PITTSBURGH, PA.

WEDNESDAY MORNING, MAY 28, 1845.

PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR MAY.

F. Lorenz, J. May, Geo. Ogden.

MR NOBLE, Upholsterer whose establishment was totally destroyed by the fire, has rebuilt a fine brick shop on Front street, and is again in successful operation. The public will learn from his advertisement that he is now prepared to fill all orders in his line with his usual despatch.

THEATRE.—This establishment is still doing a very fine business, and every night the company appear to grow in favor with the audience. The managers have been very successful in presenting a succession of popular pieces, and we have no doubt but that so long as they continue this judicious course, they will always play to crowded houses. A highly interesting bill is up for to-night.

CAUTION TO STEAMBOATS.—The Captains of the Lynx and La Clede were both fined lately, by the Recorder of St Louis, for landing at points on the river other than those designated by the harbor master.

J. FENIMORE COOPER is down upon Weed of the Albany Journal with another libel suit. Mr Cooper might work up his numerous suits against editors into a very interesting novel.

MASONIC NOTICE.

A regular communication of Lodge 45, A Y Masons, will be held this evening, at the house of S. M'Kinley, in Allegheny city, end of the Hand st. bridge.

By order of the Worshipful Master.

A. M'CAMMON, Secretary.

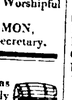
Coopering.



THE subscriber, whose establishment was destroyed by the fire, would respectfully inform his friends and the public, that he has rebuilt his shop, at the corner of Third and Ross sts., where he is prepared to attend to all orders in his line with the greatest despatch, and on the most reasonable terms. He respectfully solicits a return of the patronage extended to him before his business was interrupted by the fire, and he pledges himself to use every effort to render satisfaction to all who may favor him with their orders.

Vault Doors! Vault Doors!!

CONSTABLE, BURKE & CO.,

(Front st. between Wood and Smithfield.)

HAVING again got their shop re-built, and are preparing to make Vault Doors at short notice and of a superior workmanship. We would take the liberty to state that the Vaults of our manufacture that were in the late fire saved their contents in perfect order.

Further, we are prepared to put on YALE'S PATENT Locks, which are equal to anything in America, if not superior, for the following reasons: They cannot be picked; they cannot be blown up with gun-powder; there cannot be false keys made to open the lock; they are cheaper; they are much more durable; their keys are more convenient; they will not go out of order; in short, they cannot be opened by any burglar under the most favorable circumstances. We would further state, that we are authorised to pay any one $100 who will open the lock without the key.

P. S. Two superior BANK Locks, together with various descriptions of Locks on hand.

STEAMBOAT LAKE ERIE,

It will appear manifest upon examination, that the owners of the steamers Michigan and Wisconsin, are determined to drive from the trade the Steamboat Lake Erie; their course has been and now continues in full vigor to monopolize the whole business; they were not satisfied with having the lion's share of trade and choice of hours in leaving Pittsburgh and Beaver, but now publicly and plainly say they will drive the Lake Erie from the river—a generous public will decide.—Freights and passengers for all ports on River and Lake, carried on reasonable terms as heretofore.
