WEDNESDAY MORNING. SEPTEMBER 2.

PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR SEPTEMBER.

W. H. Denny. J. F. Kelly. Josiah King.

CORRESPONDENTS.

In reference to communications which may appear in this paper, we have one or two remarks to make.—We will insert none without the name of the author being first made known to us, and when inserted, must always be taken as expressive of the views *of the writer*, and not the editor of this paper, unless the views so expressed are editorially remarked upon and approved.

ANOTHER TERRIBLE EXPLOSION IN ALLEGHENY CITY.—About one o'clock yesterday afternoon, the boiler used at the Steam Planing Machine, on the bank of the canal, between the Hand Street Bridge and the Aqueduct, in Allegheny city, exploded, doing much injury to the machinery and the building. The machinery, we learn is entirely ruined—one side of the building was blown clear over the canal—a part of the boiler passed through a pile of boards adjoining the building, and lodged in Mrs Ward's beadroom, a considerable distance from where the explosion took place. The Engineer was slightly injured—no other person hurt.

MICHIGAN.—The Democracy of Michigan, assembled in Convention at Jackson, on Wednesday the 27th ult, and nominated the Hon ALPHEUS FELCH, for Governor, and WILLIAM L GREENLY, for Lieutenant Governor. The Detroit Free Press, speaks of the candidates in the most decided terms of commendation.

THEATRE.—The Theatre opens to-night with the popular and pleasing play, the LADY OF LYONS. The Stock Company is far superior to any that has ever been here, and under the directions of the present excellent Managers, we expect to see things "done up" in good style. Friends of the Drama attend.

MR DISNET, the Negro Melodist, takes a benefit to-night, at the N O Orleans Circus. Lots of fun expected.

☞ There is a vine in Mr Morrell's garden at Ithica three hundred and onefeet long. There were 85 squashes upon it, and all the products of one seed, and one of this number weighed from 25 to 30 lbs.
