BRANDRETH'S PILLS

PURIFY THE BLOOD

CONTINUED pain or uneasiness in any organ is generally caused by one or more doses of Brandreth's Pills. Thirty years of unexampled experience by the undersigned fully justifies this assertion.

Mr. James Duff, of Potsdam, N. Y., says—"I have cured the most deplorable costiveness of the bowels with Brandreth's pills, when every other remedy had failed, and the patient was given up to die. Skin diseases of an inveterate and painful character, such as erysipelas, salt rheum, tetter and summer-heat, I have seen eradicated to their use. I have cured the rheumatic, the epileptic, the paralytic and the consumptive with these excellent pills."

Dyspepsia and all affections of the liver, diaspepsia, dysentery and diarrhœa, pleurisy, sudden pains and inflammations, female obstructions, scorbutic and scrofulous, even gouty and neuralgic affections, have given way to the use of this medicine, and who, after twenty years experience, my estimation of Brandreth's Pills continues to increase.

OBSTRUCTION.

A young lady, beautiful and healthy, took cold, which caused a serious obstruction for two years; her health was broken down and her beauty departed. At length Brandreth's Pills were tried; a dose of from two to four, were taken in fifteen days previous to the usual period. Regularity was restored, and her health soon became recovered.

WORMS

Brandreth's Pills are the best vermifuge. They are infallible—A child, six years old, for some weeks was drooping; its other cure of Brandreth's sugar coated pills; the next day it came away a worm sixteen inches long, as large as a lead fingers. The child was well.

PLURISY

A middle-aged man, from home, was taken with pleurisy; the inflammation was terrible; every breathe made him writhe with pain. Eight Brandreth's Pills were swallowed, and warm oil applied; in a few hours the pills operated, and the pain was relieved; plenty of sleep followed, and six more pills, and the second day the patient was cured.

These statements should have weight, and prevent the use of poisonous drugs, and stop the bad practice of bleeding.

B. BRANDRETH

Brandreth's Pills are sold at the Principal Office, 294 Canal-street, Brandreth Building, at 25 cents per box, and the same, sugar coated, 12 cents, warranted to keep as well as the plain. Sold by Carter & Brother, and all other Druggists in Erie.

"If any person shall vote at more than one election district, or otherwise fraudulently fold and deliver to the Inspector two tickets together; with the intent to illegally vote, or shall vote the same, or if any person shall advise or procure another to do so, he or they so offending shall, on conviction be fined in any sum not less than fifty nor more than five hundred dollars, and be imprisoned for any term not less than three nor more than twelve months."

"If any person not qualified to vote in this Commonwealth agree with or hire or pay or bribe any person to accept the votes of qualified citizens shall appear at any place of election for the purpose of issuing tickets or of influencing the citizens qualified to vote, he shall on conviction forfeit and pay any sum not exceeding one hundred dollars for every such offence, and be imprisoned for any term not exceeding three months."

I also make known that, "in case the person who shall have received the second highest number of votes for inspector, shall not attend on the day of election, then the person who shall have received the second highest number of votes for judge at the next spring election shall act as inspector in his place. And in case the person who shall have received the highest number of votes for inspector shall not attend, the person elected judge shall appoint an inspector in his place, and in case the person elected judge should not attend, then the inspector who received the highest number of votes shall appoint a judge in his place, or if any vacancy shall continue in the board for the space of one hour after the time fixed by law for opening of the election, the qualified voters of the township, ward and district for which said officer shall have been elected, present at the place of election, shall elect one of their number to fill such vacancy."

"It shall be the duty of the several assessors respectively to attend at the place of holding every general election, special or township election, during the time said election is kept open for the purpose of giving information to the inspectors and judges when called on, in relation to the right of any person assessed by them, to vote at such elections or such other matters in relation to the assessment of voters as the said inspectors or either of them shall from time to time require."

"Pursuant to the provisions contained in the 4th section of the Act aforesaid, the Judges of aforesaid districts shall respectively take charge of the certificate of return of the election of their respective districts, and produce them at a meeting of one Judge from each district at the COURT HOUSE, in Erie, on the third day after the election, being, for the present year, on FRIDAY, the 19th day of OCTOBER next, then and there to perform the duties required by law of said Judges. Also, that where a Judge by sickness or unavoidable accident, is unable to attend said meeting of judges, then the certificate or return aforesaid shall be taken charge of by one of the Inspectors in Charge of the elections of said districts, who shall do and perform the duties required of said Judge unable to attend."

Given under my hand at Erie this 6th day of August, A. D., one thousand eight hundred and fifty eight, and the 82d year of the Independence of the United States. JOHN KILPATRICK, Sheriff.
