THE GREAT NATIONAL EXHIBITION
of Imported Blood and American Breeds of

HORSES

Will be held on KEYSTONE PARK, Agricultural Fair Grounds,
IN WILLIAMSPORT, PA.,
On TUESDAY, WEDNESDAY, THURSDAY & FRIDAY,
September 2, 3, 4, and 5, 1862.
Premium List and Prize Banner open to Exhibitors from the Canadas and other British Provinces.

The managers flatter themselves that, altho' the past exhibitions held in other parts of the United States, have been eminently successful and entirely satisfactory to the public, the past experience will enable them to improve somewhat in the details of the arrangements, and and in this connection they hope to give better facilities for the deliberate examination and trial of horses intended for sale. Williamsport is easily and quickly accessible from all directions. Keystone Park is unequaled in its track for showing or training a horse. The managers design to make this a horse mart, worthy of its central position, and its extraordinary facilities.

RULES AND REGULATIONS FOR EXHIBITORS.

Exhibitors with horses are required to use the South Entrance gate on Campbell street, in coming on to and returning from the grounds.

Entries of stock may be made at the office of the Secretary in Taylor's Building, until Monday, 9 o'clock, p. m., September 1st, when the books must be made up for the Judges. The exhibition of stock on the track will take place precisely at the time specified in the subjoined arrangement; and animals not prepared at the proper time and place, may at the discretion of the Judges, be ruled out of competition. Stock will be marked with cards furnished by the Secretary, designating the class and No. of entry; and during the exhibition they must be placed entirely under the management of the officers of the society. If sufficient time has not been given, in the programme for the Judges to examine any one class before the calling of another class, the first named class will be examined on a vacant part of the ground to be designated by the Chief Marshal. Arrangements will be made for the trial of Draft Horses by testing their strength, docility, etc., at a load.

Owners or agents offering horses for premium or exhibition will receive tickets of admission. Exhibitors are requested to leave sufficient space around each horse or vehicle for the Judges to pass freely.

The Judges will in all cases withold premiums where the horse is not worthy or is unsound, though there be no competition.

Exhibitors entering colts of the age of three years and under shall furnish to the Judges evidence of the time of foaling, to be filed with the Recording Secretary. Pedigree of Blood Horses and origin and age must be furnished, if required, for every horse offered for premium.

The Judges will report to the Board of Managers not only the horses entitled to premiums, but also those next in merit in each class, to meet the contingency of any objection which may arise to the award. All horses not obtaining premiums, which in the opinion of the Judges deserve special commendation, will be so reported to the board of Managers.

The Judges, if not satisfied as to the regularity of the entries in the respective classes, or the ages of the horses as recorded in the entries, will apply to the Recording Secretary for informations, and should there be any doubt, after examinations, of their coming within the regulations, or if any horse is of such a character as not to be entitled to exhibition in competition, they will report the facts for the consideration of the Board of Managers, that such course may be adopted as the case may require.

The several classes of horses upon exhibition will be called for in the order indicated in the programme, and precisely at the hour named, when a flag will be raised near the Judges' stand with the inscription, "CLEAR THE TRACK."

When the hour arrives for the exhibition of any class of horses the bell will be rung and a flag will be raised to indicate the class to be exhibited.

All horses entered will be at the risk of the owners. The most effectual means will be taken through the agency of the police and otherwise to guard and protect the horses exhibited; but the managers cannot be responsible for injuries occasioned by accident or otherwise.

Reports of the doings of the Exhibition will be officially published.

SALE OF HORSES.

Horses intended for public or private sale will be labelled accordingly, and a portion of the ground will be designated for their examination and sale. The services of an auctioneer will be provided, and a time named for public sales. The Secretard will give notice of such intended sales, if early entry is made with him to that effect. Such horses cannot be withdrawn until the close of the Exhibition, except by written authority of the Managers

NOW,
ARE DR. HURD'S PREBARATIONS GOOD?

The best evidence that they are is, that their firmest friends and best patrons are those who have used them longest. Dr. WILLIAM B. HURD is an eminent Dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his private practice for years, and no leading citizen of Brooklyn or Williamsburgh questions their excellence, while eminent Dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them by the gross.

The Editor of the *Brooklyn Daily Times* says: "We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectations with his Mouth Wash and Tooth Powder. The great secret of his success rests with the fact that his articles are precisely what they are represented to be, as we can testify from their long use."

The well-known P. T. Barnum writes:—"I found your Tooth Powder so good that my family have used it all up. We find it the best Powder for the teeth that we ever used. I shall feel obliged if you will send me another supply at the Museum at your convenience, with the bill."

But their cost is so small that every one may test the matter for himself

Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

WHAT DOES DR. HURD'S REMEDIES EFGECT?

Dr. Hurd's *Mouth Wash* and *Tooth Powder* will give young ladies that finest charm in woman—a sweet breath and pearly teeth. Try them, ladies.

Dr. Hurd's *Mouth Wash and Tooth Powder* will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast taste sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.

Dr. Hurd's *Mouth Wash and Tooth Powder* are the best preparations in the world for curing BAD BREATH and giving firmness and health to the gums. Hundreds of cases of Diseased Bleeding Gums, Sore Mouth, Canker, etc., have been cured by Dr. Hurd's astringent wash.

Dr. Hurd's *Mouth Wash and Tooth Powder* give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having ARTIFICIAL TEETH, which are liable to impart a taint to the mouth.

Dr. Hurd's *Toothache Drops* cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from tortue and themselves from loss of sleep and sympathetic suffering.

Farmers and Mechanics! you cannot well afford to neglect your teeth. For a trifling sum, you can now get preservatives, than which Rothschild or Astor can get nothing better. Remember that Dyspepsia and Consumption of the Lungs often originate in Neglect of Teeth. Send for the *Treatise on Teeth*, and read Dr. Fitch's observation on this subject. If too late to arrest decay in your own teeth, save your children's teeth.

Neuralgia Plasters.

Dr. Hurd's *Neuralgia Non-adhesive Plasters* are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. *Will be mailed on receipt of price and one stamp.*

WHAT ARE THE PEOPLE DOING?

The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the TREATISE ON TEETH, some the NEURALGIA PLASTERS, and not a few enclosing 37 cents for the MOUTH WASH, to be sent by mail; but to those we are compelled to reply that it is impossible to send a half pint bottle by mail. The people want these Remedies. *Who will supply them?* Now is the

Chance for Agents.

Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the neatest article that man or woman can carry around. Send for one and see, or, better, a dozen, which we will sell as samples for $7. WM. B. HARD & CO.

AYER'S
CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

BRIMFIELD, MASS., 20th Dec., 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last *ten years has shown it to possess superior virtues for the treatment of these complaints.* EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of UTICA, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MISS., Feb. 7, 1856.

BROTHER AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of *Whooping Cough, Croup,* and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTEREY, IA., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE Co., IOWA, writes, Sept. 6, 1855: "During my practice of many years *I have found nothing equal* to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured *so many and such dangerous cases as this.* Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure *to inform you what your CHERRY PECTORAL* has done for my wife. She had been *five months* laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of *your medicine.* We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,
ORLANDO SHELBY, OF SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical *chemists in the world, and its cures all around us bespeak* the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE *sciences of Chemistry* and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the *esteem* of all men. They are safe and *pleasant to take,* but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow *distemper,* stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache *arising from a foul Stomach,* Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying *the blood and stimulating the system, cure many* complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and *they should have it.*
