A Card.

FELLOW CITIZENS, AND MY PATRONS IN PARTICULAR:—If I could have controlled the elements of the Universe, and foreseen every contingency and delay in the execution of my plans to contribute to your comfort, and give a zest to the pleasure of the appetite by the addition to my ordinary bill of fare some of the luxuries which the Eastern market affords, I should have done so in time of their enjoyment at an earlier period.

But since I have been disappointed and delayed unnecessarily by a derangement in the Line of Transportation, I hope my friends and Patrons will readily excuse in me any apparent want of enterprise or attention to the business of my profession; trusting in your indulgence on this occasion, I take the liberty to solicit a continuance of a liberal patronage. The following luxuries are now added to my ordinary bill of fare, namely—this day, Canvass Back Ducks, and to-morrow, Fresh Rock Fish Pike, and Yellow Perch, and on Thursday following, another splended lot of Pike, Terrapins, and a lot of the very best Shell Oysters! The above will be served up to individuals or parties. And families or Hotel keepers may also be supplied as long as the assortment lasts, by making immediate application for the same, to either Mr. Charles Quigly or George Hawkins, at the Western Exchange Oyster Depot. No. 6, Market, or 74 Front street. Oysters by the cannister as usual, at the customary price, also in the stew, by the dozen or hundred. Shires' superior premium Ale will be on the tap this day. FOR SAFETY,

Travellers should select Boats provided with Evan's Safety Guards for preventing Explosion of Steam Boilers

IT would be well for the traveling community to bear in mind that their security depends entirely upon their own encouragement of boats that have or may be at the expense of procuring the above apparatus. And that every individual making such selections is contributing towards a general introduction of an invention admitted by all men who understand the principles of the Steam Engine, to be a sure preventative against those dreadful disasters. You have certainly, in the hundreds of explosions that have already taken place, their almost daily occurrence, and the thousands of lives that have already been lost, a sufficient warning, and inducement to make inquiry for a Safety guard Boat, and in every case to give it the preference. They have went to an additional expense that your lives may be secure. Ought you not therefore to meet them with a corresponding degree of liberality, and by your preference show that you appreciate their laudable endeavors to stop this awful sacrifice of human life. They do not charge more than other boats; their accommodations in other respects are equal, and in many cases superior; and as there is one leaving Pittsburgh every day, why will you run any risk, when it is so completely in your own power to avoid these disasters.

All boats marked thus [*] in the List of Arrivals and Departures, in another part of this paper, are supplied with the Safety Guard.

Something for New Years!

WORTHY of notice to Hotel, Boarding House keepers, or Private families, namely:

Canvass back ducks, terrapins, rock fish, salmon, trout, pike and perch fresh from Baltimore, and in fine order. Also, shell oysters of excellent quality, both salt and fresh. The above are offered for sale to families, or will be served up to individuals or parties. Also, other eatables on hand, such as are generally kept in a House of Refreshment, which will be served up in a comfortable manner, to citizens and strangers.

I am also prepared to furnish families with oysters by the canister at as low rates as they are sold by any dealer in this city. Satisfied with a liberal share of patronage, and not feeling a disposition to claim any peculiar merit on my own account, yet I would be thankful under existing circumstances, to meet with sufficient encouragement in my late enterprise that will warrant a continual supply of luxuries from the eastern market.

The following are my prices for oysters served up:

Stewed, per dozen,	$ 31 cents.
Fried, " "	50 "
Chafing Dish,	37½ "
Raw, (canisters,)	25 "
Shell, roasted or at the stand,	37½ "
" select for roasting,	50 "
Canvass back ducks, one served up for two persons,	2,50
Do. 3 persons,	3,00
Terrapins, served up one fair good size for 3 persons,	3,00
Or, Terrapins, per doz. to send out,	3,00
Canvass back ducks, per pair,	3,00
Oysters in shells to send out, per doz.	25 cts.
" canisters do. large size,	2,25
" half do. do.	1,12½

And if other houses in this city sell canister oysters for less than the above prices, I would be thankful for a knowledge of it, for I am determined not to be undersold in that article and am ready to enter into competition with any one in that line of business.

Respectfully, &c.,

Mr. H. flatters himself that he can please the public, as he has done an extensive business in New York for twenty years. All work done on moderate terms, at his establishment in 5th st., between Wood and Smithfield near the Theatre.
