DAILY POST.

PITTSBURGH, FRIDAY, SEPTEMBER 1, 1843.

☞ For business cards, &c., see first page.

THEATRE.—Miss Clarendon has made a decided hit. She appears to-night in the DUMB GIRL OF GENOA. Hasting spares neither pains nor expense to make the Theatre attractive.

TRANSPORTATION.—Messrs Devine & McAnulty have removed to No. 45 Water street, on the Monongahela river. They have procured a tow-boat, to bring their boats across the river from the outlet locks on the Allegheny. These enterprising transporters seem in no wise discouraged by the trifling accident to the Aqueduct, but have went to work so promptly and earnestly in their arrangements, that they can get along in their business without that structure. They confidently hope by their new arrangement to cheapen transportation.

CONCERTS OF THE BLIND.—These interesting Concerts are mightly increasing in attraction. No one can form an idea of the astonishing musical skill and the learning of these unfortunate people without going to hear and see them.

PROCEEDINGS IN COMMON COUNCIL.
August 29th, 1843.

Council met—

Present—Messrs. Borland, Bowman, Hamilton, Heward, Hunter, Irwin, Kelly, Litch, Magraw, Magee, Mathews, McCutcheon, Mitchell, O'Neal, Pratt, Small, Wiggans and the President.

The acceptance of reports of the committees on this petitions of James McCabe and John Beehan jr., adverse to the petitioner—concurred in.

The resolution from the same body in favor of H. Davies, the reference of the report of the Water Committee on the grading at the Water Basin, to the same committee, "with power to settle the same," the adoption of the resolution granting $100 on the Allegheny Wharf, were severally concurred. The resolution to have "raised brass numbers" for Drays and Carts, was disagreed to. The resolution appropriating $600.00 to assist in repairing the Aqueduct, was read and concurred in with an amendment, "that said appropriation shall be drawn from the city on the requisition of the Presidents of Councils, when they shall be satisfied that the contract is complied with."

The resolution from the S. C. to pave Penn street from Irwin's alley to Wayne street, and 4th street from Grant to Smithfield streets, was read a first and second time, and after amendments, laid over.

A communication was received from the Street Commissioner, asking for an additional appropriation of $400.00 for repairing streets, &c.—read and resolution adopted in compliance with the request.

Mr. Magraw offered the following resolution which was read three times and adopted, viz: "*Resolved*, that the Finance committee be instructed to enquire into the expediency of compelling the owners of Milch Cows, Ice Carts, Pleasure Carriages and Omnibuses to take out Licenses, and report at next meetings of Councils."

The President laid before the Council several bills of Stationary, which were read and referred to the committee of Claims and Accounts.

The S. C. did not meet.

The G. W. T. A. Society of the 5th Ward, will hold a regular meeting this evening (Friday) September 1st, commencing at 7½ o'clock. The Society will be addressed by Mr. McGonigle, President of the Allegheny Society, and the Rev. Mr. Forster. The friends of the cause are requested to attend. By order.

County Commissioner.

AT the solicitation of a number of friends of all political parties, I respectfully offer myself to the consideration of my fellow-citizens for the office of County Commissioner. That my sentiments may not be misunderstood, either as to political or private affairs, I make free to say that I have been all my life a consistent Republican, in the true sense of the word. As the country is somewhat embarrassed in its financial affairs, and the reduction of salaries of public officers has received the approbation of large majorities of the people, the undersigned would not should he be so fortunate as to be elected, in any manner attempt to resist this salutary reform; should it reach the office of County Commissioner.
