DAILY MORNING POST.

MAY 10, 1843.

Strikes.—The laboring men who discontinued work on Monday, marched through the streets yesterday accompanied by a band of music. There appears to be a settled determination among all classes of operatives to annihilate the order system.

All was quiet yesterday at the cellar opposite our office, cause why—the men got on the strike for wages the day before.—They were the genuine Irish—game, of course—and wont put another spade in the earth about them *diggins* until they get what they demand, which is nothing more than their due.

At it early.—All the tickets to be supported at the fall election, exccept one, will be nominated within four or five weeks.

Western Literary Casket.—This periodical has again made is appearance, and in a new dress too. It now looks as neat and tidy as need be, and is edited by Dr. A. W. Patterson, a gentlemen not unknown in the literary world. It is deserving of extensive patronage, and we doubt not will be entirely successful, as it is published at the exremely low price of one dollar per year.

THEATRE.

Mrs Flynn as Pauline in the Lady of Lyons fully realized the expectations of her friends. The other characters were generally well sustained.

The interesting Drama of the Deserted Village will be repeated this evening. It was well received last night.

Another man dead.—Another of the unfortunate men who were scalded on the Pulaski, named Wm Coon, died yesterday morning. He was a deck passenger and belonged to Collins, Erie co., N. Y.

The Wharf.

Yesterday we counted seventeen boats at the wharf, each one of which had a full crew of deck hands busily engaged receiving and discharging freight. The boats come and go loaded to the guards, and there is business enough to employ many more just at this time. Such a business bustle as there has been at the rivers, canals and along our streets for the past four or five weeks, we never witnessed before.

INFORMATION WANTED.

ON the 28th of November last, a son of the subscriber named JAMES KELLY, then about 9 years of age, left his house; he was seen a few days after in Sharpsburgh. He has a fair complexion and fair hair, and is rather heavily built. On the 30th of the same month, his brother, a boy then need about ten years, also went away. His name is EDWARD KELLY; he has red hair and dark eyes. It is probable that both the boys may deny their true names and assume others. Any information concerning them will be gratefully received by their afflicted parents. JOHN KELLY,

BETTER BARGAINS THAN EVER
AT THE
THREE BIG DOORS.

THE subscriber would respectfully inform his customers and the public generally, that notwithstanding the unprecedented sales at the Three Big Doors, during the present season, he has still on hand the largest and most varied assortment of elegant CLOTHING that can be bought west of the mountains. The public may rest assured that all articles offered at his store are manufactured from FRESH GOODS, purchased in the Eastern markets this Spring and made into garments by Pittsburgh workmen.

In consequence of the multiplication of slop shops in our city, filled with pawnbrokers' refuses and the musty cast off garments of former seasons, from the eastern cities, the public should be cautious to ascertain the character of the establishments in which they are invited to purchase, before they part with their money. The articles offered at several of the concerns in this city, are the mere offals of New York and Philadelphia slop shops, and sent out here to be palmed off on the Pittsburgh public. Eureka etc should be on their guard against these impositions and they may rely on the fact that no establishment that advertises *eastern made* Clothing, can give as good an article or as advantageous a bargain as can be had at the "Three Big Doors."

The public will please remember that all the subscriber's garments are made in *this city*, by competent work men, and not get cried up like the goods now offered by the "third of passage" from the shops and patches of eastern slop shops. It will always be his endeavor to maintain the position that the "Three Big Doors" have acquired for furnishing a superior style of CLOTHING in every respect, and at prices below those of any other establishment.

He would again return his thanks to his friends and the public for the unprecedented patronage bestowed upon his establishment, and believe that they have found it to their advantage to deal with him. He would repeat his invitation to all those who wish to purchase Clothing of every description at the lowest price to call at No 151, Liberty St. JOHN McCLOSKY.
☞Observe Metal Plate in the pavement. ap 26.

The principal Stage and Packet offices, are connected with the Hotel, and for the better accommodation of their guests, an *Omnibus* will at all times be in readiness to convey them to and from the House.

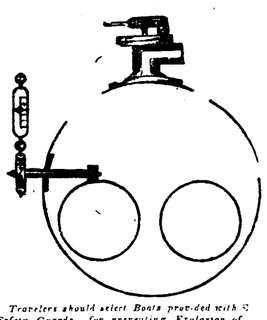
FOR SAFETY.



Travelers should select Boats provided with Safety Guards, for preventing Explosion of Boilers.

IT would be well for the traveling community to bear in mind that their security depends entirely upon their own encouragement of boats that have or may be at the expense of procuring the above apparatus. And that every individual making such selection is contributing towards a general introduction of an invention admitted by all men who understand the principles of the Steam Engine, to be a sure preventative against those dreadful disasters. You have certainly, in the hundreds of explosions that have already taken place, their almost daily occurrence, and the thousands of lives that have already been lost, a sufficient warning, and inducement to make inquiry for a Safety guard Boat, and in every case to give it the preference. They have went to an additional expense that your lives may be secure. Ought you not therefore to meet them with a corresponding degree of liberality, and by your preference show that you appreciate their laudable endeavors to stop this awful sacrifice of human life. They do not charge more than other boats; their accommodations in other respects are equal, and in many cases superior; and as there is one leaving Pittsburgh every day, why will you run any risk, when it is so completely in your own power to avoid those disasters.

All boats marked thus (*) in the List of Arrivals and Departures, in another part of this paper, are supplied with the Safety Guard.

NERVE AND BONE LINIMET, AND INDIAN VEGETABLE ELIXIR.—This combination of a local application with an internal specific, works like a charm in cases of rheumatism, gout, contracted muscle and paralysis. Messrs. Comstock & Co. 71 Maiden Lane, have in their possession a certificate from Ethan C. Corning, a respectable citizen of Quebec, stating that after having been a bedridden cripple for upwards of fourteen years he was enabled to rise up and walk by applying the Linament to his shrunken limbs, and taking the Elixir in conformity with the directions. The cure appears to border on the miraculous, but attestations cannot be questioned.—In cases of gout and contraction of the muscles and ligament of the Linament and Elixir have been equally beneficial.—[Express.]—For sale only at TUTTLE'S 86 Fourth street.
