VERY IMPORTANT INFORMATION,

DR. JOHNS, one of the most celebrated Physicians in New York, writes as follows:—

DR. CURTIS—*Dear sir*:—Having witnessed the excellent effects of your HYGEANA OR INHALING HYGEAN VAPOR AND CHERRY SYRUP, in a case of chronic Bronchitis, and being much in favor of counter-iritation in affections of the throat, bronchial tubes and lungs, I can therefore cheerfully recommended your Medicated apparatus as being the most convenient and effectual mode of applying anything of the kind I have ever seen. No doubt thousands of persons may be relieved, and many cured by using your remedies.

You are at liberty to use this in any way you may think proper.

Respectfully, yours, &c.
C. JOHNS, M. D.,
No. 609 Houston St., New York.

Prof. S Center writes us as follows:—

GENTLEMEN,—I have recently had occasion to test your Cherry Syrup and Hygean Vapor in a case of *chronic sore throat*, that had refused to yield to other forms of treatment, and the result has satisfied me, that whatever may be the composition of your preparation, it is no imposition, but an excellent remedy. I wish for the sake of the afflicted that it might be brought within the reach of all.

REV. DOCTOR CHEEVER writes:—

New-York nov. 15, 1854.

DEAR SIR:—I think highly of Dr. Curtis's Hygeana, as a remedy in diseases of the throat and lung. Having had some opportunity to test its efficacy. I am convinced that it is a most excellent medicine, both the Syrup and the inhaling application to the chest.

The HYGEANA is for sale by Thomas Read & son. See advertisement in another column headed. *Hygeanna*,

STARTLING, BUT TRUE!

WHAT EVERY WOMAN SHOULD KNOW.

How often it happens, that the wife lingers from year to year in that pitiable condition as not even for one day to feel the happy and exhilarating influence incident to the enjoyment of health.

THE BLOOMING BRIDE,

But a few years ago in the flush of health and youth, and buoyancy of spirits, rapidly, and apparently inexplicably, becomes a feeble, sickly, sallow, debilitated wife, with frame emaciated, nerves unstrung, spirits depressed, countenance bearing the impress of suffering, and an utter physical and mental prostration, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery, not only to the wife, but often

One Hundredth Edition, (500,000), 18*mo.*, *pp.* 250.

[ON FINE PAPER, EXTRA BINDING, $1.00.]

A standard work of established reputation, found classed in the catalogues of the great trade sales in New York, Philadelphia, and other cities, and sold by the principal booksellers in the United States. It was first published in 1847, since which time

FIVE HUNDRED THOUSAND COPIES

have been sold, of which there were upwards of

ONE HUNDRED THOUSAND SENT BY MAIL,

attesting the high estimation in which it is held as a reliable popular Medical

BOOK FOR EVERY FEMALE

the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character, causes of, and the proper remedies for, her complaints.

The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to which her sensitiveness forbids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described.

How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. Many suffering from *prolapsus uteri* (falling of the womb), or from *fluor albus* (weakness, debility, &c.) Many are in constant agony for many months preceding confinement Many have difficult if not dangerous deliveries, and slow and uncertain recoveries. Some whose lives are hazarded during such time, will each find in its pages the means of prevention, amelioration and relief.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married or those contemplating marriage.

Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in learning what causes interfere with their health and happiness not less than your own. It will avoid to you and yours, as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance, medicines and advertised nostrums which otherwise would provide for declining years, the infirmities of age and the proper education of your children.

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitious infringements of copyright, and other devices and deceptions, it has been found necessary, therefore, to

CAUTION THE PUBLIC

MATCHES! MATCHES!! MATCHES!!!

JOHN DONNELLY,

MANUFACTURER AND INVENTOR OF
SAFETY PATENT SQUARE UPRIGHT WOOD BOX MATCHES.
No. 106 North FOURTH Street (above Race,)
PHILADELPHIA.

MATCHES having become an indispensable article in housekeeping, the subscriber after a great *sacrifice* of time and money is enabled to offer to the Public an article at once combining *Utility and Cheapness.* The inventor knowing the dangers apprehended on account of the flimsey manner in which Matches are generally packed in paper, has by the aid of New Steam Machinery of his own invention, succeeded in getting up a SAFETY PATENT SQUARE UPRIGHT *wood* Box; this box is far preferable, inasmuch that it occupies no more room than the old round wood box, and contains at least TWO HUNDRED per cent. more Matches, which to Shippers is considerable advantage; it is entirely new, and secure against Moisture and spontaneous combustion, and dispels all danger on transpoatation by means of Railroad, Steamboat or any other mode of conveyance.

These Matches are packed so that one gross or more may be shipped to any part of the world with perfect safety. They are the most desirable article for Home consumption, and the Southern and Western Markets that have ever been invented.

DEALERS and SHIPPERS, will do well to call and examine for themselves.

These Matches are WARRANTED to be superior to anything heretofore offered to the Public.
