For sale by Thomas Devine, High street, Ebensburg.

DOCTOR SANFORD'S LIVER INVIGORATOR

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediatey relieves Cholic, while one dose often repeated is a sure cure for Cholere Morbus, and a preventive of Cholera.

One dose taken after will prevent the recurrence of bilious attacts, while it relieves all painful feelings.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for Jaundice, removes a yellowness or unnatural color from the skin.

One dose taken a short time before eating, gives vigor to the appetite and makes food digest well.

One dose, often repeated, cures the chronic Diarrhoea in itse worst form's whil summer and bowel complaints yield almost the first dose.

One dose cures attacks of worms. For worms in children there is no surer, safer or speedier remedy. It *never fails.*

THE RESTORATIVE OF PROF. O. J. WOOD for restoring hair perfectly and permanently has never yet had a rival, volume after volume might be given from all parts of the world, and from the most intelligent, to prove that *it is a perfect Restorative*, but read the circular and you cannot doubt; read also the following:

☞ THE HAIR.—People have for centuries been afflicted with bald heads, and the only remedy, heretofore known, has been those abominable wigs. By a recent discovery of Professor Wood, these articles are being fast disposed with but a great many persons still patronize them, because they have been so often imposed upon by Hair Tonics of different kinds. To all such persons, we earnestly make the request, that they will try once again, for in Wood's Restorative there is no such thing as fail. We know of a lady who was bald, who used the article a short time, and her head is now covered completely with the tiniest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which it restored to greater perfection than it ever had been before.

It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest enemy to all the ills that hair is heir to.

It is the duty of every one to improve their personal appearance, though some may differ in regard to the ways of doinh it; but every one will admit that a beautiful head of hair, either in man or woman, is an object much to be desired, and there are no means that should be left untried to obtain such a consideration.—[Woman's Advocate, Philadelphia.

Cochocton, Ohio, Nov. 17, 1856.

O. J. WOOD & CO.—Gents; As I have been engaged in selling your Hair Restorative the last season for one of your local agents, (R. M. Hackinson,) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio, or some State in the West, should you wish to make such an arrangement, as I am convinced *there is nothing equal to it in the United States for restoring hair*, I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that restores the secretive organs or invigorates the scalp as well as yours; being fully convinced that your Restorative is what you represent it to be, I would like to engage the sale of it, for I am satisfied it must sell.

Yours, truly, S. T. STOCKMAN.

Wayland, Mass., Feb. 5, 1857

PROF. O. J. WOOD & CO.—Gents: Having realized the good effects of your Hair Restorative I wish to state that, finding my hair growing thin, as well as gray. I was induced from what I read and heard, to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles. Yours, &c.,
