The Daily Morning Post.

PITTSBURGH, PA.

TUESDAY MORNING MAY 7, 1844.

☞ Quicksilver as windy as a Clay supporter.

SALTSBURG BRIDGE.—At an election held yesterday, the following persons were elected officers of the St Clair street Bridge, for the ensuing year:

President. John Irwin.

Managers, James Anderson, John M'Knight, Sylvanus Lothrop, John Snyder, David Shields, William Holmes, Lewis Hutchison, Thomas Bakewell, Robert Christy, John Willock.

Treasurer & Clerk, John Harper.

ACCIDENT.—Yesterday morning the fly wheel in the Steele Rolling Mill, in Birmingham, broke to pieces—several fragments scattered through the mill, and some went through the roof. Three persons were injured—one of them very severely, having his scull badly fractured.

W. C. MACREADY, the great English actor, arrived in our city on Saturday, and took lodgings at the Monongahela House. Although strongly solicited by many citizens to play for a night or two, he positively declined, stating that his health would not permit it. He left on Sunday for New York.

JUDGE CHARLES SHALER, announced to the Bar on Saturday, that he had resigned his office as Associate Judge of the District Court, to take effect on the 20th inst.

A NEW WHIG PAPER.—We have been shown a Prospectus for the publication of a campaign whig paper in this city to be called the "Harry of the West." J. W. COOK, of the Literary Depot, is to be the publisher, and Mr. R. R. R DUMARS, of the Chronicle, the editor. We will not say that we wish this paper success, for it is intended to advocate what we consider error; but we have no doubt that it will do efficient service for its party, and render itself worthy of a good support.

☞ A number of whigs attended the meeting of the friends of President Tyler on Saturday evening last, and interrupted the proceedings in a most shameful manner. What business had they to participate in, and interrupt a meeting to which they were not invited. Is this the "decency" they plume themselves on?

WON'T COME.—We understand that the Pittsburgh delegation gave Mr Clay a very pressing invitation to visit this city on his return from his missionary tour down east. Mr Clay declined complying with their request. Perhaps he thought the river would be *frozen over* or *dried up*! and not proceed on his journey.

INDIANS ABOUT.—A deputation from the Seminole nation arrived in our city on Sunday evening, and took lodgings at the Monongahela House. They are under the charge of Judge Field, and are on their way to Washington. WILD CAT, ALLIGATOR and TIGER are among the number. Their visit to Washington, we understand, is to procure their removal from among the Cherokees, as they cannot live on good terms with them.

DIED.—Yesterday morning, LOUISA ASHWORTH, daughter of Mr James Ashworth. Her funeral will take place from her father's residence on Penn st., above Fayette, this afternoon at 4 o'clock

☞ NOTICE.—A meeting of the Journeymen Printers of this city will be held this (Tuesday) evening, at 7½ o'clock, P. M. in the room above the office of the "Spirit of Liberty," South East corner of Market st., and the Diamond.

A general attendance is requested, as business of importance will be laid before the meeting.

In the District Court for the County of Allegheny, of April Term, 1844, No 25.

Geo R White and others, vs. Benjamin Darlington. } Vend. Exponas, No 25.

And now to wit, April 30th, 1844, on motion of Mr McCandless, the Court appoint Francis R Shunk, Auditor, to distribute the proceeds of sale in the above case. From the Record.

GEO R RIDDLE, Proth'y.

Notice is hereby given that the Auditor in the above case will attend to the duties of his appointment at his office on 4th street, Pittsburgh, on Wednesday, the 29th of May, instant, at 3 o'clock P M, where those interested are requested to attend.

His facilities for accommodating the traveling public generally, will be found equal to any in the city. The Stable is airy and capacious, and the best attention will be given to the horses of those putting up at his house.

H DEVINE,
E G WHITESIDES, } Proprietors,
BUZBY & BROTHER,

RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new four section Portable Boats, one of which will depart daily, from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment; suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three transhipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers, all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freights and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. Any communications or goods directed to the care of the undersigned Agents will be promptly attended to.

UNITED STATES

PORTABLE BOAT LINE

For the transportation of merchandize to and from

PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (where canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge, made for receiving or advancing charges, &c.

All communications to the following Agents will be promptly attended to.
