CORRESPONDENTS.

In reference to communications which may appear in this paper, we have one or two remarks to make.—We will insert none without the name of the author being first made known to us, and when inserted, must always be taken as expressive of the views *of the writer*, and not the editor of this paper, unless the views so expressed are editorially remarked upon and approved.

Monday Morning, March 15, 1846.

POLICE—Only one solitary case before his honor this morning. The customer was a poor drunken worthless fellow, and was sent up to the hill for 20 days, as a vagrant.

WIG MAKER.—The attention of our readers is respectfully directed to the advertisement of Mrs BENTZ, wig maker, Allegheny city, opposite the Collector's office. Mrs B has no superior in her line of business, and we take great pleasure in recommending her to the public as worthy of their patronage.

☞ The Choral Musical Society, give their first Concert at the Fifth Presbyterian Church this evening. The lovers of good music, will all be there of course.

Dr. Wistar's Balsam of Wild Cherry.—This celebrated remedy is a compound balsamic preparation of the *Wild Cherry* and *Moss of Iceland*, combined by a new chemical progress with the *Extract of Pine*. So salutary have been its effects in all cases when administered for Coughs, Asthma, Consumption, or any disease of the lungs, that many of the most distinguished physicians have approved and recommended it, and openly acknowledged it to be the most valuable medicine ever discovered. It is truly a valuable medicine, and is effecting an immense amount of good in the relief of suffering humanity.

☞ See Advertisement.

Coughs and Colds—In all cases of coughs and colds, the sufferers will find an pleasant but powerful remedy in Clickener's Sugar Coated Vegetable Pill.—The fame of this medicine has already spread far and wide. Over five hundred thousand boxes of these pills were sold last year, having been used in all ascertained cases with perfect success. For liver complaint, affection of the lungs, palpitation of the heart, influenza, asthma, scarlet fever, fever and ague, dropsy, typhus fever, and other diseases. This pill is coated with fine white sugar, so that the medicinal ingredients are imperceptible to the taste. To children, they may be administered without difficulty. So well convinced is Dr Clickener of their efficacy in all specified cases, that he pledges himself to return the money when the promised effect is not produced.

Sold by Wm Jackson, corner of Wood and Liberty streets, who is general Agent for Dr Clickener's Pills in Pittsburgh and vicinity.

☞ Beware of an imitation article called "*Improved Sugar-Coated Pills*," purporting to be Patented as both the pills and pretended patent are forgeries got up by a miserable quack, in New York, who, for the last four or five years, has made his living by counterfeiting popular medicines. mar 15

LANDRETH'S WARRANTED GARDEN SEEDS

DIRECT FROM PHILADELPHIA.
EACH PAPER BEARS THE LABEL AND WARRANTY OF
DAVID LANDRETH.

FOR sale by E L SNOWDEN, No 29 Water st., at the stand formerly occupied by Geo A Berry.

Extract from the "Report" of the Visiting Committee of the Pennsylvania Horticultural Society," unanimously adopted, and ordered to be printed.

Landreth's Nurseries and Gardens.

"These extensive grounds are on Federal street near the Arsenal. * * * The earliest collection of Cucumbers was made here. Some of those now in Possession of some distinguished nurserymen, are not first rate. * * * The selection of garden seeds is valuable and extensive. * * * The *Nurseries* are all nicely cultivated and well stocked, supplying every part of the Union, a detail of which would occupy too much of our space, we therefore content ourselves with stating that the stock is very large, and in every stage of growth, consisting of

FOREST AND ORNAMENTAL TREES EVER GREENS, SHRUBS, VINES AND CREEPERS,

with a collection of herbaceous plants. FRUIT Trees of the best kind and most healthy condition; large beds of asparagus, apples, pears, plums, &c, are stocks for budding and grafting; a plan very superior and a variety of working stocks, which farm, with the exception of the discovered the parent stock.

GARDEN SEEDS of the most quality have been received from the country from Landreth, and may always be relied on. The Seed Establishment of Messrs Landreth is one of the most extensive in the Union, and its reputation is well sustained from year to year.

Independent of the Seed trade, they have established a distinct nursery, as a profitable business, so that they can furnish customers at a cheaper rate than, and which secures to the purchaser a genuine article." Knowing these to be equally and to most of our readers every name, the people from the grounds in question are commended with great confidence.

* * Since the date of the "Report" from which the above is extracted, the extensive establishment has been greatly enlarged. In consequence of some inconvenience and the hard winds, it was thought best to erect some extensive green houses, and other desirable objects, the under and hardy Exotic Lawns, &c.

The seed Trade is also very largely increased, and the whole is now upon a footing far more than has a resident, under the management of father and son, the most prominent in America.

☞ Orders received by E. L. SNOWDEN from whom catalogues may be obtained gratis.
