WISTAR'S BALSAM OF WILD CHERRY!
THE GREAT REMEDY FOR DISEASES OF
THE LUNGS AND BREAST!
TESTIMONIALS:
TO THE PUBLIC.—In accordance with the prevailing custom, and in order to show the virtues of this medicine more fully, the following certificates have been selected; and as it is not our wish to trifle with the lives, or health of those afflicted, we pledge ourselves to make no assertions, or "FALSE STATEMENTS" of the efficacy nor with we hold any hope to suffering humanity which facts will not warrant. THE PROOFS ARE HERE GIVEN—and we solicit an inquiry from the public into every case we publish, and feel assured they will find it a medicine well deserving their patronage and confidence.

☞ *REMARKABLE CURES.* ☜
Of all the cures that have yet been recorded, there are none equal to those mentioned below, which plainly shows the curability of Consumption, even in some of its worst forms!!!!

Mrs. GOULD, or another proof added!!
THE CURES PERFORMED BY WISTAR'S BALSAM OF WILD CHERRY, ARE ASTONISHING THE WORLD.

BOSTON, Sept. 10, 1845.
TO THE SICK AND AFFLICTED.
Dear Sir:—I take pleasure in communicating through you, to all whom it may concern, and the public generally, the astonishing effect your truly wonderful medicine has had upon me. I have not enjoyed perfect health for four or five years. Physicians told me my liver was diseased,—and that I might some day, die with Consumption. Last September, 1841, I took a slight cold, which produced a harking cough; this continued until February, 1845, when I added another cold; my cough increased, I lost my appetite, and my strength failed; for six weeks I could not lie upon one side; I was I very much at night raised considerable blood during the winter and could not speak a loud word for two weeks. Withall these bad symptoms, I had very severe pains in my side, and between my shoulders; general debility followed. I was confined to my room about eight weeks. I had buried a sister and brother, both died with Consumption. I expected to *die* myself; my friends also *despaired of my life*. At this time an uncle, who had been benefited himself, advised me to take Dr Wistar's Balsam of Wild Cherry. I accordingly procured a bottle, took it, and felt some better; continued, taking a bottle; then I found it *better* and my cough was better; but my disease was so deeply rooted, I was obliged to continue taking the Balsam, until I had taken seven bottles. I can honestly and truly say, I believe Dr Wistar's Balsam of Wild Cherry saved my life. MRS. MARY B. GOULD.

We are personally acquainted with Mrs Gould,—assisted in taking care of her during her sickness—is honest, and knows the statement to be true.

ANOTHER VOICE FROM MAINE.
WOOLWICH, Me July 30 1845.
Dear Sir,—Having experienced great benefit from your valuable medicine, I feel it my duty and pleasure to let the world know what it has done for me. Previous to taking your medicine, I had been quite unwell for both my health and strength failed me. I was troubled with a distressing cough which attended with considerable pain. Some time in June I was taken in a cold sweat which left me very much in the decline. I was advised to take your medicine, which I did, and in one week was able to walk out. I continued taking it, and in a few days was able to do my work. I have taken some dozen bottles, and have enjoyed good health ever since. As this cure at moment, when eminent physicians had exausted their skill, friends despaired of my life, my own hope of recovery at a end, I feel attached to Dr. Wistar's Balsam of Wild Cherry, when I had taken one and a half bottles, those severe spells of coughing were removed. I continued taking the Balsam, until since (Oct. 1844) when I ceased to be troubled at the cough, my health and strength improved so that I left the house but a few days in each week for a year. Now as he this guilt, I am able to do a day's work every day on my farm.
JAMES COMERY.

COUNTERFEITS.
☞ *Those who Counterfeit* a good medicine do so for the purpose of selling a few doses to their victims, who are for ever cured in the first instance by genuine.

For while the latter only robs one of our property, the former take property and health and life away.—Dr. WISTAR'S *Balsam of Wild Cherry* is admitted by thousands of disinterested witnesses, to have been the most extraordinary cure in cases of a pulmonary and asthmatic character ever before recorded in the history of medicine.

The young, and beautiful, the good, all speak forth its praise. It is now the favorite medicine in the most intelligent families of our country.

Such a high stand in public estimation has been achieved by its own merits alone. And so long as a discerning public are careful to get *Wistar's Balsam of Wild Cherry*, and refuse with scorn counterfeits, and every other article proferred to them as a substitute, so long will *cures—positive cures*—cheer the fireside of a depaiting family.

☞ The true and genuine "Wistar's Balsam of Wild Cherry" is sold at established agencies in all parts of the United States.

WISTAR'S BALSAM OF WILD CHERRY, that not only relieves but cures!
