This popular paper for the home—of same size and appearance as Harpers Weekly—is rapidly attaining a large circulation all over the States. Largest cash commissions given to good agents of any paper in the country. Specimen copies, postage free, five cents. Three months trial only twenty-five cents. Address: "Peoples Monthly," Pittsburgh, Pa. One thousand agents wanted. Twice the price of the paper given away to every subscriber.

DIED.—On the 7th inst, at his residence in the City of Erie, O. P. Keltz, aged about 40 years.

For many years Mr. Keltz was a Citizen and resident of Elk County, residing a number of years in the Village of Ridgway. To say that Mr. Keltz was a good Citizen, would be but a meagre statement of the character of the man. He was a good Citizen in the broadest sense. His moral character was above reproach, socially he was the Peer of any in the social walks of life. In that department of mechanics selected by him as a vocation in life he had no superior, and but a few equals. All who knew him not only respected, but loved him. In his business relations with men, he was a man of sterling integrity, and in morals an exemplar in the community.

Dangers however stand thick in the path of life, striking down the good and the true, and scarcely had Mr. Keltz entered upon the prime of his manhood with new and broader fields of usefulness and prosperity opening up before him ere he is stricken down. He leaves a wife and two children and a large circle of friends to mourn his loss, with whom we most sincerely sympathize in their bereavement. His remains were interred in the cemetery of this village between 5 & 6 o'clock P. M. of the 9th inst.

HOW TO GO WEST. This is an inquiry which every one should have truthfully answered before he starts on his journey, and a little care taken in examination of Routes will in many cases save much trouble, time and money.

The "C. B. & Q. R. R.," running from Chicago, through Galesburg to Burlington, and the "I. B. & W. Route," running from Indianapolis, through Bloomington to Burlington, have achieved a splendid reputation in the last two years as the leading Passenger Routes to the West. At Burlington they connect with the B. & M. R. R. and from the great Burlington Route, which runs direct through Southern Iowa to Nebraska and Kansas, with close connections to California and the Territories; and passengers starting from Elk County, on their way westward, cannot do better than to take the BURLINGTON ROUTE.

This Line has published a pamphlet called "How to go West," which contains much valuable information; a large correct map of the Great West, which can be obtained free of charge by addressing the General Passenger Agent B. & M. R. R. Burlington, Iowa 2-2211

Ayer's Sarsaparilla

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptors of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blisters, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not be possible to allude, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poison.

It is an excellent restorer of health and strength in the Spring, and invigorates the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

PREPARED BY Dr. J. C. AYER & CO., Lowell, Mass., Practical and Analytical Chemists. SOLD BY ALL DRUGGISTS EVERYWHERE.

Ayer's Cherry Pectoral, For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Among the great discoveries of modern science, few are of more real value to mankind than this effectual remedy for the Throat and Lungs. It is a most valuable trial of its virtues, throughout this and all other countries, has shown that it does surely and effectually control them. The testimony of our best citizens of all classes, establishes the fact, that Ayer's Cherry Pectoral will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of Consumption, cured by this preparation, are public knowledge so remarkable as to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing Coughs, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become inveterate and often fatal, if neglected. Tender lungs need this defence; and it is music to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of childhood, Ayer's Cherry Pectoral is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affections of their parents. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer from troublesome and painful Bronchitis, when they know how easily they can be cured.

Originally the product of long, laborious, and successful chemical investigation, no cost or toll is spared in making every bottle of this medicine as perfect as possible. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of curing cases as memorable as the greatest it has ever effected.

PREPARED BY Dr. J. C. AYER & CO., Lowell, Mass., Practical and Analytical Chemists. SOLD BY ALL DRUGGISTS EVERYWHERE.

Ayer's Cathartic Pills, For the relief and cure of all derangements of the bowels, in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much suffering is prevented by their timely use, and every family should have them on hand for their protection and relief, when required. Long experience has proven that the best, surest, and best of all the Pills with which the market abounds, by their occasional use, the blood is purified, the secretions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. This medicinal disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtue unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these Pills rapidly cure:— For Dropsy or Indigestion, Effluents, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore the healthy tone and action. For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it. For Dysentery or Diarrhoea, but one mild dose is generally required. For Rheumatism, Gout, Gravel, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change these complaints disappear. For Dropsical Swellings, they should be taken in large and frequent doses, to produce the effect of a drastic purge. For Constipation, a small dose should be taken, as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

OF THE BEST—NO OTHER IN STOCK—

A CONFIRMED DYSPETIC. We have said that dyspepsia is perhaps the most universal of human diseases. This is emphatically the case in the United States. Whether this general prevalence is due to the character and food, the method of its preparation, or the hasty manner in which it is usually swallowed, is not our province to explain. The great fact with which we are called to deal is this: DYSPEPSIA PREVAILS almost universally. Nearly every other person you meet is a victim, an apparently willing one; were this not the case, why so many sufferers, when a certain, speedy and safe remedy is within their easy reach of all who will avail themselves of it? But says a dyspeptic: What is this remedy? to which we reply: This great alleviator of human suffering is almost as widely known as the English language. It has all-day carried its message and encouragement to thousands of aethers. This acknowledged panacea is none other than Dr. HOOFLAND'S GERMAN BITTERS.

Would you know more of the merits of this wonderful preparation than can be learned from the experience of others? Try it yourself, and when it has failed to fulfil the assurance of its efficacy given by the proprietor, then abandon faith in it. LET IT BE REMEMBERED, first of all, that HOOFLAND'S GERMAN BITTERS is a pure beverage. They are composed wholly of the pure juice of vital principle of roots. This is not a mere assertion. The extracts from which they are compounded are prepared by one of the ablest of German chemists. Their effects can be beneficial only in all cases of the bilious system. Hoofland's German Bitters stand without an equal, acting promptly and vigorously upon the liver; they remove its torpidity and cause healthful secretion of bile—thereby supplying the stomach with the most indispensable element of sound digestion in proper proportion. They purify the blood, cleansing the vital fluid, all harmful impurities and transplanting them with the elements of genuine healthfulness.

Now, there are certain classes of persons to whom extreme Bitters are not only unpalatable, but who find it impossible to take them without positive discomfort. For such Dr. HOOFLAND'S GERMAN TONIC has been especially prepared. It is intended for use where a slight alcoholic stimulant is required in connection with the well-known Tonic properties of the pure German Bitters.

acts with almost marvelous effect. It not only stimulates the flagging and weary energies, but invigorates and permanently strengthens its action upon the Liver and Stomach thorough, perhaps less promptly than the Bitters, when the same quantity is taken is none the less certain. Indigestion, Biliousness, Physical or Nervous prostration, yield readily to its potent influence. It gives the invalid a new and stronger hold upon life, removes depression of spirit, and inspires cheerfulness. But Dr. Hoofland's benefactions to the human race are not confined to his celebrated GERMAN BITTERS, or his invaluable Tonic. He has prepared another medicine, which is rapidly winning its way to popular favor because of its intrinsic merits. This is HOOFLAND'S PODOPHYLLIN PILLS, a perfect substitute for mercury without any of mercury's evil qualities.

These wonderful Pills, which are intended to act upon the Liver, are mainly composed of Podophyllin, or the vital principle of the Mandrake root. It is the medicinal virtues of this health-giving plant in its perfectly pure and highly concentrated form. The Podophyllin acts directly on the Liver, stimulating its function and causing it to make its bilious secretions in regular and proper quantities. The injurious results which invariably follow the use of mercury are entirely avoided by their use. But it is not upon the Liver only that their powers are exerted. The extract of Mandrake contained in them is skillfully combined with four other extracts, one of which acts upon the stomach, one upon the bowels, and prevents any gripping effect, thus producing a mild, safe, and the entire digestive and alimentary system in an equal and harmonious manner, and its action entirely free from nausea, vomiting or gripping pains common to all other purgatives.

Possessing these much desirable qualities the Podophyllin becomes invaluable as a FAMILY MEDICINE. No household should be without them. They are perfectly safe, require but two for an ordinary dose, are prompt and efficient in action, and when used in connection with Dr. Hoofland's German Bitters, or Tonic, may be regarded as certain specifics in all cases of Liver Complaint, Dyspepsia, or any of the disorders to which the system is ordinarily subject. THE PODOPHYLLIN PILLS act upon the stomach and bowels, carrying off improper obstructions, while the Bitters or Tonic purify the blood, strengthen and invigorate the frame, give tone and appetite to the stomach, and thus build up the invalid anew.

Dr. Hoofland, having provided internal remedies for disease, has given the world one mainly for external application, in the wonderful preparation known as Dr. HOOFLAND'S GREASE OIL. This Oil is a sovereign remedy for pains and aches of all kinds. Rheumatism, Neuralgia, Toothache, Chills, Sprains, Burns, Pain in the Back and Loins, Ringworms, etc., etc., all yield to its external application. Taken internally it is a cure for Heart-disease, Kidney Disease, Sick Headache, Colic, Dysentery, Cholera Morbus, Cramps, Pains in the Stomach, Cold, Ac. hma, etc. These remedies will be sent by express to any locality, upon application to the PRINCIPAL OFFICE, at the GERMAN PHILADELPHIA No. 631 ARCH ST., CHAS. M. EVANS, Proprietor, Formerly C. M. JACKSON & CO. These Remedies are for sale by Druggists, Storekeepers, and Medicine Dealers every where. v1n21y.
