Ague and Fever Cured for ONE DOLLAR.

NO CURE—NO PAY!

THE Subscribers have been induced, at the solicitation of a number of friends to introduce to the afflicted their Specific for Fever and Ague. They have tried it with unparalleled success—in no instance without effecting a perfect cure; and many who have been under the hands of skilful physicians for months. It is purely vegetable, and has gained great reputation under the practice of a brother of one of the proprietors in the State of Missouri. We warrant it in all cases when the directions are carefully observed, and ask no pay if it fails.

Many certificates are in our possession and some of them can be seen at the stores of our agents: enough to satisfy any one of the efficacy of our medicine. It not only cures the most cases of intermittant, but acts as a tonic on all debilitated frames. Being perfectly innocent, we can with confidence ask a trial.

DR. CULLEN'S

INDIAN VEGETABLE PANACEA.

PERSONS afflicted with Scrofula, Kings Evil, Cancer, Erysipelas, Old Sores, Ulcers, Tetter, Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine. READ! READ! READ!!!

We, the undersigned, having visited Mr. Isaac Brooks, Jr. at the office of Messrs. Rowland & Walton, 376 Market Street, Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of.

His disease was SCROFULA, and terrible must have been his twelve years' conflict with the destroyer.

His palate, the entire roof of his mouth, nose, upper lip, and lower lid of the RIGHT EYE have been destroyed, his face nearly eaten up, and part of the jaw bone carried away. And yet we can give no description of his case.

Mr. B. informs us that in January last, the whole interior of his mouth, as well as most of his face, was a mass of deep and painful ulcers.

On the 14th of January last, he commenced taking Dr. Cullen's Indian Vegetable Panacea, which checked the disease in a few days, and from that time the cure has progressed without intermission.

New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored.

We are assured that in the treatment of Mr. Brook's case, no Mercurials, Ointments, or Caustic Applications have been used—in fact, the Panacea alone has wrought this wonderful change.

The above named gentlemen (constituting but a small portion of those who have visited Mr. Brooks at our office in Philadelphia who would certify to the same facts if necessary) are well known, and their high standing in society precludes the idea of their lending their names to carry on an imposition.

And here we say, without the fear of contradiction, that we have not found a case of Scrofula or other disease for which we recommend the Panacea, which the medicine has not speedily arrested.

We have at this time a multitude of patients under treatment, all of whom are doing well.—Among them is one of CANCER, which was pronounced by physicians beyond the reach of Surgical assistance, but from all appearances will be cured in a few months.

Protection against Loss by FIRE.

THE "*Cumberland Valley Mutual Protection Company,*" being incorporated by an act of the Legislature and fully organized and in operation under the direction of the following board of Managers, viz: Thomas C. Miller, David W. M'Cullough, James Weakly, Samuel Galbraith, A. G. Miller, Philip Spangler, Samuel Tritt, Thomas M. M'Kinney, Abraham King, John Zug, Samuel Huston, J. T. Green, John Bear, call the attention of the inhabitants of Cumberland and Adams counties, to the cheapness of the rates, and the many advantages which this kind of insurance has over any other:

1st. Every person insured becomes a member of the company and takes part in the choice of officers and the direction of its concerns.

2d. For insurance no more is demanded than is necessary to meet the expenses of the Company and indemnity against losses which may happen.

3d. The inconvenience of frequent renewals is avoided by insuring for a term of five years.

4th. Any person applying for insurance must give his premium note for the cheapest class at the rate of 5 per centum, which will be $50 on the $1000, for which he will have to pay $2 50 for five years, and $1 50 for survey and policy, and no more unless loss be sustained to a greater amount than the funds on hand will cover, and then no more will be required than a pro rata share. These rates are much cheaper than those of other companies, except such as are incorporated on the same principles.
