The Daily Morning Post.

PITTSBURGH, PA.

WEDNESDAY MORNING, JANUARY 15, 1845.

COMMERCIAL.

MIAMI CANAL.

All the flour and whiskey that was brought in yesterday found ready sale—the former at $3,62½ and the latter at 23½ cents.

The receipts during yesterday and the day before are 591 bbls pork, 22.500 lbs lard, 1324 bbls flour, 875 do whiskey, 4 do. lard oil, 72 do cloverseed, 2758 lbs sundries, 2800 do cotton yarns, 100 do tallow and 1 bbl timothy seed. *Cin. Enq., Jan. 11.*

RIVER INTELLIGENCE.

As we expected, our river is rising rapidly, and we should judge from the quantity of driftwood running that the rise comes from the tributaries but a short distance above. There is now an excellent stage of water.—*B.*

ST. LOUIS, Jan. 6.

We have nothing especially new to notice in our remarks for the week. Business continues dull, and the receipts of produce have been inconsiderable.—Navigation, for some distance above this point, is unobstructed by ice. The gorge below, at Tower Island, has given way, and the only restraint to free navigation experienced, is the low stage of the water. Hogs command from $2 75 to $3 per 100 lbs. Flour, country brands, we quote at $3 62½a3 87½. Wheat at 60a65c. for prime, interior at 45a55c. per bushel. Corn is selling at 28a29c. without sack. We have no other alteration in rates of sufficient importance to record.

NASHVILLE, Jan 7.

The river is rising slowly with about three feet water on the shoals. It will require more rain to admit large boats to Nashville. Exchange as last quoted. Alabama money steady at 5 disc't. The Union Bank of Tennessee has declared a dividend of 2 per cent. We understand the Planters' Bank has resolved upon a similar dividend.

To Capitalists.

WANTED to borrow for 3 4 or 5 years, $200, $600, $2000, $4000, $6000 and several smaller sums, for which a fair interest and a good bonus will be given, and the best security by bond and mortgage. Please apply at ISAAC HARRIS'S General Agency and Intelligence Office, No 9, 5th street.

Worm Medicines must stand back.

PUBLIC attention is asked to the following Certificates in favor of Sellers' Vermifuge.

WARRENTON, Jefferson co, O., Nov 5, 1844.

I do hereby certify that I gave a vial of Mr R E Sellers' Vermifuge to two of my children, and after following the given direction it expelled two hundred very large worms or more.
JACOB SHAFFER.

WARRENTON, Jeff Co., O., Nov 25, 1844.

Mr R E Sellers—This is to certify that I purchased of Thomas Shannon, Esq, one bottle of your celebrated Vermifuge, and gave it to my little son, who was then five years old, which took from him one hundred and eighty-six worms of a very large size. I believe your Vermifuge to be the best worm medicine for children that the world ever produced. I would therefore call upon all parents who have children afflicted with worms to give it one trial.
JOSEPH McCLEARY,
Justice of the Peace.

WARRENTON, Jeff. Co., O., Nov. 26, 1844.

We, the subscribers, do certify that we are acquainted with the effects of R E Sellers' valuable medicines since its introduction into our place, and have used some of it ourselves, and that its success is in our opinion equal to that certified above, and that it is uncomparably superior to any other worm medicine we have ever seen or heard of

Office of the Allegheny County Mutual Insurance Company,
No 12 Exchange Buildings, Pittsburgh, Pa.
1ST JANUARY, 1845.
HALF-YEARLY REPORT.

THE Directors of this Institution congratulate the members on its success so far no loss having yet been sustained. The number of Policies now issued is 310; insuring property to the amount of $730,387 00, and increasing its capital for the payment of losses to $43,671 64.

The daily addition of members and increase of capital, and its mutual advantages to all owners of property, assure the Directors in recommending the Institution as a SAFE and CHEAP mode of insurance—the ability of the Company being amply sufficient to meet all losses that can reasonably be expected. The earliest members of the Company could now bear an assessment of 10 per cent. on their premium notes, without incurring a heavier expense than to have insured in a Stock Company.

Applications for Insurance made at the Office, or to one of the Directors, or to their Agents, will be promptly attended to L WITMARTH, Pres't.

JOHN HERDMAN'S
Old Established Emigrant Passage Office,
61 SOUTH STREET.

The subscriber, in calling the attention of his friends and the public to his unequalled arrangements for bringing out persons from Great Britain and Ireland, who may be sent for by their friends, begs to state that in consequence of the great increase of this branch of his business, and in order to preclude all unnecessary delay of the emigrant, has at great expense, in addition to his regular agents in Liverpool, appointed Mr Thos H Dicky, who had been a faithful clerk in the establishment for the last eight years, to proceed to Liverpool and remain there during the emigration season, to superintend the embarkation of all passengers engaged here. The Ships employed in this line are well known to be only of the first class and very fast-sailing, commanded by kind and experienced men, and as they sail from Liverpool every five days, reliance may be placed that passengers will receive every attention and be promptly despatched. With such superior arrangements, the subscriber looks forward for a continuation of that patronage which has been so literally extended to him for so many years past, and should any of those sent for decline coming, the passage money will, as usual, be refunded, and passage from the different ports of Ireland and Scotland can be secured if desired.

For further particulars, apply to
