LARD OIL.—The Subscriber would most respectfully inform the public in general that he has an article of Lard Oil of a superior quality, manufactured at the Cincinnati Oil Manufactory, by R. W. Lee & Co., which is warranted to be equal to the best Sperm. Oil, both for Light and Machinery. This Oil is entirely free from any glutinous matter, smoke, or unpleasant odor, and it is as clear and as white as spring water. Not a particle of crust is left on the wick. The light is pure and brilliant, and will last as long, if not longer, than that from an equal quantity of Sperm. Oil. The subscriber informs the public that he has taken a place nearly opposite the Post Office, where he will light up several different lamps every evening, and he would respectfully invite the inhabitants of Pittsburgh, Allegheny, and their vicinity, to call and judge for themselves. He feels confident they will be convinced that the above statement is perfectly correct. Out of two hundred individuals who have tried the Oil there has not been a single fault found with it. The Lard Oil costs one third less than Sperm. He would respectfully solicit the early attention of Dealers and Manufacturers to the above.

The following Churches are now using the Lard Oil:
Second Presbyterian Church, Pittsburgh,
New Cumberland Presbyterian Church, Pittsburgh,
First Presbyterian Church, Allegheny City,
Associate Reformed Church, do.
All the barrels are branded R. W. LEE & Co., Cincinnati, Ohio.
M. C. EDEY, Agent.

Pittsburgh, June 21st, 1842.
We, the undersigned, Captains of the Express Line of Packets on the Pennsylvania Canal, have tried and are satisfied with the article of Lard Oil introduced here by Matthew C. Edey, and manufactured by R. W. Lee & Co., at the Cincinnati Oil Factory.

We feel confident in asserting that the above is equal to any Sperm Oil; that it is entirely free from smoke and any other glutinous matter whatever; the light is perfectly pure, clear and brilliant, and will last as long, if not longer, than that from an equal quantity of Sperm. Oil, and we have no hesitation in recommending it to our friends and the public generally who use Oil.
