SHIRLEYSBURG FEMALE SEMINARY AND JUNIATA ACADEMY.

THE Summer Session of these Institutions commences on WEDNESDAY THE 4TH DAY OF MAY, and continues five months. A fund of $1500 has been procured, to be applied to the purchase of a superior philosophical apparatus and a standard library. With these facilities for instruction, the Principals and Trustees of these Institutions offer to all, and especially to those seeking to qualify themselves for teaching, advantages equal to those enjoyed by the academical student in our colleges.
These Institutions are in the same village, though entirely separate, and some distance apart, thus affording to parents the opportunity of sending their sons and daughters together. Believing that the same principles sought to be carried out in our common school system, should, and will eventually, extend to the highest branches of a liberal education, the Principals and Trustees view what they have done only as the nucleus of further and more extended efforts, which, as they proceed, will enable them to afford to all classes, a liberal course of education, at an expense more commensurate with the limited means of a large number of the youth of our State, who are engaged in the praise-worthy endeavor to obtain an education. And with this expectation, they commend their Institutions to the patronage and kind assistance of all friends of a sound, liberal and general education.

WORLD'S FAIR PREMIUM SAFES.
More Proof of their Superiority.
The Late Fire in Jersey City.

Mr. Silas C. Herring—Sir: It gives us much pleasure to state that a Safe of your make was the means of preserving our books and valuable papers, together with a lot of Silver Spoons, Forks, &c., from destruction by the fire that occurred in our store on the night of the 27th ult., at No. 46 Montgomery st. The fire commenced near the Safe, which, owing to its situation on a wall, did not fall into the cellar, but was exposed to the full heat of the fire from its commencement, and when taken from the ruins had all the brass plates and knobs completely melted off.
Yours, R. B. EARLE & CO.
Jersey City, Feb. 3, 1853.

Great Fire in Strawberry st.—Letter from Lewis & Co.-Phila., March 29, 1852.

Mr. John Farrel—Sir: It affords me much satisfaction to inform you that the "Herring Salamander Safe" which we purchased of you a short time since, preserved our books and papers in good condition, during the severe ordeal through which it passed at the disastrous conflagration that took place at our warehouse on the morning of the 28th inst, when the safe was exposed to the most intense heat for some hours, and when dragged from the flames was red hot on several sides. We make this statement by way of bearing testimony to the worth of these valuable Fire Proofs. Very respectfully, LEWIS & Co.
The Proprietor of the *genuine* "Herring Salamander Safes," challenges the whole world, in the sum of *One Thousand Dollars*, to produce their equal. Awarded the *Prize Medal* at the World's Fair, London, and the GOLD MEDAL by the American Institute. Over 8000 of these safes have been sold and are now in use, and more than 100 have passed triumphantly through accidental fires.
Second-hand Safes and "Salamanders" of other makers, having been taken in part pay for "Herring's," for sale at cheap rates.
JOHN FARREL,
34 Walnut St., Philadelphia.
☞ *Marbleized Iron Mantles, Table Tops, &c.,* from the Works of the celebrated "SALAMANDER MARBLE CO." on hand in great variety.

Birmingham Female Seminary.

The liberal patronage which this School has received in the past, encourages the proprietor and friends of female education, to expect by proper exertion to make it both a premanent and important Institution; and no pains will by spared to sustain its growing reputation.
Among other considerations which inspire hope as to its future sucess, the location is not unimportant. Three years actual experiment has developed a more philosophical, if not a truer reason for the existance of Birmingham than many which have been assigned—that it is the situation for a Female Seminary, surrounded as it is by most romantic scenery—retired—healthful—easy of access and in itself a place where one might almost grow wise in the study of Nature alone unmocked by the works of Art.
The school year is divided into two Sessions of twenty-two weeks each; the summer term commencing the last Tuesday in April, the winter term the last Tuesday in October.
Charges to date from time of entering, and no deductions made for absence except in case of sickness.
Tuition $4,00 and $5.00 per quarter—boarding $1,50 per week. Music, Latin, French, Drawing &c., extra.
