Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or tilcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S
Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this every where prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERUPTIVE and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, OR ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS AND BOILS, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "*impurity of the blood*" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC,

are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures and directions for their use in the following complaints: *Costiveness, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice*, and other kindred complaints, arising from a low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

THE LIVER
INVIGORATOR!
PREPARED BY DR. SANFORD.
Compounded entirely of Gums.

Is one of the best purgative and liver medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any ther medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operation of most Catharics. It stregthens the system at the same time that it purges it, and when taken daily in moderate doses, will strenghten and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body; and when it performs its functions well the powers of the system fully developed. The stomach is almost entirely dependent on the Liver for the proper performance of its functions. When the stomach is at fault and the whole system suffers in consequence of its derangements to which —the Liver— having for the diseases of proprietors has made notice of more than twenty years, to find some remedy wherewith to counteract the many which it is liable.

To prove that this remedy is at last discovered any person troubled with Liver Complaint in any of its forms, has but to try a bottle and conviction is certain.

These gums remove all morbid or bad matter from the system supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the cause of the disease, and effecting a radical cure.

One dose after cattaking is sufficient to relieve the stomach and prevent the food from rising and souring.

Bilious attacks are cured, and what is better, prevented, by the occasional use of the Liver Invigorator.

Only one dose taken before retire prevents Nightmare.

Only one dose taken at night loosens the bowels gently, and cures Costiveness.

One dose taken after each meal will cure Dyspepsia.

☞One dose of two teaspoonfuls will always remove Sick Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Cholic, while

One dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.

☞Only one bottle is needed to throw out of the system the effects of medicine taken after a long sickness.

☞One bottle taken for Jaundice removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.

One dose often repeated cures Chronic Diarrhœa in its worst forms, while Summer and Bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by Worms in Children; there is no surer or speedier remedy in the world, as it never fails.

☞A few bottles cures dropsy, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for Fever and Ague, Chill, Fever, and all Fevers of a Bilious Type. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor.

☞Mix water in the mouth with the Invigorator, and swallow both together.

The Liver Invigorator.

Is a scientific medical discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver complaint, from the worst jaundice or Dyspepsia to a common Headache, all of which are the result of a diseased Liver.

PRICE ONE DOLLAR PER BOTTLE.

HUNTINGDON WARM SPRINGS.

The Warm Springs at the base of Warrior'-Ridge, five miles north of Huntingdon, overlooking Standing Stone Creek, and environed by romantic hills and woodlands, have been leased by the former proprietor of the Leamer House. The extensive Hotel buildings, bath houses, &c., erected at great expence by General A P. Wilson, have been completed—and the groves have been beautifully laid out and adorned.—The Hotel parlors and chambers airy and comfortably furnished; and the prospect, from the verandals for beauty, cannot be excelled.

For half a century, these Springs have been celebrated for their medicinal qualities, and the great nature of the waters in rheumatic and chronic affections. The temperature of the water being 69½ degrees, renders the bathing delightful and invigorating. In the surrounding woods and mountains, game abounds, and the finest fish are caught in Stone Creek. Persons in pursuit of health or pleasure, will find this a most delightful and healthful retreat; and its nearness to the Pennsylvania Railroad, and the cheapness of the rates charged guests, give it a decided advantage over any other watering place in the State.

The Proprietor has had years of experience in the business and no pains or trouble will be spared to make guests comfortable.

Hacks run from Huntingdon to Warm Springs on the arrival of the different Railroad trains—fare 25 cents. Families accommodated at moerate terms. JOHN R. HERD,

STAGE LINE
FROM
Chambersburg to Mt, Union

The undersigned aware that a suspension of the line of Stages over the road between Chambersburg and Mt, Union, cannot be but disadvantageous to *a large* section of the country, has, at a considerable expense and trouble made arrangements to run a line of Stages Tri-weekly between the two points Good Horses and comfortable Stages have been placed on the route, and experienced and trusty drivers will superintend the running of the Coaches. The proprietor of the line is disirous that it be maintained, and he therefore calls upon the public generally to patronize it, confident that it will be for their mutual advantage. Every attention necessary will be given, and the running of the Stages will be regular.

☞ Stages leave Mt, Union, every Tuesday Thursday, and Saturday evenings, arriving at Chambersburg the next day at 2 o'clock. Returning, leave Chambersburg, the same night at 10 o'clock, arriving at Mt. Union be next evening in time for the cars. Between Mt, Union and Shade Gap the line will be daily.

☞ Fare through $3; to intermediate points in proportion. JOHN JAMISON.

THE HUNTINGDON
MILL.

THE undersigned owners of the Huntingdon Mill, inform farmers and the public generally, that they now have their new mill in running order, with all the modern improvements in the water wheels and machinery.

They have put in five of the Improved Jonval Turbine Water Wheels, and can grind in all stages of the water, and during the driest weather, any and all kinds of grain.

They are prepared to sell, and have on hand for sale at all times, at market rates, all kind of
FLOUR, FEED AND STUFFS,
and farmers can have their own grain ground, and take it back in a return load, or they can be furnished in exchange at a moment's notice an equal quantity of Flour and Bran or chopped feed.

THE SMUT MACHINE
is of an improved manufacture; and they will insure a FULL TURN OUT of superior quality to every bushel of *grain* left at their mill.
