The Daily Morning Post.

PITTSBURGH, PA.

FRIDAY MORNING, MAY 24, 1844.

THEATRE.—Grandfather Whitehead on Wednesday night, was well performed by McCutcheon. We look upon it as the best acting he has yet done at our Theatre; and there ought to have been a fuller house to witness it.

To-night, will be performed "Venice Preserved."—Addams as Jaffier has heretofore delighted our playgoers, and we expect that he will call to the Theatre all his old admirers and lovers of good acting.

BOTANY.—Those of our citizens who take delight in this useful and interesting science, will be gratified to learn that Dr. WHITLAW will remain in the city for a short time for the purpose of delivering a course of lectures on the subject. The subscription papers are fast filling up and it is expected that in a few days a sufficient number will be obtained, to warrant the commencement of the lectures. A subscription paper is at our office, where any of our friends who wish to attend the course can leave their names.

THE FROST.—People from the country inform us that the frost of Tuesday night, has ruined the corn, and done serious injury to the wheat.

FIRE.—The carpenter shop of DAVIDSON & ALLSTON, in Allegheny, was destroyed by fire on Wednesday night. Loss between 800 and 900. It was beyond doubt fired by some incendiary.

DEATH.—J. P. Molleson, Esq., Attorney General of the State of New Jersey, died on Friday morning at his residence in New Brunswick, after a severe illness of several weeks.

TRADE OF NEW YORK.—As an evidence of the great and growing business of the country, we note the astounding fact that the amount of tolls received in twelve days this spring at Buffalo, was $50,221, being fifty per cent. greater than the total taken there during any of the first four seasons, after the opening of the canal.

BOTANY.

Subscription lists for DR. CHAS. WHITLAW's course of Lectures on Botany, are lying at the Exchange Hotel, and the Office of the Morning Post.

Subscriptions to the Course, $5.

H DEVINE, H O WHITESIDES, BUZBY & BROTHER, } Proprietors.

RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four-Section Portable Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment; suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three transhipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers, all goods and produce shipped by this line will be insured by a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. Any communications or goods directed to the care of the undersigned Agents will be promptly attended to.

C. A. McANULTY'S

UNITED STATES

PORTABLE BOAT LINE

For the transportation of Merchandize to and from

PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the Winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (where canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this line, forwarded with dispatch and at the very lowest rate of freight charged by other lines, without any additional charge made for receiving or advancing charges, &c

All communications to the following Agents will be promptly attended to:
