PITTSBURGH, PA.

WEDNESDAY MORNING. OCTOBER 8, 1845.

PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR OCTOBER.

George Ogden, W. Barker W. J. Howard.

CORRESPONDENTS.

In reference to communications which may appear in this paper, we have one or two remarks to make.—We will insert none without the name of the author being first made known to us, and when inserted, must always be taken as expressive of the views *of the writer*, and not the editor of this paper, unless the views so expressed are editorially remarked upon and approved.

SUICIDE.—Mr. *Uriah Stewart*, of Franklin Township, Allegheny county, put an end to his existence on Saturday last, by cutting his throat with a razor. Mrs. Stewart was absent at church, at the time the deed was done.

THE OPERATIVES.—A meeting of the operatives and their friends was held in the old Court House, on Monday night, and resolutions passed in favor of continuing the "Strike," and calling upon the citizens to contribute funds to support such as are in need of aid.

☞ The New Hampshire, a well furnished and splendid steamer leaves for Cincinnati to-day at 3 P. M.—The Boat is in every respect comfortable, and the Captain a good and clever fellow.

MEETINGS IN THE WARDS.—Last night, meetings were held in most of the wards of the city, in favor of the Factory operatives. The meetings, we learn, were well attended, and a firm determination expressed, to stand by the girls. Committees were appointed to collect funds for the use of such as stand in need of aid. It was impossible for us to attend all the meetings, and, therefore, cannot be expected to give particulars.

☞ The Whig meeting in the Market Square last night, was a very slim affair. About one half as many persons were present, as usual attend the Native meetings, to hear Joe Barker.

THEATRE.—Miss Clifton made her first appearance last night to a large and fashionable audience. She is an interesting actress—she appears again to-night in Knowle's play of The Wife; she plays the beautiful character of Maryanne.

FIFTH WARD MEETING.

The citizens of the Fifth Ward, assembled at the School House in said ward, on Tuesday evening, the 7th inst. On motion, ANDREW SCOTT, was called to the chair, and H POWELL, appointed Secretary. Mr Gribben, offered the following resolution, which was unanimously adopted.

Resolved, That there be a committee of three appointed, to form a permanent society, to raise funds for the Factory Girls, whilst "on strike." The following persons were then appointed said committee, viz: Messrs Gribben, Hamilton and Heasey.

The committee made the following report. A M'Elwaine, President; Joseph Irwin, Treasurer; H Powell, Secretary.

On motion, it was resolved, that block committees be appointed to raise funds

The following gentlemen was then appointed said committee:

BLOCK COMMITTEES.

1st—W Young, A G Gribben.

Baltimore Clipper, Oct 6.

A FORTNIGHT LATER FROM THE RIVER PLATE.

Blockade of the Ports of Uruguay Republic by the English and French.—By the ship Courier, Captain Wolf, which left Rio Augusta on the 26th, and arrived at New York on Friday, the Honorable Alexander H. Everett, and lady have returned. Mr Everett left New York last June in the Columbus, Com. Biddle, for Macao; but was compelled by ill health to abandon his mission and return. We are very happy to learn that his health was much improved by the voyage home. Also came passenger in the Courier, Amory Edwards, Esq., late American Consul to Buenos Ayres.

By this arrival the Journal of Commerce received advices from Buenos Ayres to August 11th, and from Monte Video to the 15th. It will be seen that all the ports of the republic of Uruguay have been declared by the British and French Ministers in a state of blockade, except Monte Video. The Buenos Ayres British Packet of the 2d, states that notwithstanding this occurrence, and the seizure of the Buenos Ayres squadron, diplomatic relations were not yet entirely broken off. M. Mariel continuing to act as Charge'd Affairs of France, and Mr Ball in charge of the British Legation.

[Correspondence of the Journal of Commerce.]

MONTEVIDEO, Aug 15, 1845

I avail myself of the sailing of the packet with the mail for Rio de Janeiro to write you:

The English and French ministers plenipotentiary near the Argentine Government, arrived here on the 3d inst, in the morning, and the same afternoon the two squadrons in concert took possession of the Argentine Squadron—consisting of Admiral Brown—consisting of the ship 25th of May, of 26 guns, brig Belgrano, of 20 guns, brig Echague, 16 guns, schr Maipu, of 6 guns, and the schr Republicano, of 6 guns. Those of the officers and crew that wished, were landed here, but the principal part, including Adm Brown and his officers have sent on to Buenos Ayres in the French steamer Fulton, and the English steamer Firebrand, where they were landed on the 7th. The vessels have been manned by sailors from the English and French squadrons, and two of them are about to proceed to any ports that may wish to go to Paraguay by the river Parana, or up the river Paraguay.

These steps of actual hostilities against the Argentine Government have caused a great sensation here. Gen Oribe has possession of the entire country, and no force without cavalry can act against him. At the time of capturing the Argentine squadron, the two ministers notified the right blockade of the entire coast of the Republic of the Uruguay except this city, which stops our trade entirely. The principal trade has been in flour, of which they consume 3,500 bbls. monthly, and this blockade will cause us more than all the nations put together. We want with much anxiety to see what steps Mr Brent, our Charge at Buenos Ayres, will take, as well as Commodore Turner.

Ferry, Salt Works and Building Lots,

FOR SALE.

THE subscribers offer at private sale, all that valuable real estate situate in Lower St. Clair township, at the mouth of Saw Mill Run, on the Ohio River.

To suit the convenience of those desiring to make a profitable investment, they will sell separately,

THE SALT WORKS,

including a lot of about three acres of ground, lying on the Steubenville Turnpike Road. These works are in operation and good order, and from their location and proximity to the city, offer peculiar inducements to persons wishing to engage in that business. They will also sell separately,

THE FERRY,

including about an acre of land, with the exclusive privilege of landing on that side of the Ohio river. From the great and daily increase of trade across the Ohio river at this point, being the most direct road from the borough of Manchester and Allegheny City to the Southern side of the Ohio River, it will in a few years be equal to any ferry on the river.

LOTS,

fronting on the river and Steubenville road, suitable for building, will be sold separately or otherwise to suit purchasers.

For further particulars enquire of ROBERT ROBB, at the office of Robb & McConnell, over the Post Office. GEORGE OGDEN. aug.9-d2m ELIZABETH SNOWDEN.
