IMPORTANT TO FEMALES. DR. CHESESMAN'S PILLS, Prepared by Cornelius L. Chesesman, M. D., New York City. The combination of ingredients in these Pills are the result of a long and extensive practice. They are mild in their operation, and certain in correcting all irregularities, Painful Menstruations, removing all obstructions, whether from cold or otherwise, headache, pain in the side, palpitation of the heart, whites, all nervous affections, hysterics, fatigue, pain in the back and limbs, &c., disturbed sleep, which arise from interruption of nature.

TO MARRIED LADIES, Dr. Chesesman's Pills are invaluable, as they will bring on the monthly period with regularity. Ladies who have been disappointed in the use of other Pills can place the utmost confidence in Dr. Chesesman's Pills doing all that they represent to do.

NOTICE. There is one condition of the female system in which the Pills cannot be taken without producing a PECULIAR RESULT. The condition referred to is PREGNANCY—the result, MISCARRIAGE. WORTH KNOWING.—Prof. Wood, whose advertisement will be found in another column, has discovered a remedy for the gray and bald, which is at once practicable and cheap. It requires no dyeing, no wig, nor extraordinary trouble. There can be no doubt whatever of its efficacy. We have seen testimonials almost without number, and from men of great intelligence, high standing and moral worth.

Those who have been bald for years are now wearing their own hair, and appear ten years younger than they did six months ago. As in most cases gray hairs and bald heads are both premature and unnatural, it is a duty to remedy them by the natural and undoubted means which Prof. Wood has invented, and now kindly offers to the afflicted. Read his advertisement, try his wonderful remedy, and give the Professor a new testimonial.—*Memphis Whig.*
