PHILADELPHIA ADVERTISEMENTS.

$1 000—SOLD IN TWO DAYS!—*Triumph Complete!!*—Why is it that the Ex-Governor of Maryland, also the President of one of the Banks at Frederick City, urged the Doctor there to procure it? Why has a large cash order this week come from such men as Messrs. Peel & Stevens, wholesale Druggists of Alexandria, Va., and by the very next mail, an order, (the third time in four weeks) from Mr. Pierpont, and from Messrs. Cook & Co., of same place, and by the very same mail a fourth order from Messers. Hooper & Wimmer of Centreville, Md., (where a short time since such an excitement sprung up from some remarkable cures made there by Prof. C. DeGrath's (genuine) Electric Oil, from 39 South Eighth Street, Philadelphia, a few doors south of Chesnut street? How is it that the editor of Erie Observer, was cured in two days of rheumatism in his back of three years' duration; and Mr. Brady, of Harrisburg of Paralysis? Why and how was it that the other day Mr George Weis, 227 Eager street Baltimore, two doors from St. James' church, was cured of palsied hands of long standing; also the late case of a lady in Philadelphia, cured of spinal curvature, and another of Prolapsus Uteri, a complete radical cure? Ask them. Why do such men as Messrs. G. N. & W. H. Williams, wholesale Druggists, of Syracuse N. Y., write, August 20th, that—"Your Electric Oil proves more beneficial than any other preparations we have ever heard of." &c.

Yours, G. N. & W. H. WILLIAMS.

Why has Joseph Osborn, Esq., of Auburn, written, now the third time that "Prof. DeGrath's Electric Oil is selling very fast, and making great cures never before accomplished here?" Why did John Rax, Esq., send, the 21 inst., a gold dollar in a letter from Double Bridges, Va., for a bottle, on the recommendation of Wm. Arvin, Esq., of the same place who got some a short time since for the Gout, and was cured? Why is it that every one speaks of it as "a wonderful curative," and is the not the real cause of more selling at retail, in Philadelphia alone, than is sold of Dr. Jayne's medicines, or five of any others? Why is it that a Physician of large practice used it on the paralyzed limbs of his boy, after using everything else? Simply because the genuine "Electric Oil," from the office of Prof. DeGrath, effectually cures paralysis. Why and how is it that over $500 has been sold in Washington, D. C., over $200 in about six weeks, and over $1000 worth in Baltimore in the same time? Why do Messrs Morris & Co., of York, Pa., (one of the finest Drug houses in the State,) and John Wyeth, Esq., of Harrisburg, Pa., sell so much, when they have any quantity of all sorts of other medicines right by the side of the "Electric Oil?" Simply because nothing else will answer the purpose that the Oil does. Let the skeptical ask the numerous cases of almost hopeless patients, if anything could be more agreeable in use, or more effectual in its results—some of them having expended hundreds of dollars on various forms of treatment, with nothing but discouragement and despair for their trouble. Why is it that other medicines have advertisements piled up column high, in all the papers while Professor De Grath's "Electric Oil" is only noticed at a single expense not to exceed $15 to $20 a day? Why is it that two physicians are daily employed in the office, applying the (genuine) "Electric Oil" to patients affected with Tetter, Tulay (and it is warranted for this),—Rheumatism, Neuralgia, Headache, Old Sores and Bruises, Wounds, Cuts, Sprains and Injuries, Sore Breast and side; also all kinds of painful complaints. Although a cure is warranted, yet not more than one bottle has ever been returned; and that was a case of total deafness, of 15 years' standing. Of course nature could not restore such a case, with whatever help.

MEDICAL ADVERTISEMENTS.

BALTIMORE LOCK HOSPITAL.

Where may be obtained the most speedy remedy for

SECRET DISEASES.—Gleets Strictures, Seminal Weakness, Pain in the Loins, Affections of the Kidneys, and all those peculiar affections arising from a secret habit, particularly the youth of both sexes, which if not cured, produces constitutional debility, rendering marriage impossible, and in the end destroys both Mind and Body.

Young Men,

especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

Married Persons,

or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

Dr. Johnston,

office No. 7 South Fredrick St., seven doors from Baltimore Street, east side up the steps. ☞ Be particular in obtaining the name and number, or you will mistake the place.

A cure warranted, or no charge made, in from one to two days.

TAKE NOTICE.—Dr. Johnston's office is in his dwelling, up the steps. His very extensive practice is a sufficient guarantee, that he is the only proper physician to apply to.

Dr. Johnston, member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris Philadelphia, and elsewhere, has relieved some of the most astonishing cures that were ever known, many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and blushfulness, with frequent blushing attended sometimes with derangement of mind, were cured immediately.

A CERTAIN DISEASE.—It is a melancholy fact that thousands fall victims to this horrid disease owing to the unskillfulness of ignorant pretenders who by the use of that deadly poison Mercury, ruin the Constitution, causing the most serious symptoms of that dreadful disease to make their appearance, such as affections of the head, nose, throat, skin, etc., progressing with frightful rapidity till death puts a period to their dreadful suffering, by sending them to that Bourne whence no traveler returns.

TAKE PARTICULAR NOTICE.—Young men who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body.

What a pity that a young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments of life by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons before contemplating Marriage, should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection, that the happiness of another becomes blighted with our own.

CONSTITUTIONAL DEBILITY.—Dr. J. addresses young men, and all who have injured themselves by private and improper indulgence.

INTERSTANA.—These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular power, Palpitation of the Heart Dyspepsia, Nervous Irritability, Derangements of the Digestive Functions, General Debility Symptoms of Consumption, &c.

MENTALLY—The fearful effects on the mind are much to be dreaded; Loss of memory, Confusion of ideas, Depression of Spirit, Evil Forbodings; Aversion to Society, Self Distrust, Love of Solitude, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale and emaciated, have singular appearance about the eyes, tough and symptoms of consumption.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J. and be restored to perfect health. Office, No. 7, South Frederick-St., Baltimore, Md.

ALL SURGICAL OPERATIONS PERFORMED.—N. B. Let no false delicacy prevent you, but apply immediately either personally or by letter.

Skin Diseases Speedily Cured.

TO STRANGERS.—The many thousands cured at this Institution within the last ten years, and the numerous important Surgical Operations performed by Dr. J., witnessed by the Reporters of the papers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee that the afflicted will find a skillful and honorable physician.

As there are so many ignorant and worthless quacks advertising themselves as Physicians, ruining the health of the afflicted Dr. Johnston would say to those unacquainted with his reputation that his Credentials or Diplomas always hang in his office.

Weakness of the organs immediately cured, and full vigor restored

☞ All letters post paid—remedies sent by mail.

MEDICAL ADVERTISEMENTS.

GREATEST MEDICAL DISCOVERY OF THE AGE.

Dr. Kennedy, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR,

the worst scrofula down to a common pimple.

He has tried it in over 1100 cases, and never failed except in two cases, (both thought humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of Pimples on the face.

Two or three bottles will clear the system of Biles.

Two bottles are warranted to cure the worst case of Erysipelas.

One to two bottles are warranted to cure all humor in the Eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I knew the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery. I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. Oh, what a mercy if it will prove effectual in all cases of that dreadful malady—there are but few who have more of it than I have.

I know of several cases of Dropsy, all of whom aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you can get and enough of it.

DIRECTIONS FOR USE.—Adults one table spoonful per day—Children over ten years dessert spoonfull—Children from five to eight years teaspoonfull. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

RHODES'S FEVER AND AGUE CURE,

For the prevention and Cure of Intermittent and Remittent Fevers, Fever and Ague, Chills and Fever, Dumb Ague, General Debility Night Sweats, and all other forms of disease which have a common origin in Materia or Miasma.

This is a natural antidote which will entirely protect any resident or traveller even in the most sickly or swampy localities, from any Ague or Bilious disease whatever, or any injury from constantly inhaling Malaria or Miasma.

It will instantly check the Ague in persons who have suffered for any length of time, from one day to twenty years, so that they need never to have another chill, by continuing in use according to directions. The patient at once begins to recover appetite and strength, and continues until a permanent and radical cure is effected.

One or two bottles will answer for ordinary cases; some may require more. Directions printed German, French and Spanish, accompany each bottle. Price one dollar. Liberal discounts made to the trade.

EVIDENCE OF SAFETY.

New York, June 11, 1855.

"I have made a chemical examination of "Rhode's Fever and Ague Cure," or Antidote to Malaria, and have tested it for Arsenic, Mercury, Quinine, and Strychnine, but have not found a particle of either in it, nor have I found any substance in its composition that would prove injurious to the constitution.

JAMES R. CHILTON, M. D. Chemist.'

EVIDENCE OF MERIT.

Lewisburg, Union Co., Pa., May 2, 1855.

Mr. J. A. Rhodes—Dear Sir: The box of medicine you sent me was duly received on the 11th of April. I have sold about one half of it, and so far the people who have used it, and six of the cases were of long standing; my sister, who had it for five or six years back, and could never get it stopped, except by Quinine, and that only as long as she would take, is now, I think, entirely cured by your remedy.

C. R. McGINGLY."

CAUTION TO AGUE SUFFERERS.

Take no more Arsenic, Tonics, Mercury, Quinine, Febrifuges, Strychnine, or Anti-Periodics, of any kind. The well-known inefficiency of these noxious poisons proves them to be the offspring of false medical principles, or of mercenary quacks. The only remedy in existence that is both sure and harmless is

RHODES' FEVER AND AGUE CURE.

AGENTS.—In Huntingdon, Thomas Read & Son, and for sale by dealers generally.
