Stanton's External Remedy,

CALLED

HUNT'S LINIMENT,

IS now universally acknowledged to be the INFALLIBLE REMEDY for Rheumatism, spinal affections, contractions of the muscles, sore throat and quinsy, issues, old ulcers, pains in the back and chest, ague in the breast and face, toothache, sprains, bruises, salt rheum, burns, croup, frosted feet, and all nervous diseases. The *triumphant success* which has attended the application of this most *wonderful medicine* in curing the most severe cases of the different diseases above named, and the *high encomiums* that have been bestowed upon it, wherever it has been introduced, gives me the right to call on the *afflicted* to resort at once to the *only remedy that can be relied on.*

[From the New York Mirror.]

HUNT'S LINIMENT—This invaluable Remedy of the many ills that flesh is heir to, continues to shed its untold benefits upon all classes of society. We have seen a Certificate from some of the most respectable, intelligent, and influential citizens of Westchester, where the Proprietor resides, who are above all the attempts to mislead the public in reference to any medicine, remedy, or preparation; and as this testimony is at once spontaneous and uniform in commending this truly excellent medicine for Rheumatism and various other diseases named in the advertisement, there can no longer be a reasonable doubt entertained of its extraordinary success and triumph over the maladies in question.

Sing Sing, May 19, 1845.

We the undersigned do certify that we have used Mr. George E. Stanton's External Remedy, and have proved it to be fully equal to the character he gives it. Its healing properties are truly extraordinary; and we most confidently recommend it as one of the most certain external remedies that has yet been discovered.

Yorktown, June 18, 1845

Sir—Having cured me of a severe attack of Rheumatism, which had rendered me almost helpless, and at the same time made me suffer great pain, I would offer my testimony in favor of the great properties which your External Remedy, Hunt's Liniment, is possessed of. I only used one bottle, and with that I consider I have been saved from a protracted and severe illness. I am now attending to my business regularly, which is that of a Farmer. Your's, &c.

Protection against Loss by FIRE.

THE *"Cumberland Valley Mutual Protection Company,"* being incorporated by an act of the Legislature and fully organized and in operation under the direction of the following board of Managers, viz: Thomas C. Miller, David W. M'Cullough, James Weakly, Samuel Galbraith, A. G. Miller, Philip Spangler, Samuel Tritt, Thomas M. M'Kinney, Abraham King, John Zug, Samuel Huston, J. T. Green, John Bear, call the attention of the inhabitants of Cumberland and Adams counties, to the cheapness of the rates, and the many advantages which this kind of insurance has over any other:

1st. Every person insured becomes a member of the company and takes part in the choice of officers and the direction of its concerns.

2d. For insurance no more is demanded than is necessary to meet the expenses of the Company and indemnity against losses which may happen.

3d. The inconvenience of frequent renewals is avoided by insuring for a term of five years.

4th. Any person applying for insurance must give his premium note for the cheapest class at the rate of 5 per centum, which will be $50 on the $1000, for which he will have to pay $2 50 for five years, and $1 50 for survey and policy, and no more unless loss be sustained to a greater amount than the funds on hand will cover, and then no more will be required than a pro rata share. These rates are much cheaper than those of other companies, except such as are incorporated on the same principles.
