Town and County.

The November number of *Emerson's* and *Putnam's Monthly*, is received, and with it the intelligence that it will no more live, but will be superseded by the "*Great Republic*" *Monthly*, the prospectus of which we publish in another column.

We publish this week the new advertisement and special notices of the Cosmopolitan Art Association for the 5th year. Our friend HUGH YOUNG is the Honorary Secretary for this place. Give him a call, all that desire to subscribe.

Snow!—This (Wednesday) morning there is about three-fourths of an inch of snow on the sidewalks in this village.—The roads are one vast sea of mud. We are informed that about 1½ inches of snow fell on Ayres Hill—four miles from this place—yesterday.

The *Winter Term* of Coudersport Academy, will open on Tuesday, the 14th of December next. Those who wish to secure rooms for the purpose of boarding themselves, had better secure them at an early day. Grain of all kinds will be taken for tuition if promptly delivered.

J. HENDRICK, Principal.

Dr. J. Mackintosh, lectured to a few of our citizens last Monday evening on the subject of "Burns and his Poems," and on Tuesday evening read "Macbeth," to an equally small number of our citizens. The weather was very bad for such purposes, but turning out to hear good lectures is not a fault of the citizens of Coudersport. We have before noticed the fact—and regret it both for their sake and the sake of the lecturer. The latter deserved better houses.

We cannot refuse our "departed brother" the pleasure of seeing his bacheloric obituary notice in our columns. Poor Miss Blake that was, she has *Dunham* on her for life—he can't be one of us any more. Farewell, thou prodigal—thou valedict-ed mortal—fare-thee-well! May his shadow "spread" in accordance with his ability to sustain and clothe it. Our pathway grows more lonely with each step of this kind:

Married, in Portland, Me., on the 25th ult. by Rev. J. W. Chikering, D. S. Dunham, editor of the *American Watchman*, of Lock Haven, Pa., and Miss Mary A. S., daughter of Capt. Nathanial Blake, of the former place.

We desire to call the particular attention of our readers to the advertisement of Messrs. D. L. & M. H. DANIELS, of Ulysses, which will be found in our columns this week. We refer to this particularly because it is the first of that kind of advertising ever done in the Journal by persons doing business in Ulysses. It is the third mercantile advertisement we have received from business men in the county out of this Borough, and at least shows that the Messrs. Daniels properly appreciate our columns to their own and our advantage. We are free to confess that the lack of local advertising is a great drawback on the prosperity of the JOURNAL.

Artificial Teeth.—A few days since we were shown a set of artificial teeth made by H. M. SHEERAR, Dentist, of Wellsville, N. Y., which were very nice. He explained to us some of the peculiar features of his style of work. The style is known as "Allen's Continuous Gum."—The plate on which the teeth are set is platina, and a silicious compound is fused to the plate and teeth, filling up all crevices and giving a perfectly natural expression which defies detection. The set Dr. showed us were the most beautiful we ever saw.

Dr. S. is permanently located in Wellsville, and is highly recommended by those who wear teeth inserted by him. His terms are reasonable, and his work second to none. Those desiring Dental operations no doubt will do well to write him, or give him a call.

DAILY TELEGRAPH FOR THE SESSION.

Full and Accurate Legislative Reports.

The DAILY TELEGRAPH is now in the third year of its existence, and the success attending its publication, has placed it upon a firm and permanent basis. THE "GREAT REPUBLIC" MONTHLY.

To the Public, the Book and Periodical Trade, and the Press.

WE have the honor to announce that we shall issue, about the 1st of December next, so as to be in season to command the early attention of the public and the periodical trade, the FIRST NUMBER OF A NEW ILLUSTRATED MAGAZINE, to be called

THE "GREAT REPUBLIC" MONTHLY.

It is intended to make this Magazine superior, in every respect to anything ever before issued in this country. The general scope of its character can best be understood by its name. *It will be thoroughly national—in no wise sectional or sectarian*, and *wholly impersonal*. It will offer to the writers and thinkers of this Union a common field, where they can meet on the highest ground of cotemporary literature. It will aim to gather about it every variety of intellect.

The range of articles will be a wide one, covering, among other grounds, Essays, Sketches, Humorous Tales, Stories, Historical Incidents, Reviews, Critiques, Biographies, Scientific Articles, Travels, Table Talk, Dramas, Incidents, Politics, Poems, Ballads, Stanzas, Sonnets, Music, Correspondence, Gossip, etc., etc., etc.

The Magazine will be profusely illustrated in the highest style of wood engraving.

The Literary department will present greater variety, combined with more thorough excellence, it is believed, than ever before offered to the American public in a single periodical. The following authors and popular writers are included in the list of contributors engaged:

Geo. D. Prentiss, Charles Swain, Fitz-Green Halleck, Chas. J. Ingersoll, Orestes A. Brownson, Gen. Geo. P. Morris, Nathaniel Deering, Hon. Chas. Gayerre, Wm. Gillmore Simms, Park Benjamin, Hon Albert Pike, of Ark., Abbe Adrian Rouquette, Hon. R. T. Conrad, Rev. Ralph Hoyt, Seba Smith, (Jack Downing,) J. T. Headley, John G. Saxe, Lieut. M. F. Maury, Edward S. Gould, Chas. F. Briggs, C. P. Cranch, Wm. H. C. Hosmer, Geo. W. Peck, R. H. Stoddard, John R. Thompson, Fred'k S. Cozzens, A. J. Requier, Maj. J. H. Eaton, U. S. A., Levi Reuben, Thomas Dunn English, Duncan Kennedy, Rev. Newell A. Prince, Henry B. Hirst, Henry Ward Pettit, Thomas MacKellar, H. J. Brent, (Stirrup,) F. W. Hunt, M. D., Edmund Flagg, Fayette Hurd, Hannah F. Gould, Sarah Helen Whitman, Caroline M. Kirkland, Elizabeth F. Ellet, Jane Ermina Locke, Alice Carey, Phebe Carey, Madame Le Vert, Mary Forrest, Mary E. Stebbins, (Mrs. Hewett,) Elizabeth Oakes Smith, Anna C. Botta, (Miss Lynch,) Louisa L. McCord, Maria J. McIntosh, Alice B. Haven, Pamelia S. Vining, Mary A Rice, Ada M. Kennicott, Elizabeth K. Churchill, Clara Doty, Abbie W. Crocker, Nellie Burchfield, Ann E. Porter, Lucy N. Godfrey, Lavinia S. Goodwin, Jane G. Austin.

In addition to the foregoing brilliant array of American authors, there are a large number of first-class writers engaged, (among them some of the most distinguished of the day), who are compelled, from pre-existing engagements, or other causes, to withhold their names for the present, but who will, nevertheless, contribute frequently to our pages. We would also announce that we shall add to our list of contributors the names of other distinguished authors, as soon as satisfactory arrangements can be completed.

Each number will contain an original piece of music, composed expressly for this work.

Of the superior excellence of the Magazine in every respect, and of the certainty of its permanent success, very little more need be said.

The terms and general conditions of the Magazine will be as follows:

TO EVERY FEMALE IN THE UNITED STATES.

MRS. MONTAGUE'S FEMALE CORDIAL.

FOR THE CURE OF ALL THOSE PAINFUL DISEASES PECULIAR TO WOMEN.

Mrs. MONTAGUE, for many years afflicted with most of the diseases that are common to females, spending a large fortune in ten years in trying the different means of treatment for her relief, to no avail, was prevailed upon by many of her friends to visit Cuba, December '48, for the purpose of regaining her former health. While there, she obtained a prescription from a Spanish Physician—

"Whose silver locks
Were tending to the grave."

With which, through the mercy of God, she was restored to her youthful health.

After her return she made known to hundreds of her female sufferers the effects of the remedy with equally as great success.

This extraordinary medicine is offered to the public for the relief and cure of all the painful and dangerous diseases peculiar to women, and that the female constitution is subject to.

To those suffering from "Prolapsus Uteri," Lucorrhœa, Ammorrhœa, Menorrhagia, Dysmenorrhœa, Chlorosis, a speedy cure can be obtained.

To those suffering from Falling of the Womb or Uterine Weakness of any kind, the Female Cordial is especially recommended. It is warranted to cure this painful disease if persevered in.

In all spinal affections, pain in the region of the Pelvis, Lowness of Spirits, Hysteria Sick-headache, and all those diseases arising from the peculiar formation of women, the Cordial will be found of an immense value.

This medicine moderates all excess, and removes all obstruction; it invigorates the debilitated constitution for the duties of life, and when taken in middle age proves a blessing.

Modesty forbids us, in a public advertisement, to make full the details; but the wrapper around each letter will fully explain every case.

Merchants, females, or others, by sending a three cent stamp, can have any information respecting the operations of the medicine.

Agents wanted in every village in the United States. Put up in half pint bottles; $2.00 per bottles; 50 per cent. off to the trade. All orders must be addressed to

THE GREAT CURER OF CONSUMPTION, was for years so badly afflicted by Dyspepsia, that for a part of the time he was confined to his bed. He was eventually cured by a prescription furnished him by a young clairvoyant girl. This prescription, given him by a mere child, while in a state of trance, has cured everybody, who has taken it, never having failed once. It is equally as sure in cases of FITS as of DYSPEPSIA. The ingredients may be found in any drug store. I will send this valuable prescription to any person on the receipt of one stamp to pay postage. Address

A Card from Dr. James M. Jarret of the New York Lung Infirmary.

—My connection for the past eight years with the above Institution, as Chief Physician, and a twelve years' course of steady devotion to the Cure of Pulmonary Consumption and its kindred diseases, together with my unrivalled opportunities and advantages of pathological research—aided not a little by a perfect system of *Medical Inhalation*—has enabled me to arrive at a decisive, direct, and successful course of treatment for the positive and radical cure of all diseases of the *Throat, Lungs*, and *Air-Passages*. By Inhalation, the vapor and curative properties of medicines are directly addressed to the diseased organs and the integuments. I do not advise the use of Medical Inhalation of any kind, to the exclusion of *general treatment*; and although I consider it a useful adjuvant in the proper management of those fearful and often fatal diseases, yet I deem it very necessary that each patient should have the benefit of both *general* and local treatment. The success of my treatment in the above diseases, and the high character of the Institution over which I have so long had the honor to preside, are too well known to need any eulogy or comment from me. At the solicitation of many private and professional friends, through whose philanthropic aid the above charity has been long and liberally supported, and after due consideration, I have concluded to make such arrangements as will bring the benefits of my experience and treatment within the reach of all, and not confine myself, as heretofore, to those only who entered the Infirmary, or who were able to visit me at my office. Hoping therefore that the arrangement will give entire satisfaction, both to my professional brethren and the public, I would respectfully announce in conclusion, that *I am now be consulted personally or by letter*, for all diseases, as above, and that the medicines, the same as used in the Institution, prepared to suit each individual case, *Inhaling Vapors, Medical Inhalers*, &c., &c., will be forwarded by express to any part of the United States or the Canadas. Terms—My terms of treatment by letter are as follows, viz.: $12 per month for each patient, which will include medicine sufficient for one month's use; also, Inhaling Vapor, and an Inhaling Apparatus. Payment as follows: $5 to be paid to Express Agent on receipt of the box of Medicine, and the balance $3 to be paid at the expiration of the month, if the patient is cured or is entirely satisfied with the treatment. Patients, by giving a full history of their case, and their symptoms in full, can be treated as well by letter as by personal examination. Patients fulfilling the instructions of Dr. Jarrett's treatment may rely upon immediate and permanent relief, as he seldom has to treat a case over thirty days. Letters for advice promptly answered. For further particulars address

JAMES M. JARRETT, M. D.,
No. 820 Broadway, cor. Twelfth St., N. Y.

P. S.—Physicians and others visiting the city are respectfully invited to call at the Infirmary, where many interesting cases can be witnessed, and where our *improved apparatus* for the inhalation of medicated vapor can be seen and inspected. 11:2–6mo.
