*Trains will stop at stations marked "F," only when signal is given.

☞The Superintendent's report was received too late for publication this week, but will appear in our next issue.

☞Mr. John M'Pride had his leg broken last Saturday, by a mule falling with him, while riding along one of the streets of this place. He is recovering as rapidly as could be expected.

☞We have received from Mr. John Schoffner of Johnstown, a specimen of 'Smith's Vegetable Coffee' We have tried it, and find it to be a delightful beverage, equal in every respect to the genuine coffee. As he sells it for 12 cents a pound, those who wish to economize these hard times, should purchase a supply of it.

Serious Accident.—Mr. John Bunaford, of this place, started with a sled load of shuck, for Wilmore, about daylight on last Thursday morning. While descending the hill at the West end of town, and while crossing a breaker, the lever of the sled flew back, and struck him in the right eye, inflicting a frightful wound, His cries attracted the attention of some of the neighbors, who took him to the "Union House," where his wound was examined and dressed by a physician. He was shortly afterwards removed to his home. We understand the eye was entirely destroyed, the bridge of the nose fractured, and other serious injuries inflicted by the stroke He was regarded as in a precarious condition for some time, but is now doing well.

WORTH KNOWING.—Prof. Wood, whose advertisement will be found in another column, has discovered a remedy for the gray and bald, which is at once practicable and cheap. It requires no dyeing, no wig, no extraordinary trouble. There can be no doubt whatever of its efficacy. We have seen testimonials almost without number, and from men of great intelligence, high standing and moral worth.

Those who have been bald for years are now wearing their own hair, and appear ten years younger than they did six months ago As in most cases gray hairs and bald heads are both premature and unnatural, it is the duty to remedy them by the natural and undoubted means which Prof. Wood has invented, and now kindly offers to the afflicted. Read his advertisement, try his wonderful remedy, and give the Prof. a new testimonial.—*Memphis Whig.*

GREAT CURE.

DR. LELAND'S ANTI RHEUMATIC BAND

IS THE ONLY KNOWN REMEDY FOR

Rheumatism, Gout and Neuralgia,

AND A SURE CURE FOR

All Mercurial Diseases

It is a conveniently arranged Band, containing a medicated compound, to be worn around the Waist, without injury to the most delicate persons, no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicines which weaken and destroy the constitution and give temporary relief only. By this treatment, the medical properties contained in the Band, come in contact with the blood and reaches the disease, through the pores of the skin, effecting in *every* instance a perfect cure, and restores the parts afflicted to a healthy condition. This band is also a most powerful ANTI-MERCURIAL agent, and will entirely relieve the system from the *pernicous* effects of mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in agrivated cases of long standing.
