BY LAST NIGHT'S MAIL.

MEXICO.—We are obligingly favored, says the Washington Union of November 8, with translations of Mexican papers down to the 11th of October, just received at the departments. But we received them too late to insert them in this evening's paper. We should not suppose, from the accounts we have received, that the danger of war depends with Mexico; but that judging from the courteous reception she has given to our squadron at Vera Cruz, the hostile feeling is rather abated.

MICHIGAN.—About one half of the State has been heard from; Democratic majority 2120—it will be over three thousand. The whigs will have about a *dozen* in the House of Representatives—in the Senate *none.*

Whole number of Assemblymen, 128

Enough is known to show that the democrats will have a considerable majority in the assembly, as well as in the senate. The number of whigs will be somewhat greater than last year, but not equal to the whigs and natives together. The only member of the new legislature elected as a native is Mr Fulsom, of this city, elected last year to the senate.

Hunting county is reported to have elected the

From the N. Y. Journal of Commerce.

Lewis county 543 whig in all towns but two, which give 100 democrat.

Jefferson county, town of Wilna gives 300 whig; a gain of 340.

Oswego co probably democratic by 300 to 500.

Chenango, democratic by 500, except Storrs, (W.) elected to the assembly.

Cortland co. is reported whig by a small majority.

M'Carty (dem) is defeated for the assembly in Onondaga county.

One whig in doubt in Cayuga county.

Spencer (whig) has probably 2 000 majority for the senate in Oneida, Otsego, Jefferson, and Lewis. He is elected by over 1 000.

Nothing further from the 6th district.

The 7th senatorial district is probably democratic Wayne 150 on senate; Ontario under 700.

Great doubts about the 4th district. If Essex co. is but 100, as reported, Young (dem) is elected.
