These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule as would be the case if she visited the large cities dressed after the style of the plates given in some of our so called fashion magazines.

This lecture will prove a boon to thousands and thousands.

GREAT CURE.

DR. LELAND'S

ANTI RHEUMATIC BAND,

IS THE ONLY KNOWN REMEDY FOR

Rheumatism, Gout and Neuralgia,

AND A SURE CURE FOR

All Mercurial Diseases

It is a conveniently arranged Band, containing a medicated compound, to be worn around the Waist, without injury to the most delicate persons, no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicines which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medical properties contained in the Band, come in contact with the blood and reaches the disease, through the pores of the skin, effecting in *every* instance a perfect cure, and restores the parts afflicted to a healthy condition. This band is also a most powerful ANTI-MERCURIAL agent, and will entirely relieve the system from the *pernicious* effects of mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in agrivated cases of long standing.

And for the speedy cure of the subjoined varieties of Disease:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease is gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous attack of *Malignant Erysipelas* by large doses of the same; says he cures the common *Eruptions* by it constantly.

Bronchocele, Goitre, or Swelled Neck.

Zebulon Sloan of, Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. R. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration* of the *uterus*. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes: "A dangerous *ovarian tumor* on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.

DR. J. C. AYER. Sir: I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfigurement of the face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.

DR. J. C. AYER. Sir: I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than *derangement of the Liver*. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries, and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients, in advanced stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

EXPEL THE DOUBTS OF ALL

For Statesmen, Judges, Editors, Physicians of the oldest schools as well as new, give it their unqualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all who have used it, unite, in testifying that it will preserve the hair from being gray, and from falling to any age, as well as restore Read the following:—

Oak Grove, S. C. June 24th, 1859.

PROF. C. J. Wood: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Resorative a perfect test:—

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the road side, from which my head received a most terrible blow; causing a great deal of iritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dopping, however up to the time of its total disapearance, I employed everything I could think of, being a professional man myself and, as I thought, understanding the nature of disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result: two months after the first application, I had as beautiful a head of young hair as ever I saw, for which I certainly owe you my no a more thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I shall use my influence, which I flatter myself to say, is not a lie.

You can publish this if you think proper.

Yours, very respectfully,

M. J. WRIGHT, M. D.

Office of the Jeffersonian, Philippi, Va. Dec 12th, 1858.

Dear Sir:—I feel it my duty as well as my pleasure, to state to you the following circumstance which you can use if you think proper. A gentleman of this place, (a lawyer) has been bald ever since his early youth; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottels his hair grew out quite luxurently, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c.,

THOMPSON SURGHNOR.

Dr. Wood: Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable. S. THALBERG.

The Restorative is put up in bottles of three sizes, viz; large, medium and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for three dollars per bottle.

FOR

DYSPEPSIA,

Liver Complaint, Fever and Ague, &c.

The successful introduction and use of this celebrated Remedy has been the signal for a literal flood of compounds called "Bitters," offered in various forms, from a quart bottle to a five gallon keg, until this word "Bitters" is but another name for "grog," or some villainous whiskey mixture.

But the really great relief derived from the minute dose, one teaspoonful, of our medicine,
