WISTAR'S BALSAM OF WILD CHERRY!
THE GREAT REMEDY FOR DISEASES OF
THE LUNGS AND BREAST!

TESTIMONIALS:

TO THE PUBLIC.—In accordance with the prevailing custom, and in order to show the virtues of this medicine more fully, the following certificates have been selected; and as it is not our wish to trifle with the lives, or health of those afflicted, we pledge ourselves to make no assertions, or "FALSE STATEMENTS" of the efficacy nor will we hold any hope to suffering humanity which facts will not warrant. THE PROOFS ARE HERE GIVEN—and we solicit an inquiry from the public into every case we publish, and feel assured they will find it a medicine well deserving their patronage and confidence.

☞ *REMARKABLE CURES.* ☜
Of all the cures that have yet been recorded, there are none equal to those mentioned below, which plainly shows the curability of Consumption, even in some of its worst forms!!!!

Mrs. GOULD, or another proof added!!

THE CURES PERFORMED BY WISTAR'S BALSAM OF WILD CHERRY, ARE ASTONISHING THE WORLD.

BOSTON, Sept. 10, 1845.

TO THE SICK AND AFFLICTED.

Dear Sirs—I take pleasure in communicating through you, to all whom it may concern, and the public generally, the astonishing effect your truly wonderful medicine has had upon me. I have not enjoyed perfect health for four or five years. Physicians told me my liver was diseased,—and that I might some day, die with Consumption. Last September, 1841, I took a slight cold, which produced a hoarseness; this continued until February, 1845, when I added another cold; my cough increased, I soon lost my appetite, and my strength failed, for six weeks I could not lie upon one side; I sweat very much at nights, raised considerable blood during the winter and could not speak a loud word for two weeks. With all these bad symptoms, I had very severe pains in my side, and between my shoulders; general debility followed. I was confined to my room about eight weeks. I had buried a sister and brother, both died with Consumption. I expected *I should be next*; my friends *also expected my late.* At this time, an uncle, who had been benefited by Wistar's Balsam of Wild Cherry, advised me to take Dr Wistar's Balsam of Wild Cherry. I accordingly procured a bottle, took it, and felt some better; obtained another, and a third; then I ceased to *Doctor*, and my cough was better, but my disease was so deeply rooted, I was obliged to continue taking the Balsam, until I had taken seven bottles. I can honestly and truly say, I believe Dr Wistar's Balsam of Wild Cherry saved my life. MRS. MARY B. GOULD.

We are personally acquainted with Mrs Gould,—assisted in taking care of her during her sickness,—believe, and know the statement to be true.

MRS. S. A. BACHELDER,

ANOTHER VOICE FROM MAINE.

WISCASSET, Me., July 30 1845.

Dear Sir—Having experienced great benefit from your invaluable medicine, I feel it my duty and I consider it my privilege to let the world know what it has done for me. Possessed of a strong constitution naturally, I had enjoyed perfect health previous to the spring of 1843, when I was troubled with a difficult cough, which attended with considerable pain. Sometime in July, I was violently attacked with a cough, which continued until fall, when I was confined to the house eight months during which time my cough was very severe. I frequently had spells of coughing which caused bleeding—I brought up pieces of the size of a quarter, accompanied with blood, sometimes I raised a pint of blood at a time. I consulted three physicians, all in whom done their best to rescue me,—gave me up,—and they could do no more for me.—I must die,—it was impossible for me to live long. At this time, one of them sent my lungs were gone. At this critical moment, when eminent physicians had exhausted their skill, friends disposed of my late, my own hope of recovery at an end, I resorted to Dr. Wistar's Balsam of Wild Cherry, when I had taken one and a half bottles, those severe spells of coughing were removed. I continued taking the Balsam until spring, (April, 1844,) when I ceased to bleed at the lungs, my health and strength improved so that I felt the house, but was not able to work for a year. Now my health is good; I am able to do a day's work every day on my farm.

JAMES COMERY.

COUNTERFEITS.

☞ *Those who Counterfeit* a good medicine for the purpose of adding a few dollars to their pockets, are far worse than the manufacturers of spurious coin.

For while the latter only robs us of our property, the former take property and health and life away.—Dr. Wistar's *Balsam of Wild Cherry* is admitted by thousands of disinterested witnesses, to have effected the most extraordinary cures in cases of a pulmonary and asthmatic character ever before recorded in the history of medicine.

The young, and beautiful, the good, all speak forth its praise. It is now the favorite medicine in the most intelligent families of our country.

Such high standing in public estimation has been achieved by its own merits alone. And so long as a discriminating public are needed to get *Wistar's Balsam of Wild Cherry*, so long will score counterfeits, and every other article pedestaled to them as a substitute, *so long will cures—positive cures*—cheer the fireside of a depairing family.

☞ The true and genuine "Wistar's Balsam of Wild Cherry" is sold at established agencies in all parts of the United States.

WISTARS BALSAM OF WILD CHERRY, that not only relieves but cures!

☞ Price $1 per bottle, or six bottles for $5.
For sale at Cincinnati only by
SANDFORD & PARK.

☞ Sold in Pittsburgh by

Phenix Safes and Vaults.
THE undersigned invite attention to the following certificate:

CERTIFICATE.
The undersigned having been requested by Messrs. Constable & Strickler, to be present and superintend a test by fire of one of their recently invented Phenix Fire Proof safes, and deeming the subject one of very great importance, have carefully examined the contents of a safe, to which one of the chests was subjected. The chest was exposed at each corner, at an elevation of 10 to 12 inches from the ground, to a fire of Bituminous coal and fire was made over and around that kept actively burning 5½ consecutive hours. For the consumed was about 1½ bushels of coal and one cord of wood; the heat of the whole was of quite intense, and in the opinion of the undersigned much greater than safe is likely to sustain in any ordinary house conflagration.

On the removal of the fire, at the request the chest was opened, and delivered to the assessment of the undersigned and the large number of citizens present, a Blank Book with Sunday Bank notes within its folds; a piece of Dry pine Wood and the inner lining of the safe, which is of Wood, were found as sound as Level, but not to the highest degree charred or injured, some manuscript on the Book as legible as before the test. The undersigned are unanimous in the conviction that a fire proof chest is practicable; and that the ingenious and enterprising manufacturers, whose efforts for some months past in producing this desideratum have proved so entirely successful, deserve the public confidence and patronage.

JOHN ANDERSON,
L. R. LIVINGSTON
JOSIAH KING,
WARRICK MARTIN,
EDWARD HEAZELTON,
JAMES PARK, Jr.

In the character of the above named gentlemen the public have a guarantee against deception, in the test which was made of our Phenix Safes, and we therefore feel the utmost confidence in recommending them as a reliable protection against fire, under any ordinary circumstance. We would assure those interested, that there is no word about these Safes, but what is unnecessarily concerned with the shelves and drawers.

We make Vault Doors in the same manner and upon the same plan. One of these can be seen at Reese C. Townsend & Co's new building.

For the workmanship of our Vaults, they can be seen at the following places: Lyon, Shorb & Co., Church & Carothers, Wm. Larimer, King & Holmes J. D. Davis, F. M'Cormick, and W. Martin.

Fahnestock's Vermifuge.
THIS is to certify, that my youngest boy, aged about 2 years, was taken sick with the summer complaint. He was attended by a Physician all summer, and received little or no relief. About the middle of November, I gave him some of Fahnestock's Vermifuge, which brought away one hundred and thirty large worms, and gave him immediate relief. He has been perfectly healthy.
