PITTSBURGH, PA.

SATURDAY MORNING, MARCH 29, 1845.

PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR MARCH.

N. B. Craig, J. F. Kelly, A. Wylie, Jr.

☞ Those of our subscribers who change their residence on the 1st of April will please leave word at the office.

SPLENDID GOODS.—We would refer the public to Mr A Morris's advertisement of New Goods, published in this mornings paper. He has a splendid stock, which he offers to sell at very reasonable prices.

THE ETHIOPIAN MINSTRELS have drawn crowded houses for the last evenings. To-night they give another, and we believe the last of their Concerts.

☞ They have a paper published in Boston called the *Hangman*. It takes strong ground against capital punishment.

☞ The Cincinnati Times wastes a whole column in puffing *Professor* Bronson, the man with the Manikin. Humbugs must be attractive in the Queen city.

☞ *An Artificial Arm* has been made by Van Peterson, a Dutch sculptor, which is a perfect triumph of art. The committee of the French Academy, have seen the invention upon five mutilated individuals, and among others upon an invalid, who has been deprived of both arms ever since the wars of the empire, and who, by the aid of two artificial arms, took with his hands a full glass, carried it to his mouth, drank from it without spilling a drop, and then replacing the glass upon the table from which he had taken it. The same disabled man can pick up a pin, take hold of a sheet of paper, &c.

RELIGIOUS NOTICE.

Bible Christianity, the only protection against want.

The Rev E Smith will preach a course of sermons on the provision which christianity makes for this life, and that which is to come; commencing on next Sabbath at 10½ o'clock A M, in Temperance Hall, Smithfield st. He will undertake to show that christianity is the only remedy for the present increasing evils of society, arising from the unequal distribution of *wealth*. Come and hear! Friends of community come!! The subject will Be continued at 7 P M of the same day.

OFFICE OF THE

Allegheny Co. Mutual Insurance Company,

PITTSBURGH, MARCH 18, 1845.

FIRST ANNUAL REPORT.

THE fiscal year of this Institution ends on the third Tuesday of March, having been in operation about ten months. The Board of Directors for the past year, submit to the members the following report:

Commenced issuing policies 18th May, 1844,

No of Policies issued,		470
Amount of property insured.		$1,043,745 67
Am't of premium notes,	51,757 84

Cash rec'd 5 per ct. on Premium notes,	2609 38	
for Policies,	468 00	$3077 38
Refunded on Premium notes,		21 55
		$3,055 83

Paid Expenses.

Printing, advertising, books, stationary,	157 88	
Paid for labels,	72 62

Office furniture,	30 00	
		$1,225 31
Balance of cash in hands of Treasurer and agents whose accounts are settled quarterly,		$1,830 07

The success of the Company so far, is highly flattering. Those insuring houses of Brick or Stone have paid ½ of 1 per cent.—whereas, in a Stock Company they would have paid ¾ of 1 per cent.; on buildings of Wood and exposed, the cost of Insurance has been ¾ of 1 per cent, in a Stock Company, it would have been ¾ to 1 per cent. The manufacturer and property hazardous has paid ½ pr. ct., in a Stock Company would have been from 1¼ to 2 per cent.

The aggregate saving to the members of the Company has been at least $6000 in premiums for Insurance.

The ability of the company to pay all losses that can reasonably be expected, is no longer problematical, and while the capital of Stock Companies remains stationary, the capital of this company increases in proportion to its liabilities. In a company of this kind, which is mutually to pay each other's losses by fire, and at such trifling expense to each individual, the directors feel confident that owners of property will no longer leave themselves without Insurance, but unite in giving their support to an Institution for mutual benefit.

PRESIDENT—B. W. RICHARDS.

ACTUARY AND TREASURER—JOHN F. JAMES.

THIS COMPANY effects insurance on lives, either during the life of the applicant, for a specified period. It also grants annuities and endowments, and is further empowered to receive funds on interest and to execute Trusts and manage Estates, either from individuals, Courts of Justice or Corporations for the true and faithful performance of which the whole capital is pledged. Premiums of Insurance are very low and every facility is offered for affecting the same, and every policy of Insurance for life is entitled to a Bonus of the profits at stated periods thereby, combining the advantages of a Mutual Insurance, with the security of a permanent Capital.

As the public attention has not been much directed to the subject of Life Insurance in this city, the following instances taken from the records of the Company will show its beneficial operation.

Policy No. 485.—A man who had insured his life paid his premiums for 3 years, amounting to $41 80, when he died, and his wife and family received from the Company $1000.
