Circular from the Cash Store!

The subscriber would respectfully announce to the public that he has just returned from the East with his stock of FALL AND WINTER GOODS, which he will sell, as usual, at a very small advance on cost, FOR CASH ONLY. He is enabled to give a price list suiting to the daily fluctuations in the market.

His stock is the heaviest and most complete ever brought to the place, and having been purchased at the very lowest cash prices, will be sold at prices which make it to the interest of cash buyers to call and examine his stock, and be convinced that he can and does sell a little cheaper than any credit establishment.

He would call particular attention to his large stock of DRY GOODS, embracing all the latest and MOST DESIRABLE STYLES OF LADIES' DRESS GOODS to be found in the Eastern market. A full assortment of fancy and plain Flannels and Shirtings large and excellent supply of Linen and Muslins, dozens of patterns of Ladies' and Gent's Gloves, all styles of Hosiery, with the most complete selection of Shawls ever exhibited in this market; any amount of Nubias, Opera Hoods, Ladies' Patent Vests, and a tremendous pile of Skirting. Kelly & Co.'s Patent Hoop Skirts, ranging from four to fifty springs, which will be sold at least 25 per cent. under present market price.

Our stock of GROCERIES is complete and selling a few cents below other establishments.—Our Syrups range from 40 to 70 cents per gallon. We would invite particular attention to our large stock of Government Coffee, bought before the late heavy advance, which we sell at 20 cents per lb. It is far superior to any of the substitutes lately invented. We have also a heavy stock of TEAS, ranging in price from 60 cents per pound upwards.

Our stock of CHINA, GLASS & DELPH WARE is the largest, most varied and best ever offered to the people of this section. It is really beautiful. An examination of our "Show Window" must convince all who stop to view it that we are not "puffing" our wares. The China Ware embraces Tea Sets ranging in price from $12 to $40, Flower Vases, Mugs and other ornaments. The Glass Ware embraces everything and every style of tumbler use. Owing to the late advance we cannot now sell the celebrated Wedgewood Iron Stone Tea Sets for less than $4.75 per set, which is $1.25 below the selling price elsewhere.

I am now fully convinced that the CASH SYSTEM is the best for both seller and buyer, enabling me to sell cheaper, without loss, and giving my customers a better article, and more of it, for the same money, than they get at any other establishment. But argument on this point is superfluous. The reason why I can sell cheaper than credit establishments must be apparent to all, and that I *do sell cheaper* I can fully convince all who give me a call.

A full stock of boots and shoes.

All Wool, Ingrain, List, Rag and Hemp carpets.

Table and floor oil cloths, window shades, &c., &c. B. A. O. KERR.

NOTICE.—We are daily receiving orders by and by mail for one or more of Dr. Hurd's Dental Remedies, which we cannot fill. None are available except the *Neuralgia Plaster*, which we send on receipt of Price (15 cents) and one stamp. But to accommodate persons in places where the druggists and storekeepers are behind the age, we have put up packages in white embossed boxes, seven inches by four, with compartments—each box containing a bottle of *Dr. Hurd's Mouth Wash*, and *Tooth Ache Drops*, a box of *Tooth Powder*, the *Neuralgia Plaster*, and a valuable little Treatise on *Teeth and their Diseases, the best means of preserving them, and the proper treatment of Children's Teeth*, worth of itself the entire cost to every young man or woman, or parents with young children; with sundry other articles; price per package *one dollar*, or six packages for $5, sent by express as directed. As the Express charges are not much, if any more on a dozen than on one, it is far cheaper to order six or dozen packages at a time. A large family will want all, or the surplus can be disposed of to neighbors with public benefit, for no one can estimate how much pain, suffering, inconvenience and embarrassment, expense, loss of time and money would be saved to the country if every family to-day had one of these packages, which, in itself, is a complete set of Dental Remedies. Address Wm. B. Hurd & Co. Tribune Building, New York, and write your address plainly. Test certificates may be made with confidence. W. H. H. & Co. refer to the Mayor of Brooklyn, to G. W. Griffith, President of the Farmer's and Citizen's Bank, Brooklyn; to the Editors of the American Phrenological Journal; to Jay, Cooke & Co., P. T. Barnum's Agents, New York; to Alex. Clemens, Esq., who knew a good P. T. Barnum when he saw it, and who has already buy one second-hand, etc.

1000 Agents Wanted:

To introduce Dr. Hurd's Dental Remedies into every County. Men or Women who want to make money quickly, can do better with the articles than anything in market. They are new, useful, low priced, and we are spending thousands in advertising them for the benefit of agents. Boxes of samples containing one dozen of the cheaper packages above specified, with circulars with the sent, on receipt of *seven dollars*, about half price. Many persons wishing to test the matter will send in orders with the view of supplying themselves with the article, and no doubt will be pleased with the result. They can be sold in every family. We would rather pay liberal Commissions to those who prove themselves efficient salesmen.
