Lyon's Periodical Drops!

The Great Female Remedy for Irregularities. These drops are a scientifically compounded fluid preparation, and better than any Pills, Powders or Nostrums. Being liquid, their action is direct and positive, rendering them a reliable, speedy and certain specific for the cure of all obstructions and suppressions of nature. Their popularity is indicated by the fact that over 100,000 bottles are annually sold and consumed by the ladies of the United States, every one of whom speak in the strongest terms of praise of their great merits. Explicit directions stating when they may be used, and explaining when and why they should not, nor could not be used without producing effects contrary to nature's chosen laws, will be found carefully folded around each bottle, with written signature of JOHN L. LYON, without which none are genuine.

Prepared by Dr. JOHN L. LYON, 195 Chapel Street, New Haven, Conn., who can be consulted either personally or by mail, (enclosing stamp,) concerning all private diseases and female weaknesses.

BITTER WINE OF IRON.

An exquisite impregnation of dry Spanish Wine with the activity of the Calisaya Bark, and the most energetic of all the ferruginous salts, Citrate of Magnetic Oxide of Iron. It has a vinous flavor, very grateful to the palate, is without chalybeate taste and will not discolor the teeth.

It excites languid appetite, gives zest to food, improves digestion, increases the strength, steadies the circulation, takes off muscular flabbiness, removes the pallor of debility, gives firmness and precision to the actions of the nervous system, with power to endure fatigue and resist disease.

Magnetic Citrate of Iron is new and peculiar, differing from the ordinary Soluble Citrate, in containing an equivalent of Protoxide of Iron, in place of the Ammonia. It is neutral, tasteless, without astringency, as prompt and energetic as the Chloride, and unlike that, induces no local inflammatory action or headache.

Calisya Bark is pre-eminent among vegetable tonics, has no equal as a strengthener or restorative, nor rival as an anti-periodic.

Retails in $1 & $2 bottles, Quarts & Gallons for dispensing. O. S. HUBBELL, Apothecary,

Cholera, Diarrhœa, Dysentery.

A Cure is Warranted by DR. TOBIAS' celebrated VENITIAN LINIMENT, if used when first taken by persons of temperate habits.—This medicine has been known in the United States over 20 years. Thousands have used it, and found it never failed to cure any complaint for which it was recommended, and all those who first tried it, are now never without it. In the Cholera of 1848, Dr. Tobias attended 40 cases and lost 4, being called in too late to do any good.

DIRECTIONS.—Take a teaspoonful in a wine-glass of water every half hour for two hours, and rub the abdomen and extremities well with the Liniment. To allay the thirst take a lump of ice in the mouth, about the size of a marble every ten minutes. It is warranted perfectly innocent to take internally. Sold by all Druggists, price 40 and 80 cents. Depot, 56 Courtlandt St., New York—15my1

DEAD HEADS

or in other words, heads whose once glorious locks have

Withered and Whitened,

can in a few moments be clothed with all their

Youthful Attractions,

by a single application of that wonderful talisman

CRISTADORO'S HAIR DYE.

Grizzled whiskers and moustaches, ladies' curls into which the snow of age has prematurely drifted, and red, sandy, or whitey-brown hair, receive, as if by magic, the rarest shades of black or brown from this harmless botanical hair darkener. Manufactured by J. CRISTADORO, 6 Astor House, New York. Sold by Druggists. Applied by all Hair Dressers.

A Single box of BRANDRETH'S PILLS contains more vegetable extractive matter than twenty boxes of any pills in the world besides; fifty-five hundred physicians use them in their practice to the exclusion of other purgatives. The first letter of their value is yet scarcely appreciated. When they are better known, sudden death and continued sickness will be of the past. Let those who know them speak right out in their favor. It is a duty which will save life.

Our race is subject to a redundancy of vitiated bile at this season, and it is as dangerous as it is prevalent; but Brandreth's Pills afford an invaluable and efficient protection. By their occasional use we prevent the collection of those impurities which, when in sufficient quantities, cause so much danger to the body's health. They soon cure Liver Complaint, Dyspepsia, Loss of Appetite, Pain in the Head, Heart-Burn, Pain in the Breast Bone, Sudden Faintness and Costiveness. Sold by all respectable dealers in Medicine. my15m1

REDUCTION IN PRICE OF THE

AMERICAN WATCHES, Made at WALTHAM, MASS.

In consequence of the recent decline in gold and silver and all the materials used in the manufacture of our goods, and in anticipation of a still further decline, we have reduced our prices to as low a point as they can be placed

WITH GOLD AT PAR.

so that no one need hesitate to buy a watch now from the expectation that it will be cheaper at some future time. The test of ten years and the manufacture and sale of

More than 200,000 Watches,

have given our productions the very highest rank among time keepers. Commencing with the determination to make only throughly excellent watches, our business has steadily increased as the public became acquainted with their value, until for months together we have been unable to supply the demand. We have repeatedly enlarged our factory buildings until they now cover over three acres of ground, and give accommodation to more than eight hundred workmen.

We are fully justified in stating that we now make more than one-half of all the Watches sold in the United States. The different grades are distinguished by the following trade marks engraved on the plate:

1. "American Watch Co," Waltham, Mass.
2. "Appleton, Tracey & Co." Waltham, Mass
3. "P. S. Bartlette," Waltham, Mass.
4. "Wm. Ellery."
5. Our LADIES' WATCH of first quality is named "Appleton, Tracey & Co," Waltham, Mass
6. Our next quality of Ladies' Watch is named "P. S. Bartlette," Waltham, Mass. These watches are furnished in a great variety of sizes and styles of cases.

The American Watch Co., of Waltham, Mass., authorize us to state that without distinction of trade marks or price,

ALL THE PRODUCTS OF THEIR FACTORY ARE FULLY WARRANTED

to be the best timekeepers of their class ever made in this or any other country. Buyers should remember that unlike the guarantee of a foreign maker who can never be reached, this warrantee is good at all times against the Company or their Agents, and that if after the most thorough trial, any watch should prove defective in any particular, it may always be exchanged for another. As the American Watches made at Waltham, are for sale by dealers generally throughout the country, we do not solicit orders for single watches.

CAUTION.—The public are cautioned to buy only of respectable dealers. All persons selling counterfeits will be prosecuted.
