WM. H. RICHARDSON,
No. 104, Market Street,
April 3, '51.-2m.] Philadelphia.

Something Superior, Convenient, Safe, and Neat.

I have purchased the right for the county of Huntingdon, in the State of Pennsylvania, to use a Patent Sash Lock or stopper, invented by William E. Arnold of Rochester, Monroe county, New York, which is neat, safe, convenient, cheap, and superior to any article of the kind ever yet invented or used. With it sash can be raised from below or let down from above or both at once if required. It is constructed that it cannot be put out of order, and when the window is closed it is a perfect lock. A modal will be exhibited to show how it works. A number of the citizens of this place (Huntingdon) have already the locks attached to their window sash. It will also answer for cupboard and parlor doors, and the windows of Railroad passenger cars, and many other places. The neatness, durability, convenience, cheapness and safety, makes it preferable to any thing of the kind ever yet invented for the use for which they are intended. Any person wishing to have such locks or stoppers put to their window sash, will please address

THEOPHILUS D. HOFFMAN,
Care of Doctor Jacob Hoffman,
Huntingdon Pa.

N. B. My obligations bind me to remain or operate within the limits of the county of Huntingdon as it existed before Blair county was stricken off, and also gives me the privilege to put in said locks in any part of said county should any part be stricken off during the period of the patent. (Patent secured Feb. 26th 1851.)

BULL'S SARSAPARILLA.

IT is put up in full quart bottles, and contains the strength of SIX TIMES as much pure Honduras Sarsaparilla as any similar preparation in America. Price one dollar per bottle, or six bottles for five dollars.

It has been a well established fact for years past, that Sarsaparilla, when pure and properly prepared, was the only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, evil habits in youth, barrenness, &c. We boldly assert, that JOHN BULL'S

Fluid Extract of Sarsaparilla

is the only preparation before the public, that is prepared on strictly scientific principles, and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subject to the strictest chemical tests, and its genuineness ascertained before being used!

Bull's Sarsaparilla also contains the virtues of several other valuable medical roots, together forming the best compound, and producing THE GREATEST CURATIVE AGENT IN THE KNOWN WORLD!! This Medicine, when used according to directions,

WILL CURE WITHOUT FAIL!

Scrofula or King's Evil, Cancers, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore Eyes, Ringworm or Tetters, Scald Head, Rheumatism, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Glands, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Loss of Appetite, Diseases arising from the use of Mercury, Pain in the Side and Shoulders, General Debility, Dropsy,

Lumbago, Jaundice, Costiveness, Sore Throat, Bronchitis, Coughs, Colds, Weakness of the Chest, Pulmonary Affections, and all other diseases tending to produce

CONSUMPTION,

Liver Complaint, Female Irregularities and Complaints, Sick and Nervous Headache, Low Spirits, Night Sweats, Exposure or Imprudence in Life, Chronic Constitutional Diseases; and is a spring and summer drink, and general tonic for the system, and a gentle and pleasant purgative, far superior to Blue Lick or Congress water, Salts, or Seidlitz Powders!

GOOD TESTIMONY.

The Louisville Courier thus speaks of Bull's Sarsaparilla:

We have been shown, by Mr. John Bull, proprietor of that world-renowned preparation, "Bull's Fluid Extract of Sarsaparilla," an original, genuine, and beautiful letter, addressed to him by the accomplished lady of one of the most eminent old physicians in the West, giving a detailed account of one of the most astonishing cures on record, performed alone by the use of "Bull's Sarsaparilla."

This most excellent and charming lady had long suffered from prolapsus uteri, fluor albus, piles, and chronic diseases of the stomach and digestive organs, and derangement of the whole system, attended with distressing cutaneous eruption, sick headache, and violent attacks of cramp. After exhausting all of her husband's skill, and applying to many celebrated medical gentlemen, both at home and abroad, and also using great quantities of "Townsend's Sarsaparilla," without the slightest relief, she was induced to use "John Bull's Sarsaparilla." And what was the happy result? After the use of a few bottles, a perfect and wonderful cure—the lady restored to perfect health, and to her usual flow of spirits.

Such letters as the one we speak of, must afford Mr. Bull more real gratification, than could the possession of countless wealth. And whether he accumulates wealth or not by the sale of his truly valuable Medicine, being its author is glory and honor enough; and he can say to the world, without fear of contradiction, "I have in my poverty relieved more human suffering, than did Stephen Girard or John Jacob Astor with their millions."

RHEUMATISM CURED!

Let all who are suffering under the agonizing tortures of Rheumatism read the following, and see what may be done for them, if they will use the infallible remedy:

UNIONTOWN, KY., May 12, 1848.

MR. JOHN BULL: *Dear Sir*,—For the last three years, I have been afflicted with Rheumatism of the severest character. I was at times in the greatest agony of pain. I tried every remedy I could procure for the disease; but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health more than any medicine I ever used. I have been free from pain for several months, and have no doubt the cure is permanent; and I recommend it as the best medicine in use for Rheumatism. ISHAM BRIDGES.

It is useless to produce further testimony in favor of this great remedy. It has only to be tried and proved, to convince the public of its superior efficacy.

Notice to Females.

John Bull's Sarsaparilla is one of the greatest female medicines now in existence. In those numerous cases where the constitution is debilitated, the nervous energy is lessened, when the efforts of nature are weak and deficient, or are profuse and overwrought, when the face is pale and colorless, the strength feeble and yielding, the spirit troubled and depressed, the health broken, mind shaken, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. It assists nature in the performance of her duty, braces the whole system, renews permanently the natural energies, removes obstructions, checks excesses, creates pure and healthy blood, and imparts health and happiness. Were ladies generally to adopt the use of this Medicine, we would see far less suffering, disease and unhappiness among them than now exists, health would take the place of disease, the rosy cheek would succeed the pallid face; we should have smiles instead of tears, and perhaps a happy long life instead of one cut short by disease, or made miserable by continued suffering and affliction. At that critical period termed the "turn of life," which is often attended with so much danger, Bull's Sarsaparilla is found to exert a most beneficial effect. All ladies approaching this crisis, should be apprised of this fact, and avail themselves of this valuable Medicine.

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful, white skin, and a rosy colored cheek. How often do we see persons, not possessing this "desideratum so devoutly to be wished," resorting to cosmetics, lotions, washes, paints, and coloring materials, to restore to them a semblance of what disease has deprived them of, and that, too, with great injury to the skin. *Bull's Sarsaparilla* is the best Cosmetic known. It beautifies the skin by removing every particle of morbid and diseased matter from the blood, making it pure, healthy and vigorous, giving activity to every minute vessel, and changing the yellow and dark countenance to the bloom and freshness of youth. Ladies, abandon the use of paints and mixtures, and use *Bull's Sarsaparilla*, the only effectual remedy. "A word to the wise is sufficient," and a hint is enough for the ladies.

BETTER TESTIMONY

THAN WAS EVER OFFERED IN FAVOR OF ANY MEDICINE.

Read the testimony of Dr. Moore.

MR. JOHN BULL,—I have no hesitation in saying that I believe your *Sarsaparilla* to be the best article ever manufactured, for the cure of Scrofula, Syphilis, and many other Cutaneous or Glandular Affections, having used it with entire success in numbers of the above cases.

Louisville, Dec. 26, 1847. JAS. M. MOORE, M. D.

From Dr. L. P. Yandell, Professor of Chemistry in Louisville Medical College.

I have looked over the list of ingredients composing JOHN BULL'S COMPOUND EXTRACT OF SARSAPARILLA, and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases, to which it is applicable. L. P. YANDELL, M. D.

Louisville, June 6, 1848.

From Dr. Pyles, Physician by appointment to the Louisville Marine Hospital.

LOUISVILLE, March 20, 1849.

I have examined the preparation of the prescription of JOHN BULL'S SARSAPARILLA, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use. M. PYLES, M. D., Resident Physician, Marine Hospital.

BULL'S SARSAPARILLA.—Go where you will, to steamboats bound for Nashville, New Orleans, St. Louis, Cincinnati, Madison, Frankfort, or for the Green River country, and you will find immense supplies of this preparation about being shipped on board.

But few merchants visit our city, in whatever branch of trade soever they may be engaged, but have orders for more or less of Bull's Sarsaparilla. — *Louisville Democrat.*
