WISTAR'S BALSAM OF WILD CHERRY!
THE GREAT REMEDY FOR DISEASES OF
THE LUNGS AND BREAST!
TESTIMONIALS:
TO THE PUBLIC.—In accordance with the prevailing custom, and in order to show the virtues of this medicine more fully, the following certificates have been selected; and as it is not our wish to trifle with the lives, or health of those afflicted, we pledge ourselves to make no assertions, or "FALSE STATEMENTS" of the efficacy our will; we hold dry hope to suffering humanity which facts will not warrant. THE PROOFS ARE HERE GIVEN—and we solicit an inquiry from the public into every case we publish, and feel assured they will find it a medicine well deserving their patronage and confidence.

☞ *REMARKABLE CURES.* ☜
Of all the cures that have yet been recorded, there are none equal to those mentioned below, which plainly shows the curability of Consumption, even in some of its worst forms!!!!

Mrs. GOULD, or another proof added!!
THE CURES PERFORMED BY WISTAR'S BALSAM OF WILD CHERRY, ARE ASTONISHING THE WORLD.

BOSTON, Sept. 10, 1845.
TO THE SICK AND AFFLICTED.
Dear Sirs—I take pleasure in communicating through you, to all whom it may concern, and the public generally, the astonishing effect your truly wonderful medicine has had upon me. I have not enjoyed perfect health for four or five years. Physicians told me my liver was diseased—and that I longest some day, die with Consumption. Last September, 1841, I took a slight cold, which produced a hacking cough, this continued until February, 1845, when I added another cold; my cough increased, I soon lost my appetite, and my strength faiffed; for six weeks I could not lie upon one side; I sweat very much at nights, raised considerable blood during the winter and could not speak a loud word for two weeks. With these bad symptoms, I had very severe pains in my side, and between my shoulders; general debility followed; I was confined to my room about eight weeks. I had buried a sister and brother, both died with Consumption. I expected to *die* myself; my friends also *despaired of my life.* At this time, an uncle, who had been long deaf himself, advised me to take Dr Wistar's Balsam of Wild Cherry. I accordingly procured a bottle, took it, and felt some better; obtained another, and a third; then I ceased to *bleed*, and my cough was better; but my disease was so deeply rooted, I was obliged to continue taking the Balsam, until I had taken seven bottles. I can honestly and truly say, I believe Dr Wistar's Balsam of Wild Cherry saved my life. MRS. MARY B. GOULD.

We are personally acquainted with Mrs. Gould,—assisted in taking care of her during her sickness—believe, and know the statement to be true.

ANOTHER VOICE FROM MAINE.
WOODSTOCK, Me., July 30 1845
Dear Sir—Having experienced great benefit from your invaluable medicine, I feel it my duty to publish the fact that all may know what it has done for me. Possessed of a strong constitution naturally, I had for years been in poor health from the spring of 1843, when I was troubled with a difficulty in my left side, extending to my shoulder blade. Sometimes it would be a sharp pain, at other times a dull aching, which continued, I was confined to the house eight months during which time my cough was very severe. I frequently brought a pint of coughing when I retired to my chamber. I used large quantities of the regular medicine, accompanied with the opinion of friends, that I should not live. I commenced three physicians, all of whom done their best in treating me—gave me up—said they could do no more for me—I must die—I was unprepared for me to die but a short time, one of them said my days were gone. At this critical moment, when encouragement was not had except the skill friends despaired of my life my own home or convenient around, I resorted to Dr Wistar's Balsam of Wild Cherry, when I had taken one and a half bottles, then were symptoms of recovering were manifested. I continued taking the Balsam until spring, (April, 1844) when I ceased to bleed at my lungs, my health and strength improved so that I left the house but was not able to work this year. Now my health is good; I am able to do a day's work every day on my farm.
JAMES CUMERY.
Witness: THOMAS BENNER.

COUNTERFEITS.
☞ *Those who Counterfeit* a good medicine for the purpose of adding a few dollars to their pockets, are far worse than the manufacturers of spurious coin. For while the latter only robs us of our property, the former take property and health and life away—Dr. WISTAR'S *Balsam of Wild Cherry* is admitted by thousands of disinterested witnesses, to have effected the most extraordinary cures in cases of a pulmonary and asthmatic character ever before recorded in the history of medicine.

The virtues, and beautiful, the good, all speak forth its praise. It is now the favorite medicine in the most intelligent families of our country.

Such a high stand in public estimation has been achieved by its own merits alone. And so long as a discerning public are careful to get *Wistar's Balsam of Wild Cherry*, and refuse with scorn counterfeits, and every other article produced to them as a substitute, saying will *cures—positive cures*—cheer the friends of a despairing family.

☞ The true and genuine "Wistar's Balsam of Wild Cherry" is sold at established agencies in all parts of the United States.

WISTARS BALSAM OF WILD CHERRY, that not only relieves but cures!

Phoenix Safes and Vaults.
THE undersigned made attention to the following certificate.
CERTIFICATE.
The undersigned having been requested by Messrs. Constable & Strickler, to be present and superintend a test, by fire, of one of their recently invented Phoenix Fire Proof safes, and deeming the subject one of very great public importance, have carefully examined the progress of a test, to which one of said safes was subjected. The safe was supported at each corner, at an elevation of 10 to 12 inches from the ground; fire of Bituminous coal and fire wood made over and around and kept actively burning 5½ consecutive hours. The fire consumed was about 30 bushels of coal, and one cord of wood; the heat of the whole interior was not ascertained, but the opinion of the undersigned is much greater than safe to safely to assume in any ordinary house burning.

On the removal of the safe, at their request the door was opened, and greatly to the astonishment of the undersigned and the large number of citizens present, a Block Book in Sunday Book notes was found in a piece of Dry pine Wood and the inner lining of the safe, which is of Wood, were found warm indeed, but not in the Slightest degree charred or injured, some manuscript on the Book was legible as for four or more. The undersigned are in motion to the public, that this proof closet is practicable and of the ingenious and enterprising manufacturers, whose efforts for some months past to perfecting the desideratum have proved so entirely successful, deserves the public confidence and patronage.

We will, as our these notes state, that there is no wood about these Safes, but what is necessarily required with the shelves and drawers. We make Vault Doors in the same manner and upon the same plan. One of these can be seen at Reese C. Townsend & Co's new building.

For the workmanship of our Vaults, they can be seen at the following places: Lyon, Shoch & Co., Church & Caruthers, W. Larimer, King & Holmes, J. D. Davis, P. M'Cormick and W. Margis.

Fahnestock's Vermifuge.
THIS is to certify, that my youngest boy, aged about 2 years, was taken sick with the summer complaint. He was attended by a Physician all summer, and received little or no relief. About the middle of November, I gave him some of Fahnestock's Vermifuge, which brought away one hundred and thirty large worms, and gave him immediate relief. He has been perfectly healthy.
