The Daily Morning Post.

PITTSBURGH, PA.

MONDAY MORNING, SEPTEMBER 16.

☞ The communication of a "Washingtonian" has been crowded out; but will appear to-morrow.

☞ September 14th, 1844, on motion of Wilson M'Candless, Esq, Orville Haviland Brown, was duly admitted, as an Attorney and Counsellor at Law, in the District Court for Allegheny County.

BUNTING.—Dealers in bunting must not calculate on selling much of the article to whigs hereafter.—Since the Maine election they think that Flags are great nuisances.

DEMOCRATIC FLAGS.—Democrats who wish to procure Polk, Dallas and Shunk Flags, can be supplied at the store of Messrs M'CONNELL & Co., corner of Market and Fifth streets.

☞ T. H. UMBSTEATTER, of New Lisbon, Ohio, will address the Germans at the Convention on Thursday.

ARREST OF COUNTERFEITERS—RECOVERY OF PLATES, COUNTERFEITS, &C.

It will be seen by the following from the Philadelphia Chronicle of Wednesday, that the police have made a highly important arrest of supposed counterfeiters and recovery of plates, &c.

Early in the year 1843, a new and dangerous counterfeit ten dollar note, on the Western Bank of this city, was put into circulation, but by the prompt action of his honor, the Mayor, and his officers, a number of arrests were made, and a stop to this issue. Both before and since that period, a number of well executed counterfeits have appeared, apparently from the burin of the same engraver, viz:—the 1's Salem Banking Company—5's Wilmington and Brandywine—5's Western Bank, of Baltimore—20's Mechanic's Bank, Baltimore—5's Miners' Bank of Pottsville, and a $3 Baltimore and Ohio Railroad Certificate. These counterfeit plates, through the energy and indefatigable exertions of Lt. James Young, of the police, have all been recovered, and are now in the Mayor's possession, together with the counterfeit plates on the following banks:—a $10 and a $20 Merchant's Exchange Bank, New York; $5 Princeton Bank, N. York; $5 Hartford Bank, Connecticut; $10 Seneca county Bank, N. Y.; $5 Dutchess county Bank, N. Y; $10 Bank of Newburgh, N. York; $20 Union Bank, N York; $2 Otsego county, N. Y.; $20 Farmers' Bank, Maryland, and $500 and $100 Mechanics' Bank, N. Y. It has all along been very desirable to get at the engraver who had the ability and the daring to execute the plates first mentioned. Happily for the furtherance of the ends of justice and the public good, his whereabouts was at least ascertained. Lt. James Young, accompanied by officers Blakley, Wm. Young and Woodruff, proceeded to Manheim, in Germantown, on Monday night, and arrested George White, an engraver, and Jas. Welsh, at White's residence. They there found all the implements for executing the work in question, a printing press, a quantity of bank note paper, and plates of the following Banks ready for use, viz: $5 Mechanics' Bank of Burlington, N J; $10 Bank of Chester county; $1 and $100 Boston Bank, not quite finished. This plate, on the entrance of the officers, was thrown into the stove pipe hole of the upper story, and the sound of it, as it descended indicated to the officers its whereabouts. After some hard labor, with hammer and pick, they succeeded in recovering it at a late hour of the night. Thus, through the tact and perseverance of Mr Young, has the fountain head been at last successfully reached. White and Welsh were taken before Mayor Scott, on Monday night and, committed to the County Prison, for a further hearing.

SPLENDID PRIZE BANNER!

We announced in yesterday's paper, that the patriotic democratic Ladies were determined not to be outdone by their fair whig competitors, and had made arrangements to present a Splendid Banner to the delegation of any ward or township having the largest number of Workingmen in the procession of the 19th.

They will also present a magnificent Flag to that county which shall send the largest delegation to the Convention Both the Flag and Banner will be of the most magnificent kind, superior to any that has ever been seen in this county. The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment: suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three, and sometimes four shipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers of goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

For the transportation of Merchandize to and from PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c.

Splendid Paintings for Sale.

A PORTRAIT of the Hon. JAMES ROSS, and one of the Hon. WILLIAM WILKINS, painted by that favorite and distinguished artist, the late JAMES BOWMAN, Esq., are offered for sale.

These pictures are not only valuable as being perfect likenesses of the gentlemen for whom they were taken, but possess surpassing merit, as specimens of art—they have been pronounced by connoiseurs to be splendid paintings, and among the most successful works of the eminent painter from whose hand they come.

They may be seen at the Looking Glass Store of W. C. WALL, in Fourth street, between Wood and Market.

Attention is especially invited to these portraits, as no other opportunity will, perhaps, ever occur to obtain portraits from the pencil of the gifted BOWMAN, at a price so cheap as these are offered.
